QUESTIONS AND ANSWERS

WHO CAN VOTE?

You can vote if you were a stockholder of our Common Stock, par value \$.01 per share, at the close of business on the record date, March 12, 2001. On the record date, there were 33,418,522 common shares outstanding.

WHAT MAY I VOTE ON?

You may vote on:

- An amendment to the Company's Certificate of Incorporation eliminating classes of directors and providing for the election of the entire board annually;
- The election of three nominees as directors for terms that expire in: (i) 2002, if the amendment to the Certificate of Incorporation is approved, or (ii) 2004, if the amendment is not approved; and
- The ratification of the appointment of independent accountants to audit our financial statements for our fiscal year 2001.

HOW DOES THE BOARD RECOMMEND I VOTE ON THE PROPOSALS?

The Board recommends that you vote:

- FOR the amendment to the Company's Certificate of Incorporation;
- FOR each nominee to the Board; and
- FOR the appointment of the independent auditors.

HOW DO I CAST MY VOTE?

If you hold the shares directly in your own name, you can vote in person at the meeting or by mailing in the accompanying proxy card. If you vote by proxy, the proxies identified on the back of the proxy card will vote your shares in accordance with your instructions. If you submit a proxy card without giving specific instructions, the proxies will vote your shares as recommended by the Board of Directors.

If you hold your shares indirectly in the name of a bank, broker, or other nominee, you should receive instructions from that nominee describing the procedure for how you can vote your shares.

HOW DO I CHANGE MY VOTE?

You can revoke your proxy card by:

- Submitting a new proxy card;
- Giving written notice to the Secretary of the Company stating that you are revoking your proxy card; or
- Attending the Annual Meeting and voting your shares in person.

WHO WILL COUNT THE VOTE?

Representatives of our transfer agent, SunTrust Bank, will count the vote and act as the independent inspectors of the election.

IS MY VOTE CONFIDENTIAL?

Yes. All proxy cards and vote tabulations that identify an individual stockholder are kept confidential. Except to meet legal requirements, your vote will not be disclosed to the Company unless:

- A proxy solicitation is contested;
- You write comments on the proxy card; or
- You authorize disclosure of your vote.

This policy does not prevent the Company from ascertaining which stockholders have voted or from taking actions designed to encourage stockholder voting.

HOW WILL THE PROXIES VOTE ON ANY OTHER BUSINESS BROUGHT UP AT THE MEETING?

We are not aware of any other business to be considered at the Annual Meeting. If any other business is proposed and we decide to permit it to be presented at the meeting, your signed proxy card authorizes the proxies to use their judgment to vote on these other matters.

WHAT IS A QUORUM?

A quorum is the number of shares that must be present to hold the Annual Meeting. A majority of the outstanding shares of the Company stock, present in person or represented by proxy, makes a quorum. If you submit a valid proxy card or attend the meeting, your shares will be counted to determine whether there is a quorum.

Abstentions and "broker non-votes" count towards the quorum. Broker non-votes occur when a nominee (such as a bank or a broker) that holds shares on behalf of a beneficial owner does not vote on a particular proposal because the nominee did not receive voting instructions from the beneficial owner and the nominee does not have discretionary voting power to vote the shares on the proposal.

WHAT VOTE IS NECESSARY TO PASS THE ITEMS OF BUSINESS AT THE ANNUAL MEETING?

The proposed amendment to the Restated Certificate of Incorporation requires the affirmative vote of the holders of at least 66-2/3% of the shares which are cast on the proposed amendment.

Directors must be elected by a plurality of the votes of the shares present (in person or by proxy) and entitled to vote for the election of directors.

All other matters shall be determined based upon the vote of a majority of the shares present (in person or by proxy) and entitled to vote on the matter.

Abstentions are, in effect, votes against proposals presented to stockholders other than the election of directors. Broker non-votes have no effect on proposals submitted to stockholders.

WHAT SHARES ARE INCLUDED ON MY PROXY CARD?

Your proxy card represents all shares registered in your name with the transfer agent on the record date, including those shares owned pursuant to the Company's Employee Stock Purchase Plan.

HOW ARE SHARES IN THE 401(K) SAVINGS PLAN VOTED?

Participants in the 401(k) Savings Plan are entitled to vote the shares held under the Plan in their name. The proxy results for the shares held in the 401(k) Plan will be tabulated by our transfer agent and reported to the 401(k) Plan trustee. The trustee will vote the shares at the meeting through the custodian holding the shares.

WHEN ARE STOCKHOLDER PROPOSALS FOR THE 2002 ANNUAL MEETING DUE?

If you would like to submit a proposal for inclusion in our proxy statement for the 2002 Annual Meeting, your proposal must be in writing and be received by us at our principal executive offices by December 3, 2001.

If you want to bring business before the 2002 Annual Meeting which is not the subject of a proposal submitted for inclusion in the proxy statement, our bylaws require that you notify us in writing by March 4, 2002, but not before February 5, 2002. If you bring business before the 2002 annual meeting but the presiding officer of that meeting determines that you did not notify us of that business within the required time period, then the presiding officer will declare to the meeting that your business was not properly brought before the meeting and your business will not be transacted at that meeting.

HOW IS THIS PROXY SOLICITATION BEING CONDUCTED?

The Company will bear the cost of soliciting proxies for the Annual Meeting. In addition to the use of mail, our officers may solicit proxies by telephone, e-mail, or facsimile transmission. Upon request, we will reimburse brokers, dealers, banks, and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy material to beneficial owners of shares of our common stock.

CAN I GET ACCOMMODATIONS WHILE ATTENDING THE MEETING?

Yes. The Opryland Hotel has reserved a limited number of rooms at a rate of \$[TBD], single and double occupancy, per night. If you would like a room, please make reservations by [TBD], 2001, by calling Corporate Relations at (615) 316-6003.

WILL THERE BE ANY ARRANGEMENTS FOR PARKING AT THE HOTEL?

ITEM 1 - AMENDMENT TO THE COMPANY'S RESTATED CERTIFICATE OF INCORPORATION

Item 1 is an amendment to the Company's Restated Certificate of Incorporation to declassify the Board of Directors and to provide for annual election of all directors.

The Company's Restated Certificate of Incorporation includes a provision, first adopted in 1991 as part of the Certificate of Incorporation of the Company's predecessor, that establishes a classified Board of Directors. This means that one-third of the directors are elected annually, each for a three-year term.

The adoption by the Company--and many other major corporations--of a classified board reflected widespread concern over hostile and non-negotiated attempts to acquire corporations to the disadvantage of stockholders. A classified board was widely viewed as discouraging proxy contests for the election of directors, or acquisitions of substantial blocks of stock, by a person or group seeking to acquire control of a company, because the extended, and staggered, terms of directors could operate to prevent changing the composition of, or the acquisition of control of, the board in a relatively short period of time. A classified board was also viewed as promoting stability and continuity among a corporation's directors.

Some investors have, however, come to view classified boards as having the effect of insulating directors from a corporation's stockholders, and a number of major corporations have determined that, regardless of the merits of a classified board in deterring coercive takeover attempts, principles of good corporate governance dictate that all directors of a corporation be elected annually. The Board of Directors of the Company agrees with this conclusion.

Accordingly, the Board of Directors has unanimously approved, and recommends to stockholders that they consider and approve, a proposal to amend the Company's Restated Certificate of Incorporation to declassify the Board and to provide for the annual election of all directors. The proposed amendment would not reduce the term of any director elected prior to its effectiveness. It would, however,

if approved by the stockholders, apply to the directors elected at this 2001 Annual Meeting. Therefore if the proposed amendment is approved by the stockholders, then (i) the terms of six directors--three directors elected at the 1999 Annual Meeting, and three elected at this 2001 Annual Meeting--would end with the 2002 Annual Meeting, and (ii) each director would be required to stand for election at the 2003 Annual Meeting.

The text of the proposed amendment, which would replace Article VII of the Company's current Restated Certificate of Incorporation, is attached as Appendix A. Under Article IX of the Company's Restated Certificate of Incorporation, the affirmative vote of the holders of at least 66-2/3% of the shares which are cast on the proposed amendment are required for its adoption.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR ITEM 1.

ITEM 2 - ELECTION OF THREE DIRECTOR

Item 2 is the election of three directors to the Board of Directors.

Our Board currently has eight members. Under the Company's existing Certificate of Incorporation, the Board is divided into three classes, with directors holding office for staggered terms of three years and one of the classes elected each year to succeed the directors whose terms are expiring.

The Board expects all of the nominees below to be available for election. In case any nominee is not available, the proxies can vote your shares for a substitute if you have submitted a proxy card.

The directors whose terms expire at the 2001 Annual Meeting are Edward L. Gaylord, Joe M. Rodgers and Craig L. Leipold. Under the existing Certificate of Incorporation they are the Class I directors. They have each been nominated to serve as directors with a term expiring at the 2002 annual meeting except that if the amendment to the Company's Certificate of Incorporation presented in Item 1 of this proxy statement is not approved, then they will serve as Class I directors for a three-year term expiring in 2004.

Directors will be elected by a plurality of the shares present (in person or by proxy) and entitled to vote for the election of directors.

Information follows about the age and business experience of each nominee and of each of the continuing directors who will complete their respective terms at the annual meetings in 2002 or 2003.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR THE ELECTION OF THE THREE NOMINEES.

NOMINATING PROCEDURES

The Board does not have a standing nominating committee, but the Compensation Committee has recommended candidates to the Board in the past. If stockholders wish to nominate candidates, they must comply with the advance notice procedure contained in our bylaws. Our Secretary must receive timely notice of the nomination in proper written form.

For a stockholder's notice to be timely, it must be delivered to or mailed and received at the principal executive offices of the Corporation (a) in the case of a nomination to be voted on at an annual meeting, not less than 60 days nor more than 90 days before the anniversary date of the immediately preceding annual meeting of stockholders, except that if the annual meeting is called for a date that is not within 30 days before or after the anniversary date, for the stockholder's notice to be timely, it must be received not later than the close of business on the tenth day after the day on which notice of the date of the

annual meeting was mailed or public disclosure of the date of the annual meeting was made, whichever first occurs; and (b) in the case of a nomination to be voted on at a special meeting of stockholders called for the purpose of electing directors, not later than the close of business on the tenth day after the day on which notice of the date of the special meeting was mailed or public disclosure of the date of the special meeting was made, whichever first occurs.

To be in proper written form, a stockholder's notice to the Secretary must set forth (a) as to each person whom the stockholder proposes to nominate for election as a director (i) the person's name, age, business address and residence address, (ii) their person's principal occupation or employment, (iii) the class or series and number of shares of the Company's capital stock which are owned beneficially or of record by the person and (iv) any other information relating to the person that would be required to be disclosed in a proxy statement or other filings required to be made in connection with solicitations of proxies for election of directors pursuant to Section 14 of the Exchange Act, and the rules and regulations promulgated thereunder; and (b) as to the stockholder giving the notice (i) the stockholder name and record address, (ii) the class or series and number of shares of capital stock of the Corporation which are owned beneficially or of record by such stockholder, (iii) a description of all arrangements or understandings between the stockholder and each proposed nominee and any other person (including their names) pursuant to

7

The stockholder's notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected.

A stockholder's nomination will be disregarded if the presiding officer of the meeting determines that a person was not nominated in accordance with this nomination procedure.

DIRECTOR COMPENSATION

The Compensation Committee sets the compensation for directors. During 2000, Board members who were not employed by the Company received the following compensation:

- Annual Board retainer: \$30,000
- Annual committee retainer: \$5,000 per committee (\$6,000 for committee chairmen)
- Per-meeting fee for attendance at special meetings of the Board or of a committee: \$1,500 (on November 16, 2000, the Compensation Committee resolved that Directors shall not receive compensation for attendance at special meetings held by conference call).

The Company has established a deferred compensation plan whereby non-employee directors may defer their cash compensation until their retirement or resignation from the Board. Currently none of the directors participate in the deferred compensation plan.

Directors who are employed by the Company do not receive additional compensation for their service as directors. All directors are reimbursed for their expenses incurred in attending meetings. In addition, the Compensation Committee may vote to grant stock options to directors. On February 17, 2000, Mr. Dickinson, Mrs. Everest, Mr. Edward Gaylord, Mr. Leipold, Mr. Rodgers, Ms. Wilderotter and Mr. Wood were each awarded options to purchase 7,000 shares of common stock at an exercise price of \$27.875 per share. All of these options are fully vested and have terms of ten years.

COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

The Compensation Committee of the Board of Directors is composed of Mr. Dickinson, Mr. Leipold, Mr. Rodgers, Ms. Wilderotter, and Mr. Wood. Mr. Dickinson is also a director and stockholder of OPUBCO. Edward L. Gaylord, a director of the Company, and E.K. Gaylord II, a director and executive officer of the Company, are also directors, executive officers, and stockholders of OPUBCO. There are no compensation committee interlocks or insider participation in compensation decisions that the Company is required to report.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In addition to the relationships described in the previous section, which are incorporated into this section by reference, certain other relationships and transactions should be disclosed.

E.K. Gaylord II is an executive officer of the Company and of OPUBCO. E.K. Gaylord II, Edward L. Gaylord, Christine Gaylord Everest, and Martin C. Dickinson are directors of the Company and of OPUBCO, and voting trustees of a voting trust that controls OPUBCO.

On March 9, 2001, the Company sold its stock and equity interests in five of its businesses to OPUBCO for a purchase price of \$22.00 million in cash. The businesses sold were Gaylord Production Company, Gaylord Films, Pandora Films, Gaylord Sports Management Group, and Gaylord Event Television. Since four of the Company's directors also are directors of OPUBCO, and voting trustees of a voting trust that controls OPUBCO, the transaction was reviewed and approved by a special committee of the independent directors of the Company. The

8

13

Company received an appraisal from a firm that specializes in valuations related to films, entertainment and service businesses as well as a fairness opinion from an investment bank.

Craig L. Leipold has been a director of the Company since February 1999 and, together with members of his immediate family, owns an 80.1% interest in Nashville Hockey Club Limited Partnership, the limited partnership that owns the Nashville Predators. The Company owns the remaining 19.9% interest in the limited partnership. In November 1999, the Company entered into a Naming Rights Agreement with the limited partnership whereby the Company purchased the right to name the Nashville Arena as the "Gaylord Entertainment Center" and to place certain advertising within the arena. Under the agreement, which has a 20-year term, the Company is required to make annual payments of \$2,050,000, subject to a 5% annual increase, and to purchase a minimum number of tickets to Predators games each year.

David B. Jones, an executive officer of the Company, was granted an interest-free secured loan of up to \$1,500,000 by the Company in November 1999 to assist Mr. Jones in purchasing a residence in Nashville, Tennessee. The largest aggregate amount of indebtedness outstanding under the loan agreement during 2000 was \$740,000. The loan was repaid in full on August 15, 2000.

INVOLVEMENT IN CERTAIN LEGAL PROCEEDINGS

Under the Securities Exchange Act of 1934, as amended, and certain rules promulgated thereunder, the Company is required to disclose in this Proxy Statement the involvement of our directors with certain past legal proceedings. These include bankruptcy proceedings for a corporation of which a director of the Company was an executive officer at or within two years before the filing of the corporation's bankruptcy petition. In November 1998, Livent Inc., of which Mr. Maisel was president, filed a voluntary petition for reorganization under Chapter 11 of the U.S. Bankruptcy Code. In July 1999, the United States Bankruptcy Court for the Southern District of New York approved the sale of substantially all of Livent's assets to SFX Entertainment, Inc.

ITEM 3 - RATIFICATION OF APPOINTMENT OF INDEPENDENT ACCOUNTANTS

Item 3 is the ratification of the appointment by the Board of Directors, upon

the recommendation of the Audit Committee, of Arthur Andersen LLP as our independent accountants for 2001. Arthur Andersen LLP has served as our independent accountants since 1983.

A representative of Arthur Andersen LLP will be present at the Annual Meeting. The representative will be available to respond to your questions and may make a statement if he or she desires. Although stockholder ratification of this appointment is not required, our management believes that it is desirable. If this appointment is not ratified, the Board will consider such fact as it deems appropriate.

The affirmative vote of a majority of the shares present (in person or by proxy) and entitled to vote on this proposal is required for adoption.

THE BOARD OF DIRECTORS RECOMMENDS THAT YOU VOTE FOR ITEM 3.

- (2) Employed as President and Chief Executive Officer of the Company, on an interim basis, since September 14, 2000. Mr. Sullivan was paid a base salary of \$300,000 over the six-month term of his employment agreement, ended March 14, 2001. Since expiration of that employment agreement, he has continued to serve at the same base salary. [SDH: Confirm via TJS].
- (3) Mr. Sullivan is eligible for a cash bonus in an amount up to 70% of the base salary he received under his employment agreement (i.e. up to \$210,000). Any such bonus will be determined by the Compensation Committee based 25% each upon the following four factors measured at the termination of his employment: achievement of cost reductions; achievement of operating cash flows; completion of financing arrangements relating to the Florida hotel project; and satisfactory and timely divestiture of assets identified by the board of directors.
- (4) Served as President and Chief Executive Officer of the Company from July 29, 2000 until September 14, 2000.

David B. Jones	3,500 shares
Carl W. Kornmeyer	2,000 shares

In the cases of Messrs. In the case of Mr. London, upon his departure from the Company, the Compensation Committee canceled the specified performance-based vesting conditions for his restricted stock, which caused those shares to vest immediately without restriction. In the case of Mr. DuBois, upon his departure from the Company, his shares of restricted stock were cancelled pursuant to the terms of his restricted stock agreement.
- (6) Employed as President and Chief Executive Officer of the Company until July 28, 2000.

PENSION PLANS

Employees of the Company and certain of its subsidiaries who have attained age 21 and completed at least one year of service with more than 1,000 hours of service are eligible to participate in the Company's defined benefit pension plan, referred to as the Retirement Plan. Accrued benefits are 100% vested after five years of service.

Effective January 1, 2001, the Retirement Plan was amended to a cash balance plan format. The benefit payable to a vested participant upon retirement at age 65, or age 55 with 15 years of service, is equal to the participant's notational account balance. The account balance is based on a formula using interest and contribution credits as shown below:

-----	-----	-----	-----	-----	-----
Beginning of month	+	(3% x Monthly	+	Interest	= End of month account
account balance		compensation)		credit	balance
-----		-----		-----	-----

The normal form of benefit is calculated in the form of a lump sum. The participant may elect or may be required to take, based on marital status, alternative forms of payment under the Retirement Plan.

"Interest credit" is defined as the product of the previous month's account balance multiplied by one-twelfth of the interest credit rate.

"Interest credit rate" is defined as the variable rate of interest equal to the lesser of:

- (a) the constant maturities yield for 1-year U.S. Treasury Bills as reported in the Federal Reserve Bulletin for the preceding month, or
- (b) the interest rate on 30-year Treasury securities as specified by the Commissioner of the Internal Revenue Service for the preceding month.

"Compensation" is defined as a participant's wages, salaries, fees, and other amounts received for personal services actually rendered in the course of employment. It excludes severance pay, distributions from any plan of deferred compensation, amounts realized from the exercise of a nonqualified stock option, amounts realized when restricted stock (or property) held by the employee either becomes freely transferable or is no longer subject to a substantial risk of forfeiture, amounts realized from the sale, exchange or other disposition of stock acquired under a qualified stock option, and other amounts which received special tax benefits. Compensation also includes any amounts contributed by the Company on behalf of an employee either to a nonqualified plan of deferred compensation or which are not includable in the gross income of the employee due to Internal Revenue Code Sections 125, 402(e)(3), or 402(h). Compensation in excess of the statutory compensation limit, which is \$170,000 for fiscal year 2001, will be disregarded.

The Retirement Plan has a grandfather clause under which employees who were active participants in the Retirement Plan before January 1, 2001, may receive benefits calculated under the provisions of the Retirement Plan in effect before that date. The benefits of such a grandfathered employee upon retirement will be

equal to the larger of (i) the benefit from the cash balance provisions described above, and (ii) the benefit from the provisions of the Retirement Plan in effect prior to January 1, 2001, under which the normal retirement benefit payable to a vested participant upon retirement at age 65 is equal to the sum of:

(A) 8.4% of the participant's average annual compensation multiplied by the participant's years of benefit service, as defined in the Retirement Plan; and

(B) 6.4% of the excess, if any, of the participant's average annual compensation over the annual integration level, as defined in the Retirement Plan, multiplied by his or her years of benefit service.

The Company also maintains two non-qualified retirement plans to provide benefits to certain employees: (i) the Retirement Benefit Restoration Plan (the "Benefit Restoration Plan") and (ii) the Gaylord Entertainment Company Supplemental Executive Retirement Plan (the "Mid-Career SERP"). These plans are not prefunded and the beneficiaries' rights to receive distributions under them constitute unsecured claims to be paid from the Company's general assets.

The Benefit Restoration Plan provides a benefit to certain employees to "replace" benefits lost due to Internal Revenue Code limitations imposed upon qualified defined benefit pension plans. The benefit is determined by calculating the Retirement Plan benefit without respect to any limitations imposed by Section 415 and Section 401(a)(17) of the Internal Revenue Code and subtracting the benefit payable to the employee from the Retirement Plan. In the case of an employee who was an active participant in the Retirement Plan before January 1, 2001, that employee's benefit under the Benefit Restoration Plan will not be less than the benefit from the provisions of the Benefit Restoration Plan in effect prior to January 1, 2001.

The Mid-Career SERP, which currently covers only one employee, provides a monthly benefit to any executive designated as a participant. The benefit is equal to 3% of average monthly compensation multiplied by the participant's years of service. This amount is offset by the monthly annuity benefit values from the (i) Benefit Restoration Plan, (ii) Retirement Plan, (iii) employer matching contributions to the 401(k) Plan and the SUDCOMP Plan (assuming the maximum match), (iv) one-half of the annual projected Social Security benefit payable to the employee, and (v) any pension, profit sharing, retirement, deferred compensation or similar plan maintained by a previous employer.

The following table shows the combined estimated annual pension payable under the Retirement Plan and the Benefit Restoration Plan to employees upon retirement in specified remuneration and years-of-service classifications. The amounts shown in the table do not include benefits payable from Social Security. The amount of estimated annual pension is based upon a pension formula which applies to all participants in the Retirement Plan and the Benefit Restoration Plan before January 1, 2001. The estimated amounts are based on the assumptions that (i) payments under the Retirement Plan and the Benefit Restoration plan will commence upon retirement at age 65 in 2001 in the form of a joint and 100% survivor annuity, (ii) the integration level is \$37,212, and (iii) the Retirement Plan and the Benefit Restoration Plan will continue in force in their present form.

- (1) The maximum annual compensation that can be recognized by a qualified defined benefit pension retirement plan is \$170,000 in 2001 (Internal Revenue Code Section 401(a)(17)).
- (2) Estimated five-year final average compensation is based on 90% of pay at age 65.

The estimated credited years of service for each named executive officer as of December 31, 2000, are:

E. K. Gaylord II	5
David B. Jones	3
Carl W. Kornmeyer	27
Terry E. London	22

As a result of the Code Section 401(a)(17) limitation on eligible compensation, the 2000 includable compensation in determining benefits under the Retirement Plan was limited to \$170,000 for the Named Executive Officers.

401 (K) SAVINGS PLAN

The Company maintains a 401(k) Savings Plan, a defined contribution plan with a salary deferral arrangement under Section 401(k) of the Internal Revenue Code. Certain employees who have attained age 21 and completed at least one year of service with more than 1,000 hours of service are eligible to participate in the 401(k) Plan.

401(k) Plan participants are permitted to make elective contributions of between 1% and 20% of their "compensation," as that term is defined in the 401(k) Plan. Under the plan, the Company matches 50% of each participant's contribution up to 6% of compensation. The Company's maximum contribution is equal to the lesser of (i) 3% of the participant's compensation or (ii) any lesser amount specified by Section 401(k).

A participant's elective contributions vest immediately. Matching contributions vest according to the following schedule:

YEARS OF SERVICE -----	PERCENT -----
Less than 2.....	0
2 to 3.....	40
3 to 4.....	60
4 to 5.....	80
5 or more.....	100

Participants actively participating in the 401(k) Plan may apply for loans from their 401(k) Plan accounts. Participants, however, may request no more than one new loan each quarter and may have no more than three loans outstanding at any time. They are also permitted to make in-service withdrawals and hardship withdrawals in conformity with the terms of the 401(k) Plan.

Participating employees may invest both their own contributions and employer contributions in one of eight funds, including a Company common stock fund.

Upon termination of employment, disability, death, or retirement, a participant receives the value of his or her account. The form of benefit payment will be a lump sum.

SUPPLEMENTAL DEFERRED COMPENSATION PLAN

The Company maintains a Supplemental Deferred Compensation Plan, or SUDCOMP Plan, which is a deferred compensation arrangement for a select group of management or highly compensated employees, including all of the Company's Named Executive Officers. The SUDCOMP Plan is intended to provide benefits like those provided under the 401(k) Plan, notwithstanding the limitations under the 401(k) Plan imposed by Section 401(k) and Section 401(a)(17) of the Internal Revenue Code. The SUDCOMP Plan is administered by the Benefits Trust Committee, the internal committee charged with oversight of the Company's benefit plans, which has the exclusive authority to select the employees who are entitled to participate in the SUDCOMP Plan and to interpret and administer the SUDCOMP Plan.

The terms of the SUDCOMP Plan are generally the same as the terms of the 401(k) Plan except that:

- employer matching contributions (if any) are 50% vested after two years of service and 100% vested after three years of service;
- elective contributions are limited to the lesser of 20% of compensation or \$80,000;
- upon termination of employment for any reason, participants will receive distributions from the SUDCOMP Plan based on a single lump-sum election or in annual installments in two or three consecutive years;
- distributions from the SUDCOMP Plan may not be rolled into an Individual Retirement Account or another employer's defined contribution plan; and

19

24

- distributions from the SUDCOMP Plan are taxed upon distribution.

Subject to review by an administrative committee, SUDCOMP Plan participants are permitted to invest both their own contributions and employer contributions in the same or similar funds made available to 401(k) Plan participants, other than the common stock fund.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors reviews and approves the annual compensation of the Company's executive officers and other key management personnel. In addition, the Compensation Committee establishes policies and guidelines for other benefits and administers compensation and certain other benefit plans, including the awards of stock and stock options pursuant to the 1997 Omnibus Stock Option and Incentive Plan (the "1997 Omnibus Plan"). The Compensation Committee is assisted in making compensation decisions by the Company's management and the Company's independent professional compensation consultants.

COMPENSATION POLICIES APPLICABLE TO EXECUTIVE OFFICERS

The principal objective of the Company is to maximize stockholder value and provide "Entertainment with Integrity" through the development and enhancement of the Company's primary business groups: hospitality and attractions, and music, media and entertainment.

To further that objective, the Company's executive compensation program is designed to:

- attract, retain, and reward management personnel;
- align executive and stockholder interests by rewarding performance that enhances stockholder value; and

- provide appropriate incentives for executives to achieve Company, business unit, and individual performance goals.

At its first regular meeting of the year, the Compensation Committee reviews management's performance during the prior year, adopts compensation policies for the current year, and establishes each executive's compensation. The Committee, however, may adjust an executive's total compensation at any time during the year in light of increased job responsibilities or particularly meritorious performance.

An executive's total compensation is composed of three primary components: base salary compensation, annual incentive compensation, and long-term incentive compensation. Each component is based on individual and group performance factors which are measured objectively and subjectively by the Compensation Committee.

BASE SALARY COMPENSATION

The 2000 base salary compensation of the Company's executive officers was based on several factors. In general, the Compensation Committee sought to establish base salaries at or near the 50th percentile of total compensation paid by companies within the lodging, entertainment, media, and music industries with whom the Company believes it competes for executive talent to executives exercising responsibilities similar to those of executives with the Company, as confirmed by an independent compensation consultant. Base salaries were adjusted by the Compensation Committee, however, to reflect other factors such as an individual executive officer's performance and base salary during the prior year.

ANNUAL INCENTIVE COMPENSATION

On February 17, 2000, the Compensation Committee considered an annual incentive plan presented by independent compensation consultants. The Committee referred the plan to the full Board of Directors for consideration at a later meeting. On March 20, 2000, the full Board approved a revised version of the annual incentive plan previously considered by the Compensation Committee. Under the approved plan, the Compensation Committee approved annual target incentives designed to provide bonuses that would place the executive's total cash compensation at the 75th percentile of peer group compensation upon the achievement of specified Company, business-unit, and individual performance goals.

20

25

In general, for executives with Company-wide responsibilities, of their total bonus payout,

- 60% was predicated upon achievement of the Company's consolidated operating cash flow target;
- up to 20% was based on departmental performance; and
- up to 40% was based on the achievement of individual performance goals.

For those executives who manage a particular operating group, of their total bonus payout,

- 20% was predicated upon achievement of the Company's operating cash flow target;
- up to 60% was based on unit or group performance;
- up to 20% was based on departmental performance; and
- up to 20% was based on the achievement of individual performance goals.

In addition, the CEO was authorized to award a discretionary bonus in an amount not to exceed 20% of targeted bonus payouts. The Board instructed the CEO that in awarding this discretionary bonus, he should consider heavily the executive's accomplishments in developing synergies among the various groups within the

Company.

LONG-TERM INCENTIVE COMPENSATION

The Compensation Committee believes that a powerful way of aligning the long-term interests of executive officers with those of stockholders is to award equity-based compensation in the form of stock options and restricted stock. On February 17, 2000, the Compensation Committee considered a recommendation on long-term incentive compensation presented by independent compensation consultants. The Committee referred the proposed plan to the full Board of Directors for consideration at a later meeting.

On March 20, 2000, the full Board approved a revised version of the proposed long-term incentive plan. The plan intends to provide incentives and rewards to senior management based upon long-term performance of the Company's strategic plan and stock price appreciation, in a way which aligns management's goals with stockholder interests. Under the approved plan, executives were categorized into a "tier," with the members of each tier receiving awards of stock options and, for some tiers, grants of restricted stock based upon the accomplishment of annual criteria that collectively move the Company towards the accomplishment of the Company's five-year strategic plan. All stock options awarded would vest ratably over a five year period, with one-third vesting annually beginning three years after the grant, and may be exercised at the market price on the date of the award. All restricted stock awards would vest ratably over a four year period, with one-third vesting annually beginning two years after the grant. All restricted stock awards are canceled in the event that the annual performance criteria are not met. With two exceptions, the restricted stock grants made in 2000 were cancelled as the Company did not achieve its operating targets.

CEO COMPENSATION

In reviewing and approving Mr. London's compensation in 2000, the Compensation Committee considered many of the same criteria relied upon with respect to the other executive officers, including the compensation of peer group executives within the entertainment, lodging and media industries, the performance of the Company in 1999, and the scope of Mr. London's executive responsibilities.

Mr. E. K. Gaylord II, Chairman of the Board of Directors, served in the capacity of interim CEO for approximately six weeks in August and September, 2000. Mr. Gaylord did not request, and the Compensation Committee did not consider, any change to Mr. Gaylord's then existing compensation as Chairman.

In reviewing and approving the compensation of Dennis J. Sullivan as interim president and CEO, the Compensation Committee took into consideration the nature of the responsibilities that Mr. Sullivan would have as interim President and CEO, the compensation of peer group executives for such short-term interim executive positions, and the needs of the Company for a short-term interim President and CEO. Based upon these factors, the Compensation Committee awarded Mr. Sullivan compensation in the form of base salary, equity compensation consisting of immediately vested options to purchase 10,000 shares of the Company's common stock at \$20.3125 per share, and the opportunity to be paid a performance

bonus during 2001 in an amount up to 70% of the base salary, such bonus to be determined by the Compensation Committee based 25% each upon the following four factors measured at the termination of his employment: achievement of cost reductions; achievement of operating cash flows; completion of financing arrangements relating to the Florida hotel project; and satisfactory and timely divestiture of certain assets identified by the Board of Directors.

POLICY WITH RESPECT TO DEDUCTIBILITY OF COMPENSATION

Federal tax law limits the tax deduction that the Company may take with respect to the compensation of any executive officer that exceeds \$1.0 million, unless the compensation is "performance-based." The Company's stock incentive plans are designed to provide "performance-based" compensation which should minimize the impact of this tax limit.

The Compensation Committee believes that all incentive compensation of the

Company's current executive officers will qualify as a tax deductible expense when paid. The Compensation Committee will continue to evaluate, however, whether it will approve annual compensation arrangements exceeding \$1.0 million and whether it will attempt to qualify any such amounts for deductibility under the federal tax laws.

CONCLUSION

The Compensation Committee believes that the Company's executive compensation program aligns the interests of executives and stockholders by linking performance to the creation of stockholder value. The program has been successful in attracting and retaining quality executive officers, and is integral to the future growth and success of the Company.

EMPLOYMENT, SEVERANCE, AND CHANGE IN CONTROL ARRANGEMENTS

All stock options granted under the Omnibus Plan become immediately exercisable or otherwise non-forfeitable in full in the event of a change in control of the Company. A change in control includes, among other things, the following events:

- any unaffiliated entity acquires a majority of our voting securities;
- the Company's stockholders approve certain mergers, or a liquidation or sale of the Company's assets; or
- more than half of our directors are replaced during a two-year period, with certain exceptions.

In September 2000, the Company entered into an employment agreement with Dennis J. Sullivan, Jr. to serve a six month term of employment as President and Chief Executive Officer of the Company. The agreement provided for a base salary of \$300,000 for the six month period, plus the grant of immediately vested options to purchase 10,000 shares of the Company's common stock at the exercise price of \$20.3125 per share. Mr. Sullivan is also eligible for a cash bonus upon the termination of his employment as described under "Compensation Committee Report on Executive Compensation." Since the termination of Mr. Sullivan's employment agreement, he has continued to serve on an interim basis at the same base salary.

Mr. Kornmeyer entered into a change of control agreement prior to the CBS merger (as described in Note 1 to the Performance Graph on page 26). The Company assumed this change of control agreement following the merger. The change of control agreement provides for a two-year employment period upon the occurrence of a "change of control" (as defined in the agreement). In the event Mr. Kornmeyer is terminated or his compensation is reduced prior to the expiration of the two year employment period, he is entitled to a lump sum payment equal to 250% of the sum of his base salary and cash incentive bonus.

In addition to that change of control agreement, in February 2001 Mr. Kornmeyer entered into a severance agreement with the Company. Under the severance agreement, if the Company terminates Mr. Kornmeyer's employment without cause, or if Mr. Kornmeyer resigns because the Company has transferred him to a business location outside of the Nashville metropolitan area or reduced his authority and responsibility below his current level, then the Company will pay Mr. Kornmeyer \$1,585,965. Under the terms of the severance agreement, Mr. Kornmeyer may elect to receive the severance compensation provided under either the severance agreement or the earlier change of control agreement, but not both.

The Company has entered into severance agreements with Mr. Jones (in February

1999) and Ms. Warren (in February 2001). Each severance agreement provides for a two-year employment agreement upon the occurrence of a "change of control" (as defined in the agreement). In the event that the executive is terminated, his or her compensation is reduced, or he or she is required to relocate his or her residence more than 100 miles from the executive's city of employment prior to the expiration of the two year employment period, then the executive is entitled to a lump sum payment equal to 150% of the sum of his or her base salary and cash incentive bonus received in the last 12 months of employment, subject to an additional payment for purposes of tax reimbursement.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors is composed of three directors who are independent directors as defined in Section 303.01(B)(2)-(3) of the NYSE's listing standards. As required by that Section, each member of the Committee is financially literate and at least one member of the Committee has accounting or financial management expertise. The Audit Committee operates under a written charter adopted by the Board of Directors on May 9, 2000, which is included as Appendix B to this proxy statement. The Committee will review and reassess the adequacy of the charter at least once each year.

The primary purpose of the Audit Committee is to assist the Board in fulfilling its fiduciary oversight responsibilities by reviewing the financial information provided to stockholders and others, the systems of internal controls which management and the Board of Directors have established, the audit process, and the legal and ethical conduct of the Company and its employees. In fulfilling that purpose, the Audit Committee has (1) reviewed and discussed the Company's audited financial statements for the year ended December 31, 2000, with management and Arthur Andersen LLP, the Company's independent auditors; (2) discussed with the independent auditors the matters required to be discussed by Statement on Auditing Standards No. 61, Codification of Statements on Auditing Standards, as modified or supplemented; and (3) received the written disclosures and the letter from the independent auditors required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and has discussed with the independent auditors the independent auditors' independence. The Audit Committee also has considered whether the provision by Arthur Andersen LLP of the information technology services and other non-audit services described in this proxy statement under the captions "Audit Firm Fees - Financial Information Systems Design and Implementation Fees" and "Audit Firm Fees - All Other Fees" are compatible with maintaining the independence of the Company's auditors.

Based on the foregoing reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended December 31, 2000, for filing with the Securities and Exchange Commission. The Audit Committee also recommended the appointment of Arthur Andersen LLP as the Company's independent auditors for the year 2001.

PERFORMANCE GRAPH

The following Performance Graph and accompanying table compare the cumulative total stockholder return on our common stock from October 1, 1997 (see Note 1 below), through December 31, 2000, with the cumulative total return of the Dow Jones Lodging Index, the Dow Jones Entertainment Index, and the Russell 2000 Index. The comparative data assumes \$100.00 was invested on October 1, 1997, in the common stock and in each of the indices and assumes that any dividends paid were reinvested.

On October 1, 1997, Old Gaylord consummated a transaction with Westinghouse Electric Corporation (which became CBS Corporation, and is referred to here as "CBS"), pursuant to which Old Gaylord became a wholly owned subsidiary of CBS. Prior to the merger, Old Gaylord was restructured by transferring its assets and liabilities, other than the assets and certain related liabilities to be acquired by CBS to the Company and its subsidiaries. Following the restructuring, on September 30, 1997, Old Gaylord distributed pro rata to its stockholders all of the outstanding capital stock of the Company. Immediately following the CBS merger, the Company changed its name to Gaylord Entertainment Company.
