ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On July 2, 2019, Aurora Convention Center Hotel, LLC (“Hotel Owner”) and Aurora Convention Center Hotel Lessee, LLC (“Tenant” and collectively with Hotel Owner, the “Loan Parties”), subsidiaries of the entities comprising the joint venture (the “Gaylord Rockies joint venture”) that owns the Gaylord Rockies Resort and Convention Center in Aurora, Colorado (the “Gaylord Rockies”) entered into a Second Amended and Restated Loan Agreement (the “Gaylord Rockies Loan Agreement”), among the Loan Parties, Wells Fargo Bank, National Association, as administrative agent, and the certain financial institutions from time to time a party. Pursuant to the Gaylord Rockies Loan Agreement, the Loan Parties refinanced the \$500 million construction loan and \$39 million mezzanine loan for the Gaylord Rockies joint venture, which were scheduled to mature in December 2019.

Under the Gaylord Rockies Loan Agreement, the Loan Parties obtained a secured term loan facility in the aggregate principal amount of \$800 million, and, at the option of the Loan Parties, may obtain a new construction loan facility in the aggregate principal amount of \$80 million in the event the Gaylord Rockies joint venture pursues a future expansion (the “Rockies Loan”).

The Rockies Loan matures in July 2023, has three one-year extension options, subject to certain requirements in the Gaylord Rockies Loan Agreement, and bears interest at an annual rate equal to LIBOR plus 2.50%. The borrowings under the Rockies Loan are secured by a deed of trust lien on the Gaylord Rockies real estate and related assets. The loan is interest-only during the initial term, with monthly principal payments of \$1 million each payable during the extension terms only if the project fails to meet certain debt service coverage ratio hurdles.

Simultaneously with the closing under the Gaylord Rockies Loan Agreement, the Gaylord Rockies joint venture entered into an interest rate swap to fix the LIBOR portion of the interest rate at 1.65% for the first three years of the Gaylord Rockies Loan Agreement.

Pursuant to the Gaylord Rockies Loan Agreement, the Loan Parties will be subject to customary covenants relating to the operations of the Loan Parties and the operation of the Gaylord Rockies. Upon the occurrence of any default under the Gaylord Rockies Loan Agreement, the entire principal amount outstanding under the Gaylord Rockies Loan Agreement, together with all accrued unpaid interest and other amounts owing in respect thereof, may be declared immediately due and payable.

Ryman Hospitality Properties, Inc. (the “Company”) and RHP Hotel Properties, LP, and an affiliate of the other principal owner of the Gaylord Rockies joint venture, entered into limited repayment and carry guaranties that, in the aggregate, guarantee repayment of 10% of the principal debt, together with interest and operating expenses. Generally the loan is non-recourse to the Company, subject to (i) those limited guaranties (which are to be released once the Gaylord Rockies achieves a certain debt service coverage threshold), (ii) a completion guaranty in the event the expansion is pursued and (iii) customary non-recourse carve-outs.

The Gaylord Rockies joint venture will use the loan proceeds to repay the previously-outstanding construction and mezzanine loans and, after repayment of expenses, will distribute excess proceeds to its owners. The Company, which owns 61.2% of the Gaylord Rockies joint venture, expects to receive a distribution of approximately \$153 million, which it will use to repay a portion of the outstanding indebtedness under its revolving credit facility.

Certain lenders under the Gaylord Rockies Loan Agreement or their affiliates have provided, and may in the future provide, certain commercial banking, financial advisory, and investment banking services in the ordinary course of business of the Company, its subsidiaries and certain of its affiliates, for which they receive customary fees and commissions.

The foregoing description of the Gaylord Rockies Loan Agreement is qualified in its entirety by reference to the Gaylord Rockies Loan Agreement, which is attached as Exhibit 10.1 and incorporated herein by this reference. The foregoing disclosures are made in light of the Company’s consolidated financial statements reflecting all the Gaylord Rockies assets and liabilities as of December 31, 2018, and the Gaylord Rockies results of operations as of January 1, 2019.

ITEM 2.03. CREATION OF A DIRECT FINANCIAL OBLIGATION OR AN OBLIGATION UNDER AN OFF-BALANCE SHEET ARRANGEMENT OF A REGISTRANT.

The information in Item 1.01 above is incorporated into this Item 2.03 by reference.

ITEM 8.01. OTHER EVENTS.

Borrower acknowledges that Administrative Agent shall have no obligation to advance, and Lenders shall have no obligation to lend, to Borrower more than \$800,000,000 of the Loan unless and until the conditions precedent set forth in Section 3.2 have been satisfied.

2.2 LOAN FEES.

Borrower shall pay to Administrative Agent certain fees, each in the amount and at the times as set forth in a separate letter agreement between Borrower and Administrative Agent, dated as of May 1, 2019 (the "Fee Letter").

2.3 LOAN DOCUMENTS.

Borrower and Operating Lessee, as applicable, shall execute and deliver to Administrative Agent (or cause to be executed and delivered) concurrently with this Agreement each of the documents, properly executed and in recordable form, as applicable, described in Exhibit B as Loan Documents, together with those documents described in Exhibit B as Other Related Documents; provided, however, Operating Lessee shall only be required to execute and deliver to Administrative Agent the Loan Documents and Other Related Documents to which Operating Lessee is named as a party in Exhibit B.

2.4 INTENTIONALLY OMITTED.

2.5 MATURITY DATE.

All sums due and owing under this Agreement and the other Loan Documents shall be repaid in full on or before the Maturity Date. All payments due to Administrative Agent and Lenders under this Agreement, whether at the Maturity Date or otherwise, shall be paid in Dollars in immediately available funds.

2.6 INTEREST ON THE LOAN AND REPAYMENT OF PRINCIPAL.

(a) Principal and Interest Payments. Interest accrued on the outstanding principal balance of the Loan shall be due and payable, in the manner provided in Section 2.7, on the first day of each calendar month commencing with the first calendar month after the Effective Date. Required principal prepayments shall be made from time to time in accordance with Section 2.12. For the avoidance of doubt, the outstanding principal balance of the Loan shall not include any proceeds that have not been advanced until such time as the same are advanced pursuant to this Agreement.

(b) Default Interest. Notwithstanding the rates of interest specified in Sections 2.6(e) below and the payment dates specified in Section 2.6(a), at Requisite Lenders' discretion at any time following the occurrence and during the continuance of any Default (except that in connection with a Default caused by the condemnation of a material portion of the Property or Improvements under Section 11.1(d)(i), in which case at any time following ninety (90) days after such Default), the principal balance of the Loan then outstanding and, to the extent permitted by applicable law, any accrued interest payments on the Loan not paid when due, shall bear interest payable upon demand at the Default Rate. All other amounts due Administrative Agent or Lenders (whether directly or for reimbursement) under this Agreement or any of the other Loan Documents if not paid when due, or if no time period is expressed, if not paid within twelve (12) Business Days after demand, shall likewise, at the option of Requisite Lenders, bear interest from and after demand at the Default Rate.

(c) Late Fee. Borrower acknowledges that late payment to Administrative Agent will cause Administrative Agent and Lenders to incur costs not contemplated by this Agreement. Such costs include, without limitation, processing and accounting charges. Therefore, if Borrower fails timely to pay any sum due and payable hereunder through the Maturity Date (other than payment of the entire outstanding balance of the Loan on the Maturity Date), unless waived by Administrative Agent, a late charge of four cents (\$.04) for each dollar of any such principal payment or interest due hereon and which is not paid within fifteen (15) days after such payment is due, shall be charged by Administrative Agent (for the benefit of Lenders) and paid by Borrower for the purpose of defraying the expense incident to handling such delinquent payment. Borrower and Administrative Agent agree that this late charge represents a reasonable sum considering all of the circumstances existing on the date hereof and represents a fair and reasonable estimate of the costs that Administrative Agent and Lenders will incur by reason of late payment. Borrower and Administrative Agent further agree that proof of actual damages would be costly and inconvenient. Acceptance of any late charge shall not constitute a waiver of the default with respect to the overdue installment, and shall not prevent Administrative Agent from exercising any of the other rights available hereunder or any other Loan Document. Such late charge shall be paid without prejudice to any other rights of Administrative Agent.

(d) Computation of Interest. Interest shall be computed on the basis of the actual number of days elapsed in the period during which interest or fees accrue and a year of three hundred sixty (360) days on the principal balance of the Loan outstanding from time to time. In computing interest on the Loan, the date of the making of a disbursement under the Loan shall be included and the date of payment shall be excluded. Notwithstanding any provision in this Section 2.6, interest in respect of the Loan shall not exceed the maximum rate permitted by applicable law.

(e) Effective Rate. The “Effective Rate” upon which interest shall be calculated for the Loan shall, from and after the Effective Date, be as follows:

(i) Provided no Default exists under this Agreement, for the initial disbursement of principal under the Note, and for any subsequent disbursements of principal during any calendar month, the Effective Rate on such principal amount shall be the lesser of (A) the Maximum Lawful Rate or (B) the Calculated Rate on the date of disbursement. Such Effective Rate shall apply to such principal amount from the date of disbursement through and including the date immediately preceding the first (1st) Business Day of the next calendar month. On the first (1st) Business Day of the next calendar month, any principal disbursed during the prior calendar month shall be added to (or become) the Benchmark Loan for purposes of calculation of the Effective Rate under clause (ii) immediately below.

(ii) Commencing with the first (1st) Business Day of the first (1st) calendar month after the initial disbursement of principal under the Note, and continuing thereafter on the first (1st) Business Day of each succeeding calendar month, the Effective Rate on the outstanding Benchmark Loans under the Note (i.e., all outstanding principal on such first (1st) Business Day) shall be reset to the lesser of (A) the Maximum Lawful Rate or (B) the Calculated Rate on each such first (1st) Business Day.

(f) Benchmark Taxes, Regulatory Costs and Reserve Percentages. Within twelve (12) Business Days after Administrative Agent’s demand, Borrower shall pay to Administrative Agent for the account of each Lender, in addition to all other amounts which may be, or become, due and payable under this Agreement and the other Loan Documents, any and all Benchmark Taxes and Regulatory Costs, to the extent they are not internalized by calculation of the Calculated Rate. Further, at Administrative Agent’s option, the Calculated Rate shall be automatically adjusted by adjusting the Reserve Percentage, as determined by Administrative Agent in its prudent banking judgment, from the date of imposition (or subsequent date selected by Administrative Agent) of any such Regulatory Costs. Administrative Agent shall give Borrower notice of any Benchmark Taxes and Regulatory Costs as soon as practicable after their occurrence, but Borrower shall be liable for any Benchmark Taxes and Regulatory Costs regardless of whether or when notice is so given. A certificate as to the amount of such Benchmark Taxes and Regulatory Costs, submitted to Borrower by Administrative Agent, shall be conclusive and binding for all purposes, absent manifest error.

(g) Benchmark Price Adjustment. Borrower acknowledges that prepayment or acceleration of a Benchmark Loan during an Interest Period shall result in Lenders incurring additional costs, expenses and/or liabilities and that it is extremely difficult and impractical to ascertain the extent of such costs, expenses and/or liabilities. Therefore, on the date a Benchmark Loan is prepaid or the date all sums payable hereunder become due and payable, by acceleration or otherwise (the “**Price Adjustment Date**”), Borrower will pay Lenders (in addition to all other sums then owing to Lenders) an amount (the “**Benchmark Price Adjustment**”) equal to the then present value of (a) the amount of interest that would have accrued on the Benchmark Loan for the remainder of the Interest Period at the Calculated Rate set on the first (1st) Business Day of the month in which such amount is prepaid or becomes due, less (b) the amount of interest that would accrue on the same Benchmark Loan for the same period if the Calculated Rate were set on the Price Adjustment Date at the Calculated Rate in effect on the Price Adjustment Date. The present value shall be calculated by using as a discount rate the Calculated Rate quoted on the Price Adjustment Date.

(h) **Purchase, Sale and Matching of Funds.** Borrower understands, agrees and acknowledges the following: (a) Lenders have no obligation to purchase, sell and/or match funds in connection with the use of a Calculated Rate as a basis for calculating an Effective Rate or Benchmark Price Adjustment; (b) a Calculated Rate is used merely as a reference in determining an Effective Rate and Benchmark Price Adjustment; and (c) Borrower has accepted a Calculated Rate as a reasonable and fair basis for calculating an Effective Rate and a Benchmark Price Adjustment. Borrower further agrees to pay the Benchmark Price Adjustment, Benchmark Taxes and Regulatory Costs, if any, whether or not any Lender elects to purchase, sell and/or match funds.

(i) **Usury.** It is expressly stipulated and agreed to be the intent of Borrower and Lenders at all times to comply strictly with the applicable New York law governing the maximum rate or amount of interest payable on the Notes or the Loan (or applicable United States federal law to the extent that it permits Lenders to contract for, charge, take, reserve or receive a greater amount of interest than under New York law). Accordingly, if applicable law (or any judicial interpretation thereof) renders usurious any amount (i) contracted for, charged, taken, reserved or received pursuant to the Notes, any of the other Loan Documents or any other communication or writing by or between Borrower, Administrative Agent and Lenders related to the transaction or transactions that are the subject matter of the Loan Documents, (ii) contracted for, charged or received by reason of Lenders' exercise of the option to accelerate the maturity of the Notes and/or the Loan, or (iii) Borrower will have paid or Lenders will have received by reason of any voluntary prepayment by Borrower of the Notes and/or the Loan, then it is Borrower's and Lenders' express intent that all amounts charged in excess of the amount calculated at the Maximum Lawful Rate shall be automatically cancelled, *ab initio*, and all amounts in excess of the amount calculated at the Maximum Lawful Rate theretofore collected by Lenders shall be credited on the principal balance of the Notes and/or the Loan (or, if the Notes and the Loan have been or would thereby be paid in full, refunded to Borrower), and, to the fullest extent permitted under applicable law, the provisions of the Notes and the other Loan Documents immediately be deemed reformed and the amounts thereafter collectible hereunder and thereunder reduced, without the necessity of the execution of any new document, so as to comply with the applicable law, but so as to permit the recovery of the fullest amount otherwise called for hereunder and thereunder; provided, however, if the Notes have been paid in full before the end of the stated term of the Notes, then Borrower and Lenders agree that Lenders shall, with reasonable promptness after Administrative Agent or Lenders discover or are advised by Borrower that interest was received in an amount in excess of the Maximum Lawful Rate, either refund such excess interest to Borrower and/or credit such excess interest against the Notes and/or the Loan. To the fullest extent permitted under applicable law, Borrower hereby agrees that as a condition precedent to any claim seeking usury penalties against Lenders, Borrower will provide written notice to Administrative Agent and Lenders, advising Lenders in reasonable detail of the nature and amount of the violation, and Lenders shall have sixty (60) days after receipt of such notice in which to correct such usury violation, if any, by either refunding such excess interest to Borrower or crediting such excess interest against the Notes and/or the Loan then owing by Borrower to Lenders. All sums contracted for, charged or received by any Lender for the use, forbearance or detention of any debt evidenced by the Notes and/or the Loan shall, to the extent permitted by applicable law, be amortized or spread, using the actuarial method, throughout the stated term of the Notes and/or the Loan (including any and all renewal and extension periods) until payment in full so that the rate or amount of interest on account of the Notes and/or the Loan does not exceed the Maximum Lawful Rate, or the amount calculated at the Maximum Lawful Rate, from time to time in effect and applicable to the Notes and/or the Loan for so long as debt is outstanding. Notwithstanding anything to the contrary contained herein or in any of the other Loan Documents, it is not the intention of Lenders to accelerate the maturity of any interest that has not accrued at the time of such acceleration or to collect unearned interest at the time of such acceleration. To the fullest extent permitted under applicable law, Borrower and Lenders hereby agree that any and all suits alleging the contracting for, charging or receiving of usurious interest shall lie in New York County, New York, and each irrevocably waive the right to venue in any other county.

2.7 PAYMENTS.

(a) Manner and Time of Payment. All payments of principal, interest and fees hereunder payable to Administrative Agent or Lenders shall be made without condition or reservation of right and free of set-off or counterclaim, in Dollars and by wire transfer (pursuant to Administrative Agent's written wire transfer instructions) of immediately available funds, to Administrative Agent, for the account of each Lender as applicable, not later than 11:00 A.M. (San Francisco time) on the date due; and funds received by Administrative Agent after that time and date shall be deemed to have been paid on the next succeeding Business Day.

Whenever any payment to be made by Borrower hereunder shall be stated to be due on a day which is not a Business Day, payments shall be made on the next succeeding Business Day and such extension of time shall be included in the computation of the payment of interest hereunder and of any fees due under this Agreement, as the case may be.

(d) Direct Debit. To the extent any of the following payments are not being paid from Loan proceeds, then in order to assure timely payment to Administrative Agent, for the benefit of Lenders, of accrued interest, principal, fees and late charges due and owing under the Loan, Borrower hereby irrevocably authorizes Administrative Agent to directly debit the Borrower's Operating Account for payment when due of all such amounts payable to Administrative Agent or any Lender, unless Borrower delivers written notice to Administrative Agent electing to terminate the direct debit service in which event Administrative Agent shall cease direct debiting no later than thirty (30) days after delivery of the aforementioned notice. Borrower represents and warrants to Administrative Agent and Lenders that Borrower is the legal owner of the Borrower's Operating Account in accordance with this Agreement. Written confirmation of the amount and purpose of any such direct debit shall be given to Borrower by Administrative Agent not less frequently than monthly. In the event any direct debit hereunder is returned for insufficient funds, Borrower shall pay Administrative Agent, for the benefit of Lenders, upon demand, in immediately available funds, all amounts and expenses due and owing, including without limitation any late fees incurred, to Administrative Agent or any Lender.

(e) Voluntary Prepayment. Borrower may, upon not less than three (3) Business Days' prior written notice to Administrative Agent not later than 11:00 A.M. (San Francisco time) on the date given, at any time and from time to time, prepay all or any portion of the Loan without penalty, except as otherwise expressly set forth in this Section 2.7(e). Any notice of prepayment given to Administrative Agent under this Section 2.7(e) shall specify the date of prepayment and the principal amount of the prepayment. In connection with and as a condition of such prepayment, Borrower shall pay to Administrative Agent, on the prepayment date, (1) prior to the expiration of the Spread Maintenance Period, the Spread Maintenance Fee, (2) in connection with a prepayment of any Benchmark Loan, any applicable Benchmark Price Adjustment payable in respect thereof and (3) any amounts due and payable under any Secured Interest Rate Protection Agreement. Following the expiration of the Spread Maintenance Period, or at any time if permitted or required pursuant to the terms of the Loan Documents as a result of a casualty or condemnation, prepayments may be made without the payment of a Spread Maintenance Fee; provided, however, all such prepayments shall be subject to payment of any applicable Benchmark Price Adjustment (if any) and payment of any amounts due and payable under any Secured Interest Rate Protection Agreement. Any principal balance reduction shall reduce Lenders' Commitments pro rata by an aggregate like amount, and any such amounts repaid by Borrower may not be re-borrowed. Any such notice may be revocable by Borrower at any time provided that Borrower shall pay, within twelve (12) Business Days of demand, for any Benchmark Price Adjustment incurred by any Lender resulting from such revocation.

2.8 FULL REPAYMENT AND RELEASE.

Upon receipt of all sums owing and outstanding under the Loan Documents, and the full performance of all obligations under any Secured Interest Rate Protection Agreement, Administrative Agent shall issue a full release of the Property from the lien of the Security Instrument and shall release all other collateral pledged as security for the Loan; provided, however, that all of the following conditions shall be satisfied at the time of, and with respect to, such release: (a) Administrative Agent, for the benefit of Lenders, shall have received all customary escrow, closing and recording costs, the costs of preparing and delivering such release and any sums then due and payable under the Loan Documents, and the full performance of all obligations under any Secured Interest Rate Protection Agreement; and (b) Administrative Agent shall have received a written release reasonably satisfactory to Administrative Agent of any set aside letter, letter of credit or other form of undertaking which Administrative Agent or any Lender has issued to any surety, Governmental Authority or any other party in connection with the Loan and/or the Property. Lenders' obligations to make further disbursements under the Loan shall terminate as to any portion of the Loan undisbursed as of the date of issuance of such full release, and any commitment of Lenders to lend any undisbursed portion of the Loan shall be cancelled.

2.9 LENDERS' ACCOUNTING.

Administrative Agent shall maintain a loan account (the "**Loan Account**") on its books in which shall be recorded (a) the names and addresses and the Pro Rata Shares of the commitment of each of the Lenders, and principal amount of the Loan owing to each Lender from time to time, and (b) all repayments of principal and payments of accrued interest, as well as payments of fees required to be paid pursuant to this Agreement. All entries in the Loan Account shall be made in accordance with Administrative Agent's customary accounting practices as in effect from time to time. Monthly, Administrative Agent will render a statement of the Loan Account to Borrower and will deliver a copy thereof to each Lender. Each such statement shall be deemed final, binding and conclusive upon Borrower in all respects as to all matters reflected therein (absent manifest error).

2.10 OPTION TO EXTEND.

Borrower shall have the Option to Extend the term of the Loan from the Original Maturity Date to the First Extended Maturity Date, the First Extended Maturity Date to the Second Extended Maturity Date and the Second Extended Maturity Date to the Third Extended Maturity Date, upon satisfaction of each and every one of the following conditions precedent:

- (a) Borrower shall provide Administrative Agent with written notice of Borrower's request to exercise the applicable Option to Extend not less than forty-five (45) days and not more than one hundred twenty (120) days prior to the then applicable Maturity Date.
- (b) As of the date of Borrower's delivery of notice of request to exercise the applicable Option to Extend, and as of the applicable Maturity Date, no Default shall exist, and Borrower shall so certify in writing.
- (c) To the extent Borrower has commenced construction of the Expansion, lien free Completion of the Expansion.

(d) Borrower and Operating Lessee shall execute or cause the execution of all customary documents reasonably required by Administrative Agent to exercise the applicable Option to Extend.

(e) As of the applicable Maturity Date, there shall exist no material “default” or “event of default” under any of the Project Documents.

(f) At Borrower’s sole cost and expense, the issuance by the Title Company, and Administrative Agent’s receipt, of any endorsements deemed necessary by Administrative Agent and available in Colorado (with respect to properties similar to the Property) for attachment to the Title Policy, insuring the priority and validity of the Security Instrument, or such other evidence of satisfactory title as required by Administrative Agent.

(g) Borrower shall have delivered evidence (in the form of the certificate required pursuant to Section 9.33) satisfactory to Administrative Agent that as of the applicable DSCR Test Date, the Property has achieved a DSCR of at least (i) with respect to the First Option to Extend, 1.3125 to 1.00, and (ii) with respect to the Second Option to Extend and the Third Option to Extend, 1.375 to 1.00; provided, however, in the event such required minimum DSCR is not achieved, then Borrower shall have the option to pay down the outstanding principal balance of the Loan in an amount such that the applicable minimum DSCR is achieved (such amount necessary to achieve the applicable minimum DSCR, the “**DSCR Shortfall**”). Any principal balance reduction shall reduce the aggregate Commitments by a like amount and may not be re-borrowed.

(h) Administrative Agent shall have received, at Borrower’s sole cost and expense, an updated Appraisal confirming to the reasonable satisfaction of Administrative Agent that the Loan-to-Value Percentage, as of the then applicable Maturity Date, does not exceed sixty-five percent (65.00%); provided, however, in the event such fair market value is not adequate to meet the required Loan-to-Value Percentage, then Borrower shall have the option to pay down the outstanding principal balance of the Loan in an amount such that said Loan-to-Value Percentage is achieved (such amount necessary to achieve the minimum Loan-to-Value Percentage, the “**LTV Shortfall**”). The valuation date of such updated Appraisal shall be within ninety (90) days of the then applicable Maturity Date. Any principal balance reduction shall reduce the aggregate Commitments by a like amount and may not be re-borrowed.

(i) Within twenty-four (24) hours of the Effective Date, Borrower shall have provided evidence to Administrative Agent that Borrower has obtained one or more Interest Rate Protection Agreements in accordance with Section 9.16 hereof covering in the aggregate a notional amount of at least the outstanding principal balance of the Loan as of the then applicable Maturity Date and continuing for a period of at least one (1) year (and in any case which shall terminate no sooner than the next applicable Maturity Date) and with a strike rate no greater than four and one-half percent (4.5%).

(j) On or before the Original Maturity Date, the First Extended Maturity Date and the Second Extended Maturity Date, as applicable, Borrower shall pay to Administrative Agent for the ratable benefit of Lenders an extension fee in the amount of one quarter of one percent (0.25%) of the total outstanding Commitment amount of the Loan, as determined on the Original Maturity Date, the First Extended Maturity Date and the Second Extended Maturity Date, as applicable, in immediately available funds.

(k) Borrower shall pay all other reasonable costs and expenses incurred by Administrative Agent in connection with the exercise of the applicable Option to Extend, including appraisal fees, environmental audit and reasonable attorneys' fees incurred by Administrative Agent; all such costs and expenses incurred up to the time of Administrative Agent's written agreement to the extension shall be due and payable upon Administrative Agent's execution of that agreement (or if the proposed extension does not become effective, then upon demand by Administrative Agent), and any future failure to pay such amounts shall constitute a Default under the Loan Documents if such amounts are not paid within five (5) days of notice from Administrative Agent.

Any undisbursed Commitments of Lenders shall be cancelled on the Original Maturity Date and shall not be used to calculate the extension fee payable by Borrower. Except as modified by the applicable Option to Extend, the terms and conditions of this Agreement and the other Loan Documents as modified and approved by Administrative Agent (or Requisite Lenders or Lenders, as required pursuant to the terms of this Agreement) shall remain unmodified and in full force and effect.

2.11 **LETTERS OF CREDIT.**

In lieu of making principal prepayments in the amount of a DSCR Shortfall or LTV Shortfall under Section 2.10(g) or Section 2.10(h), or Section 11.1(w), as applicable, Borrower or any Guarantor may deliver to Administrative Agent a Letter of Credit in the amount of the DSCR Shortfall or LTV Shortfall, as applicable. If Administrative Agent is already in possession of a Letter of Credit, Borrower or any Guarantor may satisfy the provisions of the foregoing sentence by delivery of an amendment to such Letter of Credit in form and substance reasonably acceptable to Administrative Agent to the extent necessary to increase the amount thereof to an amount equal to such amount required hereunder. Administrative Agent may draw upon any Letter of Credit, including any Letter of Credit (or cash collateral) provided under Section 11.1(w), under which it is beneficiary (i) upon notice from Administrative Agent to the issuer of such Letter of Credit of the existence of a Default, or (ii) at any time that less than thirty (30) days remain until the expiry of such Letter of Credit (whether Administrative Agent received notice from the issuing bank of the termination or expiration of the Letter of Credit, or otherwise), and amounts so drawn shall be applied to the obligations of Borrower in such order as Administrative Agent may elect. At such time as Borrower has evidenced to Administrative Agent's satisfaction that the Property has achieved the applicable minimum DSCR (or Minimum DSCR Hurdle, as applicable) and/or Loan-to-Value Percentage, as applicable, without taking into account the Letter of Credit and no Default exists, Administrative Agent shall return the Letter of Credit to Borrower promptly upon Borrower's written request therefor.

2.12 **PRINCIPAL REPAYMENTS.**

Following extension of the Maturity Date in accordance with Section 2.10 above, if at any time thereafter the Property, as of any DSCR Test Date, fails to achieve the then-applicable Amortization DSCR Hurdle (or if Borrower fails to deliver a DSCR Compliance Certificate when and as required by Section 9.33 below), then commencing on the first day of the first calendar month following such DSCR Test Date, and continuing on the first date of each calendar month thereafter, Borrower shall repay principal outstanding under the Loan in monthly amounts equal to \$1,000,000 (the "**Principal Payments**"), each in addition to any applicable Benchmark Price Adjustment which may be payable if any principal prepayment required by this Section is not made on the first day of the month. Such monthly Principal Payments shall continue until the earlier of (i) following any commencement of Principal Payments in accordance with this Section, provided no Default then exists, the Property achieving a DSCR equal to or greater than 1.50:1.00 on any two consecutive DSCR Test Dates and (ii) repayment of the Loan in full. Any principal balance reduction shall reduce the aggregate Commitments by a like amount and may not be re-borrowed.

2.13 **RECOURSE.**

The Loan shall be fully recourse to Borrower and all of its assets.

2.14 RATES.

Neither Administrative Agent nor any Lender warrants or accepts responsibility for, and none of the foregoing shall have any liability with respect to, the administration, submission or any other matter related to the rates in the definition of "LIBO Rate", any Benchmark or any Benchmark Replacement.

ARTICLE 3 DISBURSEMENT AND ACCOUNTS.**3.1 CONDITIONS PRECEDENT TO FUND THE TERM TRANCHE.**

(xiv) such other information, documents, and instruments as Administrative Agent may reasonably request, provided that such request is of the type customarily delivered for hotel loans of a similar nature.

3.2 CONDITIONS PRECEDENT TO FUND THE EXPANSION TRANCHE.

Administrative Agent's and Lenders' obligation to disburse the Expansion Tranche shall be subject at all times to satisfaction (or waiver by Administrative Agent of non-material items) of each of the following conditions precedent (in addition to those set forth in the Disbursement Plan and in any other applicable provision hereof):

(a) On or before July 2, 2021, Borrower shall provide Administrative Agent with written notice of Borrower's intent to commence construction of the Expansion; and

(b) There shall exist no Default or Potential Default (except for a Potential Default which is to be cured from the Loan disbursement to which this condition precedent is applicable), as defined in this Agreement, or Default as defined in any of the other Loan Documents or in the Other Related Documents; and

(c) The Security Instrument is a valid lien upon the Property and Improvements, prior and superior to all other liens and encumbrances thereon except Permitted Liens and any other Liens approved by Administrative Agent in writing; and

(d) The Loan shall be In-Balance; and

(e) Administrative Agent shall have received from each Lender such Lender's Pro Rata Share of such disbursement; provided, however, that if any Lender fails to fund such Lender's Pro Rata share of any advance (the "**Defaulting Lender Amount**") within the time permitted hereunder, Administrative Agent shall notify (such notice being referred to as the "**Failure to Fund Notice**") Borrower within ten (10) days after the date of the Failure to Fund Notice, and Borrower shall have the right to replace the Defaulting Lender pursuant to Section 13.13(g) and/or deposit into the Borrower's Funds Account an amount equal to the Defaulting Lender Amount *plus* such Defaulting Lender's entire undisbursed Commitment amount with respect to the Expansion Tranche (the "**Required Deposit**"); provided, however, that during the ninety (90) day period following delivery of the Failure to Fund Notice to Borrower, Borrower shall be entitled to receive disbursements of the Loan prior to Borrower's having replaced the Defaulting Lender in accordance with Section 13.13(g) or making the Required Deposit, provided all other conditions precedent thereto are satisfied, so long as Borrower shall, at least two (2) Business Days in advance of any such requested disbursement, fund into the Borrower's Funds Account such Defaulting Lender Amount. Upon such deposit (the Required Deposit shall constitute Borrower's Funds) or the replacement of such Defaulting Lender, Lenders shall resume funding in accordance with this Agreement. When qualified for disbursement, the Required Deposit shall be deposited into the Borrower's Operating Account or otherwise disbursed to or for the benefit or account of Borrower under the terms of this Agreement prior to any additional advance of Expansion Tranche proceeds; and

(f) Borrower shall have delivered to Administrative Agent the information and documentation required pursuant to the Disbursement Plan; and

(g) Prior to the first disbursement of the Expansion Tranche:

(i) Administrative Agent shall have received and approved in form and substance satisfactory to Administrative Agent (such approval not to be unreasonably withheld or delayed):

(D) if requested by Administrative Agent, the Contractor's current financial statements, statement of qualifications and bank and bonding company checks; and

(E) if applicable, an Expansion Development Agreement; and

(ii) Administrative Agent shall have received and approved (such approval not to be unreasonably withheld or delayed) (A) the final executed Construction Agreement, as approved by Administrative Agent pursuant to the terms herein; (B) two sets of the Plans and Specifications, certified as complete by the Architect, together with evidence of all necessary or reasonably appropriate approvals of governmental agencies; (C) Administrative Agent's final approved project cost analysis for construction of the Expansion based on at least sixty percent (60%) of the Hard Costs (as defined in the Disbursement Plan) to construct the Expansion being successfully bid out to subcontractors, vendors and/or materialmen; and (D) the Expansion Budget; and

(iii) Administrative Agent and Borrower shall have agreed upon a Disbursement Plan based upon the approved Expansion Budget; and

(h) Prior to the final disbursement of the Expansion Tranche, Administrative Agent shall have received evidence reasonably satisfactory to Administrative Agent that the Expansion has been Completed.

Notwithstanding anything above to the contrary, the Expansion Tranche will be permanently cancelled and Lenders will have no duty to disburse any amounts thereof if (x) at any time prior to the first disbursement of the Expansion Tranche, Borrower provides written notice to Administrative Agent requesting to cancel the Expansion Tranche, (y) on or before July 2, 2021 the conditions set forth in subsection (g) above have not been fully satisfied, or (z) on or before January 2, 2022, Borrower has not submitted an Application for Payment to Administrative Agent requesting a disbursement from the Expansion Tranche. In the event all or a portion of the Expansion Tranche is cancelled, all subsequent DSCR calculations shall be made exclusive of any portion of such cancelled Expansion Tranche amounts.

3.3 ACCOUNTS, PLEDGE AND ASSIGNMENT, AND DISBURSEMENT AUTHORIZATION.

The proceeds of the Loan and Borrower's Funds, if any, when qualified for disbursement, shall be deposited into the Borrower's Operating Account or otherwise disbursed to or for the benefit or account of Borrower under the terms of this Agreement; provided, however, that any direct disbursements from the Loan which are made by means of wire transfer, shall be subject to the provisions of any funds transfer agreement which is identified in Exhibit B hereto. Disbursements hereunder may be made by Administrative Agent upon the written request of any person who has been authorized by Borrower to request such disbursements until

such time as written notice of Borrower's revocation of such authority is received by Administrative Agent at the address shown in the Disbursement Plan. As additional security for Borrower's and Operating Lessee's performance under the Loan Documents, Borrower and Operating Lessee each hereby irrevocably pledge and assign to Administrative Agent, for the benefit of Lenders, all monies at any time deposited in each Account owned by such party and all the Pledged Account Collateral of such party. Neither Borrower nor Operating Lessee shall, without obtaining the prior written consent of Administrative Agent, further pledge, assign or grant any security interest in any Account, any subaccounts created thereunder or any funds on deposit in any Account, or permit any lien to attach thereto, or any levy to be made thereon, or any UCC Financing Statements to be filed thereon. This Agreement is, among other things, intended by the parties to be a security agreement for purposes of the UCC. While a Default exists, Administrative Agent may apply all or any part of the funds on deposit in any Account against the amounts outstanding under the Loan in any order and in any manner as Administrative Agent shall elect in Administrative Agent's sole discretion (provided, however, that Administrative Agent shall endeavor to first apply funds in Borrower's Accounts, if any, prior to applying funds from Operating Lessee's Accounts but will incur no liability whatsoever for its failure to so endeavor) without seeking the appointment of a receiver and without adversely affecting the rights of Administrative Agent to foreclose the liens and security interests securing the Loan or exercise its other rights under the Loan Documents. While a Default exists, Borrower's Funds shall not constitute trust funds and may be commingled with other monies held by Administrative Agent or Wells Fargo. All interest which accrues on any funds deposited in the Accounts, if any, shall be at a rate established by Administrative Agent, which may or may not be the highest rate then available, shall accrue for the benefit of Borrower or Operating Lessee, as applicable, and shall be taxable to Borrower or Operating Lessee, as applicable, and shall be added to and disbursed in the same manner and under the same conditions as the principal sum on which said interest accrued. Upon repayment in full of Borrower's obligations under the Loan Documents, all remaining funds held in the Borrower's and Operating Lessee's Accounts, if any, shall be disbursed to Borrower or Operating Lessee, respectively, within ten (10) Business Days. Neither Borrower, Operating Lessee nor Manager shall have any accounts with respect to the Property or into which revenues from the Property are deposited other than the Accounts with Wells Fargo, except that Manager may deposit Gross Revenues (as defined in the Management Agreement) into Manager's Account pursuant to the terms of the Management Agreement.

3.4 **BORROWER'S FUNDS ACCOUNT.**

Except as otherwise provided in this Agreement, all of the Borrower's Funds which are deposited with Administrative Agent by Borrower pursuant to any provision of the Loan Documents, if any, shall be placed in the Borrower's Funds Account with, and controlled by, Administrative Agent for disbursement pursuant to this Agreement.

3.5 **DISBURSEMENTS GENERALLY.**

(a) Subject to the conditions set forth in Section 3.2, the proceeds of the Expansion Tranche and Borrower's Funds, if any, shall be disbursed in accordance with the terms and conditions of the then applicable Disbursement Plan. Disbursements made after the deposit of Borrower's Funds, if any, shall be made first from the Borrower's Funds Account until depleted. All disbursements shall be held by Borrower in trust and applied by Borrower solely for the purposes for which the funds have been disbursed. Administrative Agent and Lenders have no obligation to monitor or determine Borrower's use or application of the disbursements.

(b) At its option, Administrative Agent may make disbursements to cover any expenses or charges of Administrative Agent which are to be borne by Borrower, including, but not limited to, the cost of any required legal fees, appraisals, inspections, certifications or surveys. At its sole option, Administrative Agent may make any disbursements by payment to Borrower or

jointly to Borrower and any contractor, subcontractor, supplier, or other person performing work or furnishing materials in connection with the construction of the Expansion (and at Borrower's election by written notice to Administrative Agent at least seven (7) Business Days prior to such requested disbursement, Administrative Agent shall pay jointly to Borrower and any such contractor, subcontractor, supplier or other person), provided that Administrative Agent shall only exercise this right in the absence of a request to do so by Borrower if Administrative Agent has reasonable concerns that a contractor, subcontractor, supplier or other person will not be paid on a timely basis (provided that Administrative Agent agrees that if Borrower notifies Administrative Agent of a dispute between Borrower and any such person and requests that no joint payments be made, then provided Administrative Agent approves such dispute in Administrative Agent's reasonable discretion, Administrative Agent will not make joint payments of such disputed amounts to such person until the dispute is resolved or Administrative Agent notifies Borrower in writing that Administrative Agent no longer approves such dispute). All disbursements shall be applied by Borrower solely for the purposes for which the funds have been disbursed.

(c) All disbursements shall be made first from Borrower's Funds, if any, and then from available Loan funds.

(d) If the outstanding principal balance of the Loan ever exceeds the maximum amount of the Loan, then all such amounts shall nonetheless be evidenced by the Note and secured by the Security Instrument; however, Borrower shall, within twelve (12) Business Days after Administrative Agent's demand or Borrower's earlier discovery of such advance, pay to Administrative Agent an amount equal to such excess principal amount and accrued but unpaid interest thereon.

(e) All requests for advances shall clearly identify any amounts requested for payment to a Related Person. Unless expressly set forth in the then effective Disbursement Budget or this Agreement, no developer's, management, consulting or brokerage fee or commission, developer profit or other payment to any Related Person will be paid directly or indirectly from any proceeds of the Loan without Administrative Agent's prior written approval. All amounts provided for in the Disbursement Budget shall be paid from advances of the Loan provided the conditions to advance have been satisfied.

3.6 FUNDS TRANSFER DISBURSEMENTS.

Borrower hereby authorizes Administrative Agent, to disburse the proceeds of all or any portion of the Loan made by Lenders or any of their Affiliates pursuant to the Loan Documents as requested by an authorized representative of the Borrower to any of the accounts designated in the Disbursement Instruction Agreement, and subject to the terms and conditions contained therein.

3.7 WITHHOLDING OF ADVANCES; RETENTION.

Administrative Agent may withhold advances from the Expansion Tranche under the following circumstances, in addition to any other circumstances described in the Loan Documents:

(a) Administrative Agent may withhold any advance if the conditions to advance provided for in the Disbursement Plan have not been satisfied.

(b) The retention may be withheld in accordance with the Disbursement Plan.

(c) Any one or more advances may be withheld in whole or in part if Administrative Agent determines that the requested advance(s) would cause the amount committed or advanced to exceed the limitations set forth in the then effective Disbursement Budget or the limitations in Section 3.5 above.

3.8 FF&E ACCOUNT, RESERVES.

(a) Borrower shall and/or shall cause Operating Lessee to cause Manager to make monthly deposits into the FF&E Reserve Account as and when required and in the amounts required pursuant to the Management Agreement (the “**Monthly FF&E Deposit**”). In the event Manager fails to make any required Monthly FF&E Deposit as and when required hereunder, Borrower shall and/or shall cause Operating Lessee to make such Monthly FF&E Deposit on or before the twelfth (12th) Business Day of the calendar month with respect to which Manager failed to make the Monthly FF&E Deposit and neither Borrower nor Operating Lessee shall make any distributions to any other Person until such Monthly FF&E Deposit is made. Funds on deposit in the FF&E Reserve Account may be used by Manager as described in and as permitted by the Management Agreement. Notwithstanding the foregoing, to the extent Manager has reserved funds for FF&E in accordance with the Management Agreement and the Management Agreement does not require additional monthly deposits of FF&E, no monthly deposits shall be required pursuant to this Section 3.7.

(b) The FF&E Reserve Account shall be an interest bearing account with interest benefiting the Borrower or Operating Lessee, as applicable.

(c) So long as a Default exists, Administrative Agent shall have the right to apply all amounts on deposit, or subsequently deposited while such Default exists, in the FF&E Reserve Account, in its sole discretion and in any order Administrative Agent deems fit to the repayment of the Loan and other amounts owing to Lenders under the Loan Documents and/or to cure such Default.

ARTICLE 4 EXPANSION.

4.1 COMMENCEMENT AND COMPLETION.

In no event shall the time for Completion of the Expansion be extended beyond the Original Maturity Date.

4.4 CONSTRUCTION AGREEMENT.

Borrower and Contractor shall enter into the Construction Agreement, in the form, and for no greater cost than, approved by Administrative Agent, pursuant to the terms and conditions of which Contractor is to construct the Expansion. Borrower shall require Contractor to perform in accordance with the terms of the Construction Agreement and shall not materially amend, modify or alter the responsibilities of Contractor under the Construction Agreement without Administrative Agent's prior written consent, which consent shall not be unreasonably withheld, conditioned or delayed. Borrower shall execute an assignment of Borrower's rights under the Construction Agreement to Administrative Agent, for the benefit of Lenders, as additional security for Borrower's obligations under this Agreement and the other Loan Documents and shall cause the Contractor to consent to any such assignment.

4.6 PLANS AND SPECIFICATIONS.

(a) Changes; Administrative Agent Consent. Prior to the commencement of construction of the Expansion, Administrative Agent shall have reviewed and reasonably approved the Plans and Specifications. Except as otherwise provided in this Agreement, Borrower shall not make any changes in the Plans and Specifications without Administrative Agent's prior written consent (which consent shall not be unreasonably withheld, conditioned or delayed) if such change: (i) constitutes a material change in the building material or equipment specifications, or in the architectural or structural design, value or quality of any of the Improvements; (ii) would result in an increase of construction costs in excess of Two Million Five Hundred Thousand Dollars (\$2,500,000.00) for any single change or in excess of Twelve Million Dollars (\$12,000,000.00) for all such changes; or (iii) would adversely affect the structural integrity, or materially and adversely affect the quality of building materials, or overall efficiency of operating systems of the Expansion. Without limiting the above, Lenders agree that Borrower may make non-material changes in the Plans and Specifications without Administrative Agent's or Requisite Lenders', as applicable, prior written consent, provided that such changes do not violate any of the conditions specified herein. Borrower shall at all times maintain, for inspection by Administrative Agent and Lenders, a full set of working drawings of the Expansion. Notwithstanding the foregoing, any changes in the Plans and Specifications which would result in an increase of construction costs in excess of Five Million Dollars (\$5,000,000.00) for any single change or in excess of Twenty-Five Million Dollars (\$25,000,000.00) for all such changes shall require the prior written consent of Requisite Lenders.

Requests for any change which requires consent shall be accompanied by working drawings and a written description of the proposed change, submitted on a change order form reasonably acceptable to Administrative Agent, signed by Borrower and, if required by Administrative Agent, also by the Architect and the Contractor. Administrative Agent may also condition its consent to any proposed change on receipt of the Independent Inspecting Architect's signature on any such change order form. At its option, Administrative Agent may require Borrower to provide: (i) evidence reasonably satisfactory to Administrative Agent of the cost and time necessary to complete the proposed change; and (ii) a deposit in the amount of any increased costs into Borrower's Funds Account if such change will cause the Loan to no longer be In-Balance. Notwithstanding the foregoing, Administrative Agent's prior written approval is not required for (y) any change orders resulting from matters of life or safety or (z) change orders of less than \$2,000,000. If Administrative Agent has not responded to such proposed change within ten (10) Business Days after receiving all necessary documents regarding such change, Borrower may submit a second request in writing to Administrative Agent regarding such proposed change, and if Administrative Agent fails to respond within ten (10) Business Days of such second request, then Administrative Agent (and Requisite Lenders, if applicable) shall have been deemed to have consented to such proposed change.

Borrower agrees that Administrative Agent may disapprove any Major Subcontractor (which has not been previously approved by Administrative Agent whether prior to or after closing) which, in Administrative Agent's good faith determination, is deemed financially or otherwise unqualified; provided, however, that the absence of any such disapproval shall not constitute a warranty or representation of qualification by Administrative Agent or any Lender. Administrative Agent or any Lender may contact any such contractor, subcontractor or material supplier to discuss the course of construction.

4.8 PROHIBITED CONTRACTS.

Without Administrative Agent's prior written consent, neither Borrower nor Operating Lessee shall contract for any materials, furnishings, equipment, fixtures or other parts or components of the Expansion, if any third party shall retain any ownership interest (other than Lien rights created by operation of law) in such items after their delivery to the Property unless otherwise approved by Administrative Agent. Without Administrative Agent's prior written consent not to be unreasonably withheld, neither Borrower nor Operating Lessee shall consent to the formation of any assessment district, improvement district, community facilities district, special district, special improvement district, governmental district or other similar district that is not in existence on the Effective Date (any of the foregoing hereinafter referred to as a "**District**"); nor shall Borrower or Operating Lessee consent to the levying of special taxes or assessments against the Property by any such District. Each of Borrower and Operating Lessee shall promptly give notice to Administrative Agent of any written notification or written advice that Borrower or Operating Lessee, as applicable, may receive from any municipality or other third party of any intent or proposal to include the Property in any District or to levy any such special taxes or assessments. Any such inspection or review of the Expansion by Administrative Agent or Independent Inspecting Architect is solely to determine whether Borrower and Operating Lessee are properly discharging their respective obligations under the Loan Documents and may not be relied upon by Borrower, Operating Lessee or by any third party as a representation or warranty of compliance with this Agreement or any other agreement. Neither Administrative Agent, Independent Inspecting Architect nor any Lender owe a duty of care to Borrower, Operating Lessee or any third party to protect against, or to inform Borrower, Operating Lessee or any third party of, any negligent, faulty, inadequate or defective design or construction of the Expansion as determined by Administrative Agent, the Independent Inspecting Architect or any Lender. In this regard, each of Borrower and Operating Lessee acknowledges that Lenders would not make this Loan except in reliance on Borrower's expertise, reputation, prior experience in developing, operating and constructing commercial real property, Lenders' knowledge of Borrower, and Lenders' understanding that this Agreement is more in the nature of an agreement involving personal services than a standard loan where Lenders would rely on security which already exists.

9.10 **MANAGEMENT AGREEMENT AND FRANCHISE AGREEMENT**

(a) Neither Borrower nor Operating Lessee shall, without Requisite Lenders' prior written consent (which may be withheld in Requisite Lenders' sole discretion), surrender, terminate or cancel the Management Agreement or any Franchise Agreement, or otherwise replace the Manager or any Franchisor.

Each of Borrower and Operating Lessee hereby represents, warrants and covenants with regard to Borrower and Operating Lessee, respectively, as follows:

(a) Limited Purpose.

(i) The sole purpose to be conducted or promoted by Borrower since its organization and through the date the Loan is repaid in full is to engage in the following activities: (i) to acquire, own, hold, lease, maintain, develop and improve the Property and other Collateral and construct the Improvements, and, if applicable, construct the Expansion; (ii) to enter into and perform its obligations under the Loan Documents and the Project Documents and the prior Loan Documents; (iii) to sell, transfer, service, convey, dispose of, pledge, assign, borrow money against, finance, refinance or otherwise deal with the Property in accordance with the Loan Documents; and (iv) to engage in any lawful act or activity and to exercise any powers permitted to limited liability companies organized under the laws of Delaware that are related or incidental to and necessary, convenient or advisable for the accomplishment of the above mentioned purposes.

(c) **Separateness Covenants.** In order to maintain its status as a separate entity and with the intent to avoid consolidation with any Affiliate, each of Borrower and Operating Lessee represents and warrants that in the conduct of its operations since its organization it has and will continue through the date the Loan is repaid in full to observe the following covenants (collectively, the "**Separateness Provisions**"): (i) maintain books and records and bank accounts separate from those of any other person or entity; (ii) maintain its assets in such a manner that it is not costly or difficult to segregate, identify or ascertain such assets; (iii) comply with all organizational formalities necessary to maintain its separate existence; (iv) hold itself out to creditors and the public as a legal entity separate and distinct from any other entity; (v) maintain separate financial statements, showing its assets and liabilities separate and apart from those of any other Person and not have its assets listed on any financial statement of any other person or entity except that Borrower's or Operating Lessee's assets may be included in a consolidated financial statement of its' Affiliate so long as appropriate notation is made on such consolidated financial statements to indicate the separateness of Borrower or Operating Lessee, as applicable, from such Affiliate and to indicate that Borrower's or Operating Lessee's assets and credit are not available to satisfy the debts and other obligations of such Affiliate or any other person or entity; (vi) prepare and file its own tax returns separate from those of any person or entity to the extent required by applicable law, and pay any taxes required to be paid by applicable law; (vii) allocate and charge fairly and reasonably any common employee or overhead shared with Affiliates; (viii) not enter into any transaction with any Affiliate, except on an arm's-length basis on terms which are intrinsically fair and no less favorable than would be available for unaffiliated third parties (which for the avoidance of doubt shall include the Operating Lease); (ix) conduct business in its own name, and use separate stationery, invoices and checks bearing its own name; (x) not commingle its assets or funds with those of any other person or entity except in accordance with the Management Agreement; (xi) not assume, guarantee or pay the debts or obligations of any other person or entity other than debts or obligations arising under the Loan Documents; (xii) use commercially reasonable efforts to correct any known misunderstanding as to its separate identity; (xiii) not permit any Affiliate to guarantee or pay its obligations (other than limited guarantees and indemnities pursuant to the Loan Documents); (xiv) not make loans or advances to any other person or entity; (xv) pay its liabilities and expenses out of and to the extent of its own funds; (xvi) [intentionally omitted]; (xvii) maintain adequate capital in light of its contemplated business purpose, transactions and liabilities; provided, however, that the foregoing shall not require any equity owner to make additional capital contributions to Borrower or Operating Lessee nor shall the breach thereof create any liability for the Guarantors; and (xviii) use commercially reasonable efforts to cause the managers, officers, employees, agents and other representatives of Borrower and Operating Lessee to act with respect to Borrower and Operating Lessee, respectively, consistently and in furtherance of the foregoing.

(d) **Delaware Division.** Neither Borrower nor Operating Lessee shall (i) create or adopt a Plan of Division, or file a Certificate of Division with the Secretary of State of Delaware, or otherwise effectuate a Delaware LLC Division of any Person; (ii) be liquidated, terminated, dissolved, or merged or consolidated into another entity (including, in each case, without limitation, pursuant to a Delaware LLC Division); (iii) be divided into two or more Persons, including, without limitation, becoming a Delaware Divided LLC (whether or not the original Person survives such division); or (iv) be created, or reorganized into, one or more series pursuant to a Delaware LLC Division or otherwise.

Failure of Borrower or Operating Lessee to comply with any of the covenants contained in this Section or any other covenants contained in this Agreement shall not affect the status of Borrower or Operating Lessee as a separate legal entity.

9.13 **LIMITATIONS ON DISTRIBUTIONS, ETC.**

For so long as a Default exists, neither Borrower nor Operating Lessee shall distribute any money or other property to any member of Borrower or Operating Lessee or any other Person, whether in the form of earnings, income, payments under the Operating Lease or other proceeds from the Property, nor shall Borrower or Operating Lessee repay any principal or interest on any loan or other advance made to Borrower or Operating Lessee by any member, nor shall Borrower or Operating Lessee loan or advance any funds to any such member; provided, however, that Operating Lessee shall not be prohibited from making any payment from funds otherwise available to Operating Lessee to Borrower that is due to Borrower under the Operating Lease. So long as no Default exists at the time of the proposed distribution, and no Default will result therefrom, and Borrower and Operating Lessee have made, to the extent applicable, all Monthly FF&E Deposits required under Section 3.7, Borrower and Operating Lessee may make distributions (i) to the extent permitted pursuant to the Cash Management Agreement and Operating Lessee Cash Management Agreement and (ii) of “Key Money” (as defined in the Management Agreement). Notwithstanding anything in this Agreement or in the Cash Management Agreement to the contrary and provided no Default exists, Borrower shall be permitted to convey the FF&E (or substantially all of the FF&E) and any working capital required under Section 4.09 of the Management Agreement to Operating Lessee. If a Default shall occur and be continuing, Operating Lessee shall not accept payment from Borrower of any fees owing under the Operating Lease for any period after the occurrence of such Default, and any such payments received by Operating Lessee shall be held by Operating Lessee as trustee for Administrative Agent and paid over to Agent on account of the indebtedness of Borrower to Administrative Agent under the Note, the Mortgage or the other Loan Documents.

9.14 **MERGER, CONSOLIDATION AND TRANSFER OF ASSETS.**

Neither Borrower nor Operating Lessee shall: (a) merge or consolidate with any other entity; (b) make any substantial change in the nature of Borrower’s or Operating Lessee’s business or structure; (c) acquire all or substantially all of the assets of any other entity; or (d) sell, lease, assign, encumber, pledge, hypothecate, mortgage or transfer or otherwise dispose of any of Borrower’s or Operating Lessee’s assets (except for non-real estate assets not critical to the operation of the Property disposed or replaced in the normal course of business), except with the prior written consent of Administrative Agent or as otherwise expressly permitted under this Agreement, including, without limitation Section 9.15 below.

9.15 **PROHIBITED TRANSFERS.**

(a) Prohibited Property Transfers. Neither Borrower nor Operating Lessee shall cause or permit any Transfer of all or any part of the Property (collectively, a “**Prohibited Property Transfer**”), including, without limitation, the Transfer of all or any part of Borrower’s or Operating Lessee’s right, title and interest in and to any revenue from the Property. Notwithstanding the foregoing, the following shall not be deemed a Prohibited Property Transfer: (i) a Transfer that is expressly permitted under Section 9.15(d) below, (ii) agreements with the Architect, Contractor, Manager and all other contractors performing services or providing materials in connection with the Improvements and/or Expansion, (iii) Permitted Liens, (iv) agreement with any transient persons or entities or groups for use of the hotel, (v) Leases in accordance with Section 9.4, (vi) the Operating Lease and (viii) such other matters with respect to the Property permitted pursuant to this Agreement or otherwise approved by Administrative Agent in writing.

(c) **Permitted Equity Transfers; General Requirements.** Notwithstanding anything to the contrary herein, so long as no Default exists, the transfers in Section 9.15(d) below may be consummated without the consent of Requisite Lenders (provided, however, to the extent Administrative Agent is provided notice of such Transfer from Borrower or Operating Lessee, Administrative Agent will provide such notice to Lenders) and without payment of any transfer fee, provided, that:

(x) a change in any non-member manager of a Person who is an indirect owner of Borrower to any Person who is (i) a Transfer Affiliate of such Person, or (ii) an employee or manager of a Transfer Affiliate of such Person.

No transfer fee shall be due in connection with a transfer permitted pursuant to this Section 9.15(d). Notwithstanding the foregoing, no consent shall be required as a result of any Transfer that involves the transfer or issuance of securities in an entity with a class of securities listed on the New York Stock Exchange or another recognized exchange, provided that no affected entity shall become a publicly traded entity for the first time without Requisite Lenders' prior written consent in their reasonable discretion.

If, as a result of any transfer under subparagraphs (ii), (iii) or (v) of this Section 9.15(d), Rida Guarantor and its Affiliates, on the one hand, and Ryman Guarantor and its Affiliates, on the other hand, would no longer own, directly or indirectly, the respective percentage ownership interests in each of Borrower and Operating Lessee owned by each such Guarantor and its Affiliates prior to such transfer then concurrently therewith at the request of Ryman and Rida, the repayment and carry guaranty obligations as described in Section 1.1 and Section 1.2 of each of the Ryman Guaranty and Rida Guaranty (collectively, the "**Repayment and Carry Guaranty Obligations**") shall (with the consent of each of Ryman Guarantor and Rida Guarantor in the case of a Transfer pursuant to subparagraphs (ii) and (iii) above) be amended to reflect the respective percentage ownership interests of Rida Guarantor and its Affiliates and Ryman Guarantor and its Affiliates following such transfer (and if such amendment would result in either Guarantor being responsible for 100% of the Repayment and Carry Guaranty Obligations, then the other Guarantor's Guaranty shall be terminated, provided, that with respect to the nonrecourse carve out obligations as described in Sections 2 and 3 of each of the Rida Guaranty and the Ryman Guaranty, such termination shall be effective solely with respect to liabilities accruing thereafter). In no event shall such amendments (or termination, if applicable) reduce the aggregate amount of the Repayment and Carry Guaranty Obligations by and between Ryman Guarantor and Rida Guarantor on a combined basis. For purposes of clarity, if a new third party equity owner is brought into the ownership as permitted above, with the consent of Ryman and Rida their respective several percentage shares of the guaranty liability may be adjusted as between Rida and Ryman so long as the aggregate liability amongst Rida and Ryman shall not be reduced and shall, on a combined

basis, continue to equal one hundred percent (100%) of the total liability (and if such adjustment would result in either Guarantor being responsible for one hundred percent (100%) of the guaranty liability, then the other Guarantor's Guaranties shall be terminated). In no event shall Administrative Agent and Lenders be obligated to accept a new replacement or supplemental Guarantor in connection with a permitted transfer under subparagraphs (ii), (iii) or (v) of this Section 9.15(d).

A Transfer Affiliate permitted under this Section 9.15(d) shall be permitted to Transfer to the same extent as its transferor.

(e) **Compliance Checks.** Notwithstanding anything to the contrary in Section 9.15 above, if, after giving effect to one transfer or a series of transfers, any person (together with its Affiliates), would own ten percent (10%) or more of the direct or indirect interests in Borrower or Operating Lessee and such person (together with its Affiliates) owned less than ten percent (10%) of the direct or indirect interests in Borrower and/or Operating Lessee prior to such transfer or series of transfers, such transfers shall be subject to Administrative Agent's prior written consent (provided that no transfer fee shall be due), which consent shall not be denied (so long as such transfer is otherwise permitted pursuant to Section 9.15 above) unless such person (or its Affiliates) does not satisfy Administrative Agent's or any Lender's customary KYC, background, criminal, OFAC or Patriot Act checks.

(f) Intentionally Omitted.

(g) Operating Lease.

(i) **Full Force and Effect.** Borrower and Operating Lessee have provided to Administrative Agent a correct and complete copy of the Operating Lease and the other Operating Lease Documents, all of which are in effect on and as of the Effective Date. As of the Effective Date, the Operating Lease has not been amended or modified (except as has been previously disclosed to Administrative Agent) and is in full force and effect and no default exists thereunder (nor has any event occurred that after the giving of notice or the passage of time (or both) would constitute a default).

(ii) **Subordination.** Each of Borrower and Operating Lessee hereby agree that the Operating Lease and the other Operating Lease Documents and all right, title and interest of Borrower and Operating Lessee thereunder are and shall be subject and subordinate to the lien of the Security Instrument and the Loan, including, without limitation, any and all fees and reimbursable expenses and other sums payable to Borrower or Operating Lessee under the Operating Lease or the other Operating Lease Documents.

(iii) **Termination.** Upon (i) a Default, (ii) the foreclosure by Administrative Agent of the Security Instrument (or the closing of a deed-in-lieu thereof); or (iii) the appointment of a receiver with respect to the Property, Administrative Agent, any purchaser in a foreclosure or any transferee in lieu thereof may, in its sole and absolute discretion, elect to terminate the Operating Lease and Operating Lessee agrees that such termination may be made without payment of any termination fees, liquidated damages or other fees and charges under the Operating Lease, provided, however, if Administrative Agent terminates the Operating Lease in accordance with the foregoing but prior to a foreclosure by Administrative Agent of the Security Instrument (or the closing of a deed-in-lieu thereof), Borrower may enter into a new operating lease with a replacement operating lessee (under the same terms as set forth in the Operating Lease) acceptable to

Administrative Agent if Borrower reasonably determines it to be necessary to satisfy any REIT tax rules applicable to Borrower or Operating Lessee or its direct or indirect owners. Upon any such termination of the Operating Lease by Administrative Agent (or its successor), Operating Lessee shall promptly remit to Administrative Agent (or its successor) an accounting of, and all sums then held in, any accounts maintained by Operating Lessee under the Operating Lease. Operating Lessee hereby acknowledges that none of such sums shall be delivered to Borrower upon any such termination of the Operating Lease by Administrative Agent (or its successor). Upon any such termination, Operating Lessee shall afford to Administrative Agent (or its successor) all rights and benefits provided to Operating Lessee under the Operating Lease, including, without limitation, cooperating with and assisting Administrative Agent (or its successor) to effect a smooth transition of operational control, and assigning to Administrative Agent (or its successor) all operating licenses and permits for the Property then issued in Operating Lessee's name and which may be assigned or transferred. If such assignment of licenses and permits is not permitted under applicable law, Operating Lessee shall cooperate with, and provide assistance to, Administrative Agent (or its successor) in its efforts to obtain food, liquor and other licenses and permits for the normal use and operation of the Property. Upon the written request of Administrative Agent (or its successor), Operating Lessee shall periodically execute and deliver a statement, in a form reasonably satisfactory to Administrative Agent (or its successor), reaffirming Operating Lessee's obligation as set forth in this [Section 9.15\(g\)\(iii\)](#). Upon any termination, cancellation or invalidation of the Operating Lease (whether pursuant to the operation of this [Section 9.15\(g\)](#) or otherwise), Operating Lessee shall promptly transfer any and all FF&E owned by Operating Lessee to Borrower, the Lenders, or the purchaser at any foreclosure sale or transfer in lieu of foreclosure, as applicable.

(iv) Attornment. To the extent Operating Lessee's interest in the Operating Lease is not terminated or merged with title to the Property at foreclosure or otherwise, Operating Lessee agrees that, upon a foreclosure of the Security Instrument or the acceptance by Administrative Agent of a deed in lieu of foreclosure, provided that the Operating Lease has not expired or otherwise been earlier terminated in accordance with its terms for reasons other than such foreclosure, Operating Lessee shall attorn to Administrative Agent (or its successor), as the case may be, and shall remain bound by all of the terms, covenants and conditions of the Operating Lease, for the balance of the remaining term thereof (and any renewals thereof which may be effected in accordance with the Operating Lease) with the same force and effect as if Administrative Agent (or its successor) were the landlord under the Operating Lease and without the payment by Administrative Agent (or its successor) of any fees arising from such succession to the interests of Borrower. Such attornment shall be effective and self-operative as an agreement between Operating Lessee and Administrative Agent (or its successor) without the execution of any further instruments on the part of any party; provided, however, that at Administrative Agent's (or its successor's) request, Operating Lessee shall execute an instrument confirming such attornment.

(v) Release. Upon termination of the Operating Lease in accordance with the terms of this Agreement, Administrative Agent shall unilaterally, without the need for further action, agreement or consent by Borrower or Operating Lessee, release Operating Lessee from all Loan Documents and its obligations thereunder provided Operating Lessee has satisfied all of its obligations under the Loan Documents at such time. Following such release, Operating Lessee shall not be deemed a party to any Loan Document, shall have no rights or obligations with respect to the Loan or any Loan Document, shall have no

standing to bring any action or claim with respect to the Loan or under any Loan Document, and Operating Lessee's agreement or consent shall not be required for any action taken by Borrower and/or Administrative Agent with respect to the Loan or any Loan Document, including, without limitation, any modification, amendment, termination or cancellation thereof. For the avoidance of doubt, the termination of the Operating Lease shall have no effect on any rights or obligations of the Borrower in respect of the Loan, and Borrower shall be responsible for the performance of any obligations of Operating Lessee under the Loan Documents.

(vi) Amendments. Upon request of Administrative Agent, Borrower and Operating Lessee will reasonably consider amendments to the Operating Lease provided that such requested amendments would not, other than to a de minimis extent, increase the obligations and liabilities or diminish the rights of Borrower or Operating Lessee (either under the Loan Documents or the Operating Lease) and could not alter either the tax accounting treatment of Ryman or RHP Hotel Properties, LP, or the conclusions of any tax opinion received by Ryman or RHP Hotel Properties, LP relating to the Operating Lease Documents.

If Administrative Agent fails to respond to such second notice within five (5) Business Days following receipt, Requisite Lenders will be deemed to have consented to the action for which consent was originally requested. Notwithstanding the foregoing, if at any time prior to the expiration of the period described above, Administrative Agent delivers written notice to Borrower or Operating Lessee (by email or otherwise) that Requisite Lenders require additional time to consider such request, Administrative Agent shall be afforded an additional ten (10) Business Days to respond to such request prior to any deemed consent or second notice, as applicable.

(c) Each of Borrower and Operating Lessee shall duly perform and observe all of the material terms and conditions on its respective part, as applicable, to be performed and observed under each of the Project Documents.

If, on any two consecutive DSCR Test Dates following a deposit of a Letter of Credit or cash with Administrative Agent in accordance with the terms of this subsection (d), the Minimum DSCR Hurdle is achieved, then, provided no Default then exists or would result therefrom, such Letter of Credit or cash shall be promptly returned or disbursed, as applicable, to Borrower. Otherwise, upon the repayment in full of the Loan, such Letter of Credit or cash shall be promptly returned or disbursed, as applicable, to Borrower.

Except for fraud, under no circumstances shall such authorized signatory have any personal liability in connection with any such certifications.

10.10 OTHER INFORMATION.

Each of Borrower and Operating Lessee shall provide to Administrative Agent such other information as Administrative Agent may reasonably require, including, in connection with Borrower, Operating Lessee, Ryman Guarantor, Rida Guarantor, the Property, and/or the Improvements.

10.11 FORM; WARRANTY.

Each of Borrower and Operating Lessee agree that all financial statements to be delivered to Administrative Agent pursuant to this Section 10.11 shall in all material respects: (a) be complete and correct; (b) present fairly the financial condition of the party; (c) disclose all liabilities that are required to be reflected or reserved against; and (d) be prepared on an income tax basis or in accordance with generally accepted accounting principles, in each case, consistently applied. Notwithstanding the foregoing, the calculation of liabilities shall NOT include any fair value adjustments to the carrying value of liabilities to record such liabilities at fair value pursuant to electing the fair value option election under FASB ASC 825-10-25 (formerly known as FAS 159, *The Fair Value Option for Financial Assets and Financial Liabilities*) or other FASB standards allowing entities to elect fair value option for financial liabilities. Therefore, the amount of liabilities shall be the historical cost basis, which generally is the contractual amount owed adjusted for amortization or accretion of any premium or discount. Each of Borrower and Operating Lessee acknowledges and agrees that Administrative Agent may request and obtain additional information from third parties regarding any of the above, including, without limitation, credit reports. By Borrower's and Operating Lessee's execution of this Agreement, each of Borrower and Operating Lessee shall be deemed to warrant and represent that, as of the date of delivery of any such financial statement, there has been no change in financial condition which would have a material adverse change since the date of such financial statement, except as disclosed by Borrower or Operating Lessee in writing delivered to Administrative Agent. Each of Borrower and Operating Lessee agrees that no statements or other information to be delivered to Administrative Agent pursuant to this Article 10 shall contain any misrepresentation or omission of a material fact that would render any other representation or warranty contained in this Agreement, or any financial statement or other report delivered in connection herewith, untrue or misleading in any respect.

The failure of Borrower or Operating Lessee to effect a full dismissal of any involuntary petition under the Bankruptcy Code or under any other debtor relief law that is filed against Borrower or Operating Lessee or in any way restrains or limits Borrower, Operating Lessee, Administrative Agent or Lenders regarding the Loan, the Property or the Improvements, prior to the earlier of the entry of any court order granting relief sought in such involuntary petition, or ninety (90) days after the date of filing of such involuntary petition; or

(k) Hazardous Materials. The discovery of any significant Hazardous Materials in, on or about the Property or Improvements subsequent to the Effective Date, provided that same shall not be a Default hereunder if Borrower or Operating Lessee promptly commences to cure same, diligently pursues such cure, completes the remediation of the Hazardous Materials within one hundred twenty (120) days of such discovery and provides evidence reasonably satisfactory to Administrative Agent that such remediation has been completed (excluding governmental approvals or sign-offs, but Borrower or Operating Lessee shall diligently pursue any applicable governmental approvals or sign-offs in connection with such remediation), including but not limited to, a certification from a licensed environmental remediation contractor and/or a phase I environmental assessment acceptable to Administrative Agent within one hundred fifty (150) days following such discovery. Any such Hazardous Materials shall be "significant" for this purpose if said Hazardous Materials, in Administrative Agent's sole discretion, have a materially adverse impact on the value of the Property; or

(l) Prohibited Transfers. Any Transfer in violation of Section 9.15; or

(m) Judgment. Borrower, Operating Lessee or Guarantor, as applicable, fails to pay or discharge any final, non-appealable judgment in excess of (i) with respect to Borrower or Operating Lessee, \$500,000 or (ii) with respect to Rida Guarantor and/or Ryman Guarantor, \$10,000,000, against it within thirty (30) days after the entry of such judgment, unless no other Default exists and within thirty (30) days after written notice from Administrative Agent of such default or failure (y) a replacement guarantor reasonably acceptable to the Lenders is provided, such replacement guarantor executes a replacement guaranty substantially similar to the Guaranty (and delivers, in addition to any other materials required by Lenders, similar financial and corporate due diligence as delivered by Guarantor and a legal opinion with respect to such guarantor and Guaranty) or (z) the non-defaulting Guarantor assumes in writing all obligations of the defaulting Guarantor;

(p) Default Under Management Agreement. (s) Revocation of Liquor License. (i) The revocation, cancellation, termination or suspension of any Liquor License for the sale of liquor at the Property that is not reinstated or reissued within sixty (60) days following such revocation, cancellation, termination or suspension (provided that if it is not possible to reinstate or reissue the Liquor License within such initial sixty (60) day period, an additional sixty (60) day period shall be afforded Borrower, for a total period not to exceed one hundred twenty (120) days, so long as Borrower or Operating Lessee, as applicable, is diligently pursuing such reinstatement or reissuance); or (ii) the failure of Borrower, Operating Lessee or Manager to have the right to serve alcohol under applicable law, for the Property for a period of sixty (60) days or more (provided if it is not possible to correct such failure within such initial sixty (60) day period, an additional sixty (60) day period shall be afforded Borrower and/or Operating Lessee, for a total period not to exceed one hundred twenty (120) days, so long as Borrower or Operating Lessee, as applicable, is diligently pursuing correction of such failure); or

(u) Default under Material Contract. The occurrence of a default or material breach by Borrower or Operating Lessee beyond any applicable cure period provided therein under any Material Contract (other than agreements specifically identified in the other clauses of this Section 11.1), which, in Administrative Agent's reasonable discretion, will have a material adverse effect on the value, utility, operation or legality of the Property; or

(v) Guaranty; Guarantor Financial Covenants. The occurrence of a default (beyond any applicable notice or cure period contained therein) under any guaranty now or hereafter executed in connection with the Loan, including, without limitation, any Guarantor's failure to perform any covenant, condition or obligation thereunder, or any failure to comply with the Guarantor Financial Covenants (as defined in any Guaranty), unless no other Default exists and

within thirty (30) days after written notice from Administrative Agent of such default or failure (i) a replacement guarantor reasonably acceptable to the Lenders is provided, such replacement guarantor executes a replacement guaranty substantially similar to the Guaranty (and delivers, in addition to any other materials required by Lenders, similar financial and corporate due diligence as delivered by Guarantor and a legal opinion with respect to such guarantor and Guaranty) or (ii) the non-defaulting Guarantor assumes in writing all obligations of the defaulting Guarantor; or

(w) Intentionally Omitted.

(x) Default Under Operating Lease. The exercise of remedies by Borrower or Operating Lessee under the Operating Lease as a result of the occurrence of a default under any of the Operating Lease Documents; or

(y) Intentionally Omitted.

(z) Money Laundering. The conviction of any Person within the Borrowing Group, on any charge of violating any Anti-Money Laundering Laws if the result thereof is reasonably likely to be the forfeiture of the Property or any material portion thereof; or

(aa) Breach of Sanctions Provisions. The failure of any representation or warranty of Borrower or Operating Lessee, or Borrower's or Operating Lessee's failure to perform or observe any covenant, contained in either of Section 6.31 or Section 9.30 of this Agreement.

11.2 ACCELERATION UPON DEFAULT; REMEDIES.

Upon the occurrence of any Default specified in this Article 11, Requisite Lenders may, at their sole option, declare all sums owing to Lenders under the Notes, this Agreement and the other Loan Documents immediately due and payable; provided, however, that all sums owing to Administrative Agent and/or Lenders under the Notes, this Agreement and the other Loan Documents shall automatically become immediately due and payable upon the occurrence of any of the Defaults listed in Section 11.1(f) or Section 11.1(g), after which, in each such case, such sums shall bear interest at the Default Rate. Upon such acceleration, Administrative Agent may, and at the direction of Requisite Lenders, shall, in addition to all other remedies permitted under this Agreement and the other Loan Documents and at law or equity, apply any sums in the Account to the sums owing under the Loan Documents and any and all obligations of Lenders to fund further disbursements under the Loan shall terminate.

11.3 DISBURSEMENTS TO THIRD PARTIES.

Upon the occurrence and during the continuation of a Default occasioned by Borrower's or Operating Lessee's (as applicable) failure to pay money to a third party as required by this Agreement, Administrative Agent may, but shall not be obligated to, make such payment from the Loan proceeds, Borrower's Funds, or other funds of Lenders. If such payment is made from proceeds of the Loan or from Borrower's Funds, Borrower shall immediately deposit with Administrative Agent, upon written demand, an amount equal to such payment. If such payment is made from funds of Lenders, Borrower shall immediately repay such funds upon written demand of Administrative Agent. In either case, the Default with respect to which any such payment has been made by Administrative Agent or Lenders shall not be deemed cured until such deposit or repayment (as the case may be) has been made by Borrower to Administrative Agent.

11.4 ADMINISTRATIVE AGENT'S COMPLETION OF CONSTRUCTION.

If Borrower has elected to commence construction of the Expansion, then, upon the occurrence and during the continuation of a Default, Administrative Agent may, upon five (5) days prior written notice to Borrower, and with or without legal process, take possession of the Property, remove Borrower, Operating Lessee and all agents, employees and contractors of Borrower and Operating Lessee from the Property, complete the work of construction substantially in accordance with the Plans and Specifications and market and sell or lease the Property and/or Improvements. For this purpose, to the maximum extent permitted by law, each of Borrower and Operating Lessee irrevocably appoints Administrative Agent as its attorney-in-fact, which agency is coupled with an interest. As attorney-in-fact, Administrative Agent may, in Borrower's or Operating Lessee's name, take or omit to take any action Administrative Agent may deem appropriate, including, without limitation, exercising Borrower's or Operating Lessee's rights under the Loan Documents and all contracts concerning the Property and/or Improvements.

11.5 ADMINISTRATIVE AGENT'S CESSATION OF CONSTRUCTION.

If Borrower has elected to commence construction of the Expansion, then, upon the occurrence and during the continuation of a Default, if Administrative Agent determines at any time that the Expansion is not being constructed in accordance with the Plans and Specifications and all governmental requirements, Administrative Agent may immediately cause all construction to cease on any portion of the Expansion affected by the condition of nonconformance. Neither Borrower nor Operating Lessee shall thereafter allow any construction work, other than corrective work, to be performed on any portion of the Expansion affected by the condition of nonconformance until such time as Administrative Agent notifies Borrower in writing that the nonconforming condition has been corrected.

11.6 REPAYMENT OF FUNDS ADVANCED.

Any funds expended by Administrative Agent or any Lender in the exercise of its rights or remedies under this Agreement and/or the other Loan Documents shall be payable to Administrative Agent or such Lender upon demand, together with interest at the rate applicable to the principal balance of the Loan from the date the funds were expended.

11.7 RIGHTS CUMULATIVE, NO WAIVER.

All of Administrative Agent's and Lenders' rights and remedies provided in this Agreement, the other Loan Documents and Other Related Documents, together with those granted by law or at equity, are cumulative and may be exercised by Administrative Agent or Lenders at any time, in accordance with the terms of this Agreement. Administrative Agent's or any Lender's exercise of any right or remedy shall not constitute a cure of any Default unless all sums then due and payable to Lenders under the Loan Documents and Other Related Documents are repaid and Borrower and Operating Lessee (as applicable) have cured all other Defaults to Administrative Agent's satisfaction (as confirmed in writing). No waiver shall be implied from any failure of Administrative Agent or any Lender to take, or any delay by Administrative Agent or any Lender in taking, action concerning any Default or failure of condition under the Loan Documents and Other Related Documents, or from any previous waiver of any similar or unrelated Default or failure of condition. Any waiver or approval under any of the Loan Documents must be in writing and shall be limited to its specific terms.

11.8 ALLOCATION OF PROCEEDS.

If a Default exists and maturity of any of the obligations of Borrower have been accelerated or the Maturity Date has occurred, all payments received by Administrative Agent under any of the Loan Documents (including pursuant to the Cash Management Agreement and Operating Lessee Cash Management Agreement), in respect of any principal of or interest on the obligations of Borrower or any other amounts payable by Borrower or Operating Lessee hereunder or thereunder, shall be applied in the following order and priority:

- (a) amounts due to Administrative Agent and the Lenders in respect of expenses due under Section 9.1 until paid in full, and then Fees;

(b) amounts due to Administrative Agent and the Lenders in respect of Protective Advances;

(c) payments of interest (i) on the Loan and (ii) any Secured Interest Rate Protection Agreement, in each case, to be applied for the ratable benefit of the Lenders or the applicable counterparty to such Secured Interest Rate Protection Agreement, in such order as the Lenders or such counterparty, as the case may be, may determine in their sole discretion;

(d) payments of principal of the Loan and payments of any termination payment required in respect of any and all Secured Interest Rate Protection Agreements, to be applied for the ratable benefit of the Lenders or counterparty to such Secured Interest Rate Protection Agreements, as the case may be, in such order as the Lenders or such counterparty, as the case may be, may determine in their sole discretion;

(e) amounts due to Administrative Agent and the Lenders pursuant to Section 12.12 and Section 13.1;

(f) payments of all other amounts due under any of the Loan Documents and Secured Interest Rate Protection Agreements, if any, to be applied for the ratable benefit of the Lenders and the applicable counterparty to such Secured Interest Rate Protection Agreements; and

(g) any amount remaining after application as provided above, shall be paid to the Borrower or whoever else may be legally entitled thereto.

ARTICLE 12 ADMINISTRATIVE AGENT.

12.1 APPOINTMENT AND AUTHORIZATION; CO-LENDER PROVISIONS.

(a) Each Lender hereby irrevocably appoints and authorizes Administrative Agent to take such action as contractual representative on such Lender's behalf and to exercise such powers under this Agreement, the other Loan Documents and the Other Related Documents as are specifically delegated to Administrative Agent by the terms hereof and thereof, together with such powers as are reasonably incidental thereto. Not in limitation of the foregoing, each Lender authorizes and directs Administrative Agent to enter into the Loan Documents and Other Related Documents for the benefit of the Lenders.

(b) Each Lender hereby agrees that, except as otherwise set forth herein, any action taken by the Requisite Lenders in accordance with the provisions of this Agreement, the Loan Documents or the Other Related Documents, and the exercise by the Requisite Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders.

(c) Nothing herein shall be construed to deem Administrative Agent a trustee or fiduciary for any Lender or to impose on Administrative Agent duties or obligations other than those expressly provided for herein. Without limiting the generality of the foregoing, the use of the terms "Administrative Agent", "Agent", "agent" and similar terms in the Loan Documents or Other Related Documents with reference to Administrative Agent is not intended to connote any fiduciary or other implied (or express) obligations arising under agency doctrine of any applicable law. Instead, use of such terms is merely a matter of market custom, and is intended to create or reflect only an administrative relationship between independent contracting parties.

(d) Administrative Agent shall deliver to each Lender, promptly upon receipt thereof by Administrative Agent, copies of each of the financial statements, certificates, notices and other documents delivered to Administrative Agent pursuant to Article 10. Administrative Agent will also furnish to any Lender, upon the request of such Lender, a copy (or, where appropriate, an original) of any document, instrument, agreement, certificate or notice furnished to Administrative Agent by the Borrower, Operating Lessee, any Loan Party or any other Affiliate of the Borrower, pursuant to this Agreement or any other Loan Document not already delivered to such Lender pursuant to the terms of this Agreement or any such other Loan Document.

(e) As to any matters not expressly provided for by the Loan Documents and Other Related Documents (including, without limitation, enforcement or collection of any of Borrower's or Operating Lessee's obligations hereunder), Administrative Agent shall not be required to exercise any discretion or take any action, but shall be required to act or to refrain from acting (and shall be fully protected in so acting or refraining from acting) upon the instructions of the Requisite Lenders (or all of the Lenders if explicitly required under any other provision of this Agreement), and such instructions shall be binding upon all Lenders and all holders of any of the obligations of Borrower; provided, however, that, notwithstanding anything in this Agreement to the contrary, Administrative Agent shall not be required to take any action which exposes Administrative Agent to personal liability or which is contrary to this Agreement or any other Loan Document or Requirements of Law. Not in limitation of the foregoing, Administrative Agent may exercise any right or remedy it or the Lenders may have under any Loan Document upon the occurrence of a Potential Default or Default unless the Requisite Lenders have directed Administrative Agent otherwise. Without limiting the foregoing, no Lender shall have any right of action whatsoever against Administrative Agent as a result of Administrative Agent acting or refraining from acting under this Agreement, the other Loan Documents, or the Other Related Documents in accordance with the instructions of the Requisite Lenders, or where applicable, all the Lenders.

12.2 WELLS FARGO AS LENDER.

Wells Fargo, as a Lender, shall have the same rights and powers under this Agreement and any other Loan Document as any other Lender and may exercise the same as though it were not Administrative Agent; and the term "Lender" or "Lenders" shall, unless otherwise expressly indicated, include Wells Fargo in each case in its individual capacity. Wells Fargo and its Affiliates may each accept deposits from, maintain deposits or credit balances for, invest in, lend money to, act as trustee under indentures of, serve as financial advisor to, and generally engage in any kind of business with the Borrower, any other Loan Party or any other Affiliate thereof as if it were any other bank and without any duty to account therefor to the other Lenders. Further, Administrative Agent and any Affiliate may accept fees and other consideration from the Borrower and Operating Lessee for services in connection with this Agreement and otherwise without having to account for the same to the other Lenders. The Lenders acknowledge that, pursuant to such activities, Wells Fargo or its Affiliates may receive information regarding the Borrower, other loan parties, other subsidiaries and other Affiliates (including information that may be subject to confidentiality obligations in favor of such Person) and acknowledge that Administrative Agent shall be under no obligation to provide such information to them.

12.3 LOAN DISBURSEMENTS.

(a) Promptly following Administrative Agent's receipt of a complete Application for Payment, Administrative Agent shall send a copy thereof by facsimile to each other Lender (together with any supporting documents delivered in connection therewith) and shall otherwise notify each Lender of the proposed disbursement and the Funding Date. Each Lender shall make available to Administrative Agent (or the funding bank or entity designated by Administrative Agent), the amount of such Lender's Pro Rata Share of such disbursement in immediately available funds not later than the times designated in Section 12.3(b). Unless Administrative Agent shall have been notified by any Lender not later than the close of business (San Francisco time) on the Business Day immediately preceding the Funding Date in respect of any disbursement that such Lender does not intend to make available to Administrative Agent such Lender's Pro Rata Share of such disbursement, Administrative Agent may assume that such Lender shall make such amount available to Administrative Agent. If any Lender does not notify Administrative Agent of its intention not to make available its Pro Rata Share of such disbursement as described above, but does not for any reason make available to Administrative Agent such Lender's Pro Rata Share of such disbursement, such Lender shall pay to Administrative Agent forthwith on demand such amount, together with interest thereon at the Federal Funds Rate. In any case where a Lender does not for any reason make available to Administrative Agent such Lender's Pro Rata Share of such disbursement, Administrative Agent, in its sole discretion, may, but shall not be obligated to, fund to Borrower such Lender's Pro Rata Share of such disbursement. If Administrative Agent funds to Borrower such Lender's Pro Rata Share of such disbursement and if such Lender subsequently pays to Administrative Agent such corresponding amount, such amount so paid shall constitute such Lender's Pro Rata Share of such disbursement. Nothing in this Section 12.3(a) shall alter the respective rights and obligations of the parties hereunder in respect of a Defaulting Lender or a Non-Pro Rata Advance.

(b) Requests by Administrative Agent for funding by Lenders of disbursements will be made by telecopy at least three (3) Business Days prior to a Funding Date. Each Lender shall make the amount of its disbursement available to Administrative Agent in Dollars and in immediately available funds, to such bank and account, in El Segundo, California (to such bank and account in such other place) as Administrative Agent may designate, not later than 10:00 A.M. (San Francisco time) on the Funding Date designated by Administrative Agent with respect to such disbursement, but in no event earlier than two (2) Business Days following such Lender's receipt of the applicable Application for Payment. Notwithstanding anything to the contrary contained herein, funds received from all non-defaulting lenders shall be disbursed in accordance with this Agreement, provided that all other conditions precedent for such funding have been satisfied including without limitation Section 3.1(i).

(c) Nothing in this Section 12.3 shall be deemed to relieve any Lender of its obligation hereunder to make its Pro Rata Share of disbursements on any Funding Date, nor shall Administrative Agent or any Lender be responsible for the failure of any other Lender to perform its obligations to make any disbursement hereunder, and the Commitment of any Lender shall not be increased or decreased as a result of the failure by any other Lender to perform its obligation to make a disbursement.

12.4 DISTRIBUTION AND APPORTIONMENT OF PAYMENTS; DEFAULTING LENDERS.

(a) Subject to Section 12.4(b) below, payments actually received by Administrative Agent for the account of Lenders shall be paid to them promptly after receipt thereof by Administrative Agent, but in any event within two (2) Business Days, provided that Administrative Agent shall pay to Lenders interest thereon, at the lesser of (i) the Federal Funds Rate and (ii) the rate of interest applicable to the Loan, from the Business Day following receipt of such funds by Administrative Agent until such funds are paid in immediately available funds to Lenders. All

payments of principal, interest, and other payments under the Loan Documents or Other Related Documents shall be allocated among such of Lenders as are entitled thereto, in proportion to their respective Pro Rata Shares in the Loan or otherwise as provided herein or as separately agreed by Administrative Agent and any Lender. Administrative Agent shall promptly distribute, but in any event within two (2) Business Days, to each Lender at its primary address set forth on the appropriate signature page hereof or on the Assignment and Assumption Agreement, or at such other address as a Lender may request in writing, such funds as it may be entitled to receive, provided that Administrative Agent shall in any event not be bound to inquire into or determine the validity, scope or priority of any interest or entitlement of any Lender and may suspend all payments and seek appropriate relief (including, without limitation, instructions from Requisite Lenders or all Lenders, as applicable, or an action in the nature of interpleader) in the event of any doubt or dispute as to any apportionment or distribution contemplated hereby. The order of priority herein is set forth solely to determine the rights and priorities of Lenders as among themselves and may at any time or from time to time be changed by Lenders as they may elect, in writing in accordance with this Agreement, without necessity of notice to or consent of or approval by Borrower or any other Person. All payments or other sums received by Administrative Agent for the account of Lenders shall not constitute property or assets of Administrative Agent and shall be held by Administrative Agent, solely in its capacity as agent for itself and the other Lenders, subject to the Loan Documents and the Other Related Documents.

(b) Notwithstanding any provision hereof to the contrary, until such time as a Defaulting Lender has funded its Pro Rata Share of a Protective Advance or prior Loan disbursements which was previously a Non-Pro Rata Advance, or all other Lenders have received payment in full (whether by repayment or prepayment) of the amounts due in respect of such Non-Pro Rata Advance, all of the indebtedness and obligations owing to such Defaulting Lender hereunder shall be subordinated in right of payment, as provided in the following sentence, to the prior payment in full of all principal, interest and fees in respect of all Non-Pro Rata Advances in which the Defaulting Lender has not funded its Pro Rata Share (such principal, interest and fees being referred to as "**Senior Loans**"). All amounts paid by Borrower and otherwise due to be applied to the indebtedness and obligations owing to the Defaulting Lender (other than a Performing Defaulting Pfandbrief Lender) pursuant to the terms hereof shall be distributed by Administrative Agent to the other Lenders (including the Performing Defaulting Pfandbrief Lender) in accordance with their respective Pro Rata Shares of the Loan (recalculated for purposes hereof to exclude the Defaulting Lender's (other than a Performing Defaulting Pfandbrief Lender's) Pro Rata Share of the Loan), until all Senior Loans have been paid in full. This provision governs only the relationship among Administrative Agent, each Defaulting Lender, and the other Lenders; nothing hereunder shall limit the obligations of Borrower under this Agreement. The provisions of this section shall apply and be effective regardless of whether a Default occurs and is then continuing, and notwithstanding (a) any other provision of this Agreement to the contrary, (b) any instruction of Borrower as to its desired application of payments or (c) the suspension of such Defaulting Lender's (other than a Performing Defaulting Pfandbrief Lender's) right to vote on matters which are subject to the consent or approval of Requisite Lenders or all Lenders. Administrative Agent shall be entitled to (i) withhold or setoff, and to apply to the payment of the defaulted amount and any related interest, any amounts to be paid to such Defaulting Lender under this Agreement, and (ii) bring an action or suit against such Defaulting Lender in a court of competent jurisdiction to recover the defaulted amount and any related interest. In addition, the Defaulting Lender shall indemnify, defend and hold Administrative Agent and each of the other Lenders harmless from and against any and all liabilities and costs, plus interest thereon at the Default Rate as set forth in the Notes, which they may sustain or incur by reason of or as a direct consequence of the Defaulting Lender's failure or refusal to perform its obligations under this Agreement. Administrative Agent shall use commercially reasonable and diligent efforts to assist Borrower to procure a replacement lender to fund each Defaulting Lender's Pro Rata Share.

Notwithstanding anything to the contrary contained in this Section 12.4 or elsewhere in this Agreement, including, without limitation, the definition of "Requisite Lenders" or Section 13.12(b) of this Agreement:

(i) the rights of a Performing Defaulting Pfandbrief Lender to participate in the administration of the Loan and the Loan Documents as set forth in this Agreement with respect to actions requiring Requisite Lender or all Lender approval shall not be suspended so long as such Performing Defaulting Pfandbrief Lender responds to any written communication or request under the Loan Documents within ten (10) Business Days after receipt thereof (or such lesser time as may be required by the Loan Documents); and

(ii) any payments received or payable in respect of such Performing Defaulting Pfandbrief Lender's Pro-Rata Share in the Loans shall not be subject to any subordination, escrow or holdback, and shall be distributed to such Performing Defaulting Pfandbrief Lender in accordance with the terms of the Loan Documents as if such Performing Defaulting Pfandbrief Lender was not a Defaulting Lender.

Notwithstanding the provisions of this Section 12.4(b), the rights provided to a Performing Defaulting Pfandbrief Lender hereunder shall apply if, and only to the extent that, such rights are necessary or required to maintain such Performing Defaulting Pfandbrief's Lender's interest in the Loan that is subject to a Pfandbrief Pledge (as shall be determined by such Performing Defaulting Pfandbrief Lender in its sole discretion). Further, for avoidance of doubt, except as expressly provided in this Section 12.4(b), a Performing Defaulting Pfandbrief Lender shall remain a Defaulting Lender for all other purposes under this Agreement and the Loan Documents, including, without limitation, under Section 13.13(c) hereof.

12.5 PRO RATA TREATMENT.

Except to the extent otherwise provided herein: (a) each borrowing from Lenders shall be made from the Lenders, each payment of the fees shall be made for the account of the Lenders, and each termination or reduction of the amount of the Commitments pursuant to this Agreement shall be applied to the respective Commitments of the Lenders, pro rata according to the amounts of their respective Commitments; (b) each payment or prepayment of principal of the Loan by the Borrower shall be made for the account of the Lenders pro rata in accordance with the respective unpaid principal amounts of the Loan held by them, provided that if immediately prior to giving effect to any such payment in respect of the Loan the outstanding principal amount of the Loan shall not be held by the Lenders pro rata in accordance with their respective Commitments in effect at the time the Loan was made, then such payment shall be applied to the Loan in such manner as shall result, as nearly as is practicable, in the outstanding principal amount of the Loan being held by the Lenders pro rata in accordance with their respective Commitments; and (c) each payment of interest on the Loan by the Borrower shall be made for the account of the Lenders pro rata in accordance with the amounts of interest on the Loan then due and payable to the respective Lenders.

12.6 SHARING OF PAYMENTS, ETC.

Lenders agree among themselves that (i) with respect to all amounts received by them which are applicable to the payment of the obligations of Borrower, Operating Lessee or Guarantor under the Loan, equitable adjustment will be made so that, in effect, all such amounts will be shared among them ratably in accordance with their Pro Rata Shares in the Loan, whether received by voluntary payment, by counterclaim or cross

action or by the enforcement of any or all of such obligations, (ii) if any of them shall by voluntary payment or by the exercise of any right of counterclaim or otherwise, receive payment of a proportion of the aggregate amount of such obligations held by it which is greater than its Pro Rata Share in the Loan of the payments on account of such obligations, the one receiving such excess payment shall purchase, without recourse or warranty, an undivided interest and participation (which it shall be deemed to have done simultaneously upon the receipt of such payment) in such obligations owed to the others so that all such recoveries with respect to such obligations shall be applied ratably in accordance with such Pro Rata Shares; provided, that if all or part of such excess payment received by the purchasing party is thereafter recovered from it, those purchases shall be rescinded and the purchase prices paid for such participations shall be returned to that party to the extent necessary to adjust for such recovery, but without interest except to the extent the purchasing party is required to pay interest in connection with such recovery. Borrower agrees that any Lender so purchasing participation from another Lender pursuant to this Section 12.6 may, to the fullest extent permitted by law, exercise all its rights of payment with respect to such participation as fully as if such Lender were the direct creditor of Borrower in the amount of such participation.

12.7 COLLATERAL MATTERS; PROTECTIVE ADVANCES.

(a) Each Lender hereby authorizes Administrative Agent, without the necessity of any notice to or further consent from any Lender, from time to time prior to a Default, to take any action with respect to any Collateral, Loan Documents or Other Related Documents which may be necessary to perfect and maintain perfected the Liens upon the Collateral granted pursuant to any of the Loan Documents or Other Related Documents.

(b) The Lenders hereby authorize Administrative Agent, at its option and in its discretion, to release any Lien granted to or held by Administrative Agent upon any Collateral (i) upon termination of the Commitments and indefeasible payment and satisfaction in full of all of obligations of Borrower and Operating Lessee hereunder; (ii) as expressly permitted by, but only in accordance with, the terms of the applicable Loan Document; or (iii) to the extent not covered in clauses (i) and (ii) above, if approved, authorized or ratified in writing by the Lenders. Upon request by Administrative Agent at any time, the Lenders will confirm in writing Administrative Agent's authority to release particular types or items of Collateral pursuant to this Section.

(c) Upon any sale and transfer of Collateral which is expressly permitted pursuant to the terms of this Agreement, and upon at least five (5) Business Days' prior written request by the Borrower or Operating Lessee, Administrative Agent shall (and is hereby irrevocably authorized by the Lenders to) execute such documents as may be necessary to evidence the release of the Liens granted to Administrative Agent for the benefit of the Lenders herein or pursuant hereto upon the Collateral that was sold or transferred; provided, however, that (i) Administrative Agent shall not be required to execute any such document on terms which, in Administrative Agent's opinion, would expose Administrative Agent to liability or create any obligation or entail any consequence other than the release of such Liens without recourse or warranty and (ii) such release shall not in any manner discharge, affect or impair the obligations of Borrower or Operating Lessee or any Liens upon (or obligations of the Borrower, Operating Lessee or any other Loan Party in respect of) all interests retained by the Borrower, Operating Lessee or any other Loan Party, including, without limitation, the proceeds of such sale or transfer, all of which shall continue to constitute part of the Collateral. In the event of any sale or transfer of Collateral, or any foreclosure with respect to any of the Collateral, Administrative Agent shall be authorized to deduct all of the expenses reasonably incurred by Administrative Agent from the proceeds of any such sale, transfer or foreclosure.

(d) Administrative Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral exists or is owned by the Borrower, Operating Lessee or any other Loan Party or is cared for, protected or insured or that the Liens granted to Administrative Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to Administrative Agent in this Section or in any of the Loan Documents or Other Related Documents, it being understood and agreed that in respect of the Collateral, or any act, omission or event related thereto, Administrative Agent may act in any manner it may deem appropriate, in its sole discretion, given Administrative Agent's own interest in the Collateral as one of the Lenders and that Administrative Agent shall have no duty or liability whatsoever to the Lenders, except to the extent resulting from its gross negligence or willful misconduct.

(e) Administrative Agent may make, and shall be reimbursed by the Lenders (in accordance with their Pro Rata Shares) to the extent not reimbursed by the Borrower or Operating Lessee for, advances for the purposes of preserving, maintaining or protecting the Property and the Collateral during any one calendar year up to the sum of (i) amounts expended to pay real estate taxes, assessments and governmental charges or levies imposed upon such Property; (ii) amounts expended to pay insurance premiums for policies of insurance related to such Property; and (iii) \$1,000,000.00. Protective Advances in excess of said sum during any calendar year for any Property that is Collateral shall require the consent of the Requisite Lenders. Borrower agrees to pay on demand all Protective Advances.

(f) Each Lender agrees that it will not take any action, nor institute any actions or proceedings, against Borrower, Operating Lessee or any other obligor hereunder under the Loan Documents or the Other Related Documents with respect to exercising claims against or rights in the Collateral without the written consent of Requisite Lenders.

12.8 **POST-FORECLOSURE PLANS.**

If all or any portion of the Collateral is acquired by Administrative Agent as a result of a foreclosure or the acceptance of a deed or assignment in lieu of foreclosure, or is retained in satisfaction of all or any part of the obligations of Borrower and/or Operating Lessee hereunder, the title to any such Collateral, or any portion thereof, shall be held in the name of Administrative Agent or a nominee or subsidiary of Administrative Agent, as agent, for the ratable benefit of all Lenders. Administrative Agent shall prepare a recommended course of action for such Collateral (a "**Post-Foreclosure Plan**"), which shall be subject to the approval of the Requisite Lenders. In accordance with the approved Post-Foreclosure Plan, Administrative Agent shall manage, operate, repair, administer, complete, construct, restore or otherwise deal with the Collateral acquired, and shall administer all transactions relating thereto, including, without limitation, employing a management agent, leasing agent and other agents, contractors and employees, including agents for the sale of such Collateral, and the collecting of rents and other sums from such Collateral and paying the expenses of such Collateral. Actions taken by Administrative Agent with respect to the Collateral, which are not specifically provided for in the approved Post-Foreclosure Plan or reasonably incidental thereto, shall require the written consent of the Requisite Lenders by way of supplement to such Post-Foreclosure Plan. Upon demand therefor from time to time, each Lender will contribute its share (based on its Pro Rata Share) of all reasonable costs and expenses incurred by Administrative Agent pursuant to the approved Post-Foreclosure Plan in connection with the construction, operation, management, maintenance, leasing and sale of such Collateral. In addition, Administrative Agent shall render or cause to be rendered to each Lender, on a monthly basis, an income and expense statement for such Collateral, and each Lender shall promptly contribute its Pro Rata Share of any operating

loss for such Collateral, and such other expenses and operating reserves as Administrative Agent shall deem reasonably necessary pursuant to and in accordance with the approved Post-Foreclosure Plan. To the extent there is net operating income from such Collateral, Administrative Agent shall, in accordance with the approved Post-Foreclosure Plan, determine the amount and timing of distributions to the Lenders. All such distributions shall be made to the Lenders in accordance with their respective Pro Rata Shares. The Lenders acknowledge and agree that if title to any Collateral is obtained by Administrative Agent or its nominee, such Collateral will not be held as a permanent investment but will be liquidated as soon as practicable. Administrative Agent shall undertake to sell such Collateral, at such price and upon such terms and conditions as the Requisite Lenders reasonably shall determine to be most advantageous to the Lenders. Any purchase money mortgage or deed of trust taken in connection with the disposition of such Collateral in accordance with the immediately preceding sentence shall name Administrative Agent, as agent for the Lenders, as the beneficiary or mortgagee. In such case, Administrative Agent and the Lenders shall enter into an agreement with respect to such purchase money mortgage or deed of trust defining the rights of the Lenders in the same Pro Rata Shares as provided hereunder, which agreement shall be in all material respects similar to this Article insofar as the same is appropriate or applicable.

12.9 APPROVALS OF LENDERS.

All communications from Administrative Agent to any Lender requesting such Lender's determination, consent, approval or disapproval (a) shall be given in the form of a written notice to such Lender, (b) shall be accompanied by a description of the matter or issue as to which such determination, approval, consent or disapproval is requested, or shall advise such Lender where information, if any, regarding such matter or issue may be inspected, or shall otherwise describe the matter or issue to be resolved, (c) shall include, if reasonably requested by such Lender and to the extent not previously provided to such Lender, written materials and a summary of all oral information provided to Administrative Agent by the Borrower and Operating Lessee in respect of the matter or issue to be resolved, and (d) shall include Administrative Agent's recommended course of action or determination in respect thereof. Unless a Lender shall give written notice to Administrative Agent that it specifically objects to the recommendation or determination of Administrative Agent within ten (10) Business Days (or such lesser or greater period as may be specifically required under the express terms of the Loan Documents or Other Related Documents) of receipt of such communication, such Lender shall be deemed to have conclusively approved of or consented to such recommendation or determination.

12.10 NOTICE OF DEFAULTS.

Administrative Agent shall not be deemed to have knowledge or notice of the occurrence of a Default or Potential Default unless Administrative Agent has received notice from a Lender or the Borrower or Operating Lessee referring to this Agreement, describing with reasonable specificity such Default or Potential Default and stating that such notice is a "notice of default". If any Lender (excluding the Lender which is also serving as Administrative Agent) becomes aware of any Default or Potential Default, it shall promptly send to Administrative Agent such a "notice of default". Further, if Administrative Agent receives such a "notice of default," Administrative Agent shall give prompt notice thereof to the Lenders.

12.11 ADMINISTRATIVE AGENT'S RELIANCE, ETC.

Notwithstanding any other provisions of this Agreement, any other Loan Documents or the Other Related Documents, neither Administrative Agent nor any of its directors, officers, agents, employees or counsel shall be liable for any action taken or not taken by it under or in connection with this Agreement or any other Loan Document, except for its or their own gross negligence or willful misconduct in connection with its duties expressly set forth herein or therein. Without limiting the generality of the foregoing, Administrative Agent: may consult with legal counsel (including its own counsel or counsel for the Borrower, Operating Lessee or any other Loan Party), independent public accountants and other experts

selected by it and shall not be liable for any action taken or omitted to be taken in good faith by it in accordance with the advice of such counsel, accountants or experts. Neither Administrative Agent nor any of its directors, officers, agents, employees or counsel: (a) makes any warranty or representation to any Lender or any other Person and shall be responsible to any Lender or any other Person for any statement, warranty or representation made or deemed made by the Borrower, Operating Lessee, any other Loan Party or any other Person in or in connection with this Agreement or any other Loan Document; (b) shall have any duty to ascertain or to inquire as to the performance or observance of any of the terms, covenants or conditions of this Agreement or any other Loan Document or the satisfaction of any conditions precedent under this Agreement or any Loan Document on the part of the Borrower, Operating Lessee or other Persons or inspect the property, books or records of the Borrower, Operating Lessee or any other Person; (c) shall be responsible to any Lender for the due execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement or any other Loan Document, any other instrument or document furnished pursuant thereto or any Collateral covered thereby or the perfection or priority of any Lien in favor of Administrative Agent on behalf of the Lenders in any such Collateral; (d) shall have any liability in respect of any recitals, statements, certifications, representations or warranties contained in any of the Loan Documents or Other Related Documents or any other document, instrument, agreement, certificate or statement delivered in connection therewith; and (e) shall incur any liability under or in respect of this Agreement or any other Loan Document by acting upon any notice, consent, certificate or other instrument or writing (which may be by telephone, telecopy or electronic mail) believed by it to be genuine and signed, sent or given by the proper party or parties. Administrative Agent may execute any of its duties under the Loan Documents or Other Related Documents by or through agents, employees or attorneys-in-fact and shall not be responsible for the negligence or misconduct of any agent or attorney-in-fact that it selects in the absence of gross negligence or willful misconduct.

12.12 **INDEMNIFICATION OF ADMINISTRATIVE AGENT.**

Regardless of whether the transactions contemplated by this Agreement, the other Loan Documents and Other Related Documents are consummated, each Lender agrees to indemnify Administrative Agent (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so pursuant to the terms of this Agreement) pro rata in accordance with such Lender's respective Pro Rata Share, from and against any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever which may at any time be imposed on, incurred by, or asserted against Administrative Agent (in its capacity as Administrative Agent but not as a "Lender") in any way relating to or arising out of the Loan Documents or Other Related Documents, any transaction contemplated hereby or thereby or any action taken or omitted by Administrative Agent under the Loan Documents and Other Related Documents (collectively, "**Indemnifiable Amounts**"); provided, however, that no Lender shall be liable for any portion of such Indemnifiable Amounts to the extent resulting from Administrative Agent's gross negligence or willful misconduct as determined by a court of competent jurisdiction in a final, non-appealable judgment; provided, further, however, that no action taken in accordance with the directions of the Requisite Lenders shall be deemed to constitute gross negligence or willful misconduct for purposes of this Section. Without limiting the generality of the foregoing, each Lender agrees to reimburse Administrative Agent (to the extent not reimbursed by the Borrower and without limiting the obligation of the Borrower to do so pursuant to the terms of this Agreement) promptly upon demand for its ratable share of any out-of-pocket expenses (including the reasonable fees and expenses of the counsel to Administrative Agent) incurred by Administrative Agent in connection with the preparation, negotiation, execution, administration, or enforcement (whether through negotiations, legal proceedings, or otherwise) of, or legal advice with respect to the rights or responsibilities of the parties under, the Loan Documents and Other Related Documents, any suit or action brought by Administrative Agent to enforce the terms of the Loan Documents and Other Related Documents and/or collect any obligation of Borrower or Operating Lessee hereunder, any "lender liability" suit or claim brought against Administrative Agent and/or the Lenders, and any claim or suit brought against Administrative Agent and/or the Lenders arising

under any Hazardous Materials Laws. Such out-of-pocket expenses (including counsel fees) shall be advanced by the Lenders on the request of Administrative Agent notwithstanding any claim or assertion that Administrative Agent is not entitled to indemnification hereunder upon receipt of an undertaking by Administrative Agent that Administrative Agent will reimburse the Lenders if it is actually and finally determined by a court of competent jurisdiction that Administrative Agent is not so entitled to indemnification. The agreements in this Section shall survive the payment of the Loans and all other amounts payable hereunder or under the other Loan Documents or Other Related Documents and the termination of this Agreement. If the Borrower or Operating Lessee shall reimburse Administrative Agent for any Indemnifiable Amount following payment by any Lender to Administrative Agent in respect of such Indemnifiable Amount pursuant to this Section, Administrative Agent shall share such reimbursement on a ratable basis with each Lender making any such payment.

12.13 LENDER CREDIT DECISION, ETC.

Each Lender expressly acknowledges and agrees that neither Administrative Agent nor any of its officers, directors, employees, agents, counsel, attorneys-in-fact or other Affiliates has made any representations or warranties to such Lender and that no act by Administrative Agent hereafter taken, including any review of the affairs of the Borrower, Operating Lessee, any other Loan Party or Affiliate, shall be deemed to constitute any such representation or warranty by Administrative Agent to any Lender. Each Lender acknowledges that it has, independently and without reliance upon Administrative Agent, any other Lender or counsel to Administrative Agent, or any of their respective officers, directors, employees, agents or counsel, and based on the financial statements of the Borrower, Operating Lessee, the other Loan Parties or Affiliates, and inquiries of such Persons, its independent due diligence of the business and affairs of the Borrower, the other Loan Parties and other Persons, its review of the Loan Documents and the Other Related Documents, the legal opinions required to be delivered to it hereunder, the advice of its own counsel and such other documents and information as it has deemed appropriate, made its own credit and legal analysis and decision to enter into this Agreement and the transactions contemplated hereby. Administrative Agent shall not be required to keep itself informed as to the performance or observance by the Borrower, Operating Lessee or any other Loan Party of the Loan Documents or Other Related Documents or any other document referred to or provided for therein or to inspect the properties or books of, or make any other investigation of, the Borrower, Operating Lessee or any other Loan Party. Except for notices, reports and other documents and information expressly required to be furnished to the Lenders by Administrative Agent under this Agreement, any of the other Loan Documents or Other Related Documents, Administrative Agent shall have no duty or responsibility to provide any Lender with any credit or other information concerning the business, operations, property, financial and other condition or creditworthiness of the Borrower, Operating Lessee, any other Loan Party or any other Affiliate thereof which may come into possession of Administrative Agent or any of its officers, directors, employees, agents, attorneys-in-fact or other Affiliates. Each Lender acknowledges that Administrative Agent's legal counsel in connection with the transactions contemplated by this Agreement is only acting as counsel to Administrative Agent and is not acting as counsel to such Lender.

12.14 SUCCESSOR ADMINISTRATIVE AGENT.

Administrative Agent may resign at any time as Administrative Agent under the Loan Documents and Other Related Documents by giving written notice thereof to the Lenders and the Borrower. Upon any such resignation, the Requisite Lenders shall have the right to appoint a successor Administrative Agent which appointment shall, provided no Default or Potential Default exists, be subject to the Borrower's approval,

which approval shall not be unreasonably withheld or delayed (except that the Borrower shall, in all events, be deemed to have approved each Lender and any of its Affiliates as a successor Administrative Agent). If no successor Administrative Agent shall have been so appointed in accordance with the immediately preceding sentence, and shall have accepted such appointment, within thirty (30) days after the current Administrative Agent's giving of notice of resignation, then the current Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent, which shall be a Lender, if any Lender shall be willing to serve, and otherwise shall be an Eligible Assignee. Borrower's compliance with this Section shall operate to prevent such claim, demand, levy or assessment from becoming a Default.

13.8 RELATIONSHIP OF PARTIES.

The relationship of Borrower, Administrative Agent and Lenders under the Loan Documents and Other Related Documents is, and shall at all times remain, solely that of borrower and lender, and Administrative Agent and Lenders neither undertake nor assume any responsibility or duty to Borrower, Operating Lessee or to any third party with respect to the Property or Improvements, except as expressly provided in this Agreement, the other Loan Documents and the Other Related Documents.

13.9 DELAY OUTSIDE ADMINISTRATIVE AGENT'S AND LENDERS' CONTROL.

No Lender or Administrative Agent shall be liable in any way to Borrower, Operating Lessee or any third party for Administrative Agent's or such Lender's failure to perform or delay in performing under the Loan Documents (and Administrative Agent or any Lender may suspend or terminate all or any portion of Administrative Agent's or such Lender's obligations under the Loan Documents) if such failure to perform or delay in performing results directly or indirectly from, or is based upon, the action, inaction, or purported action, of any governmental or local authority, or because of war, rebellion, insurrection, strike, lock-out, boycott or blockade (whether presently in effect, announced or in the sole judgment of Administrative Agent or such Lender deemed probable), or from any Act of God or other cause or event beyond Administrative Agent's or such Lender's control.

13.10 ATTORNEYS' FEES AND EXPENSES; ENFORCEMENT.

If any attorney is engaged by Administrative Agent or any Lender to enforce or defend any provision of this Agreement, any of the other Loan Documents or Other Related Documents, or as a consequence of any Default under the Loan Documents or Other Related Documents, with or without the filing of any legal action or proceeding, and including, without limitation, any fees and expenses incurred in any bankruptcy proceeding or in connection with any appeal of a lower court decision, then Borrower shall immediately pay to Administrative Agent or such Lender, upon demand, the amount of all reasonable attorneys' fees and expenses and all costs incurred by Administrative Agent or such Lender in connection therewith, including all trial and appellate proceedings in any legal action, suit, bankruptcy or other proceeding, together with interest thereon from the date of such demand until paid at the rate of interest applicable to the principal balance of the Loan. Prior to a Default, the Lenders will use commercially reasonable efforts to minimize the fees and expenses of legal counsel for the Lenders which are subject to reimbursement by the Borrower hereunder by considering the usage of one law firm to represent the Lenders and Administrative Agent if appropriate under the circumstances.

13.11 IMMEDIATELY AVAILABLE FUNDS.

Unless otherwise expressly provided for in this Agreement, all amounts payable by Borrower or Operating Lessee to Administrative Agent or any Lender shall be payable only in United States Dollars, immediately available funds.

13.12 AMENDMENTS AND WAIVERS.

(a) Generally. Except as otherwise expressly provided in this Agreement, (i) any consent or approval required or permitted by this Agreement or in any Loan Document to be given by the Lenders may be given, (ii) any term of this Agreement or of any other Loan Document may be amended, (iii) the performance or observance by the Borrower, Operating Lessee or any other Loan Party of any terms of this Agreement or such other Loan Document may be waived, and (iv) the existence of any Default may be waived (either generally or in a particular instance and either retroactively or prospectively) with, but only with, the written consent of the Requisite Lenders (or Administrative Agent at the written direction of the Requisite Lenders), and, in the case of an amendment to any Loan Document, the written consent of each Loan Party which is party thereto. Notwithstanding the previous sentence, Administrative Agent, shall be authorized on behalf of all the Lenders, without the necessity of any notice to, or further consent from, any Lender, to waive the imposition of the late fees provided in Section 2.6(c), up to a maximum of three (3) times per calendar year.

(b) Unanimous Consent. Notwithstanding the foregoing, no amendment, waiver or consent shall, unless in writing, and signed by all of the Lenders (or Administrative Agent at the written direction of the Lenders), do any of the following:

- (i) increase the Commitments of the Lenders (excluding any increase as a result of an assignment of Commitments permitted under Section 13.13) or subject the Lenders to any additional obligations;
- (ii) reduce the principal of, or interest that has accrued or interest rates that will be charged on the outstanding principal amount of, the Loan;
- (iii) reduce the amount of any fees payable to the Lenders hereunder;
- (iv) postpone any date fixed for any payment of principal of, or interest on, the Loan (including, without limitation, the Maturity Date) or for the payment of fees or any other obligations of Borrower, Operating Lessee or Guarantor;
- (v) change the Pro Rata Shares (excluding any change as a result of an assignment of Commitments permitted under Section 13.13);
- (vi) amend this Section or amend the definitions of the terms used in this Agreement or the other Loan Documents insofar as such definitions affect the substance of this Section;
- (vii) modify the definition of the term "Requisite Lenders" or modify in any other manner the number or percentage of the Lenders required to make any determinations or waive any rights hereunder or to modify any provision hereof;
- (viii) release of any Guarantor from its obligations under the Guaranty or the Hazardous Materials Indemnity or reduce any material obligations of any Guarantor under the Guaranty or the Hazardous Materials Indemnity (except as provided in Section 9.15(d));
- (ix) release of Borrower from its obligations under the Loan Documents;
- (x) waive a Default under Section 11.1(a);
- (xi) release or dispose of any material portion of the Collateral unless released or disposed of as permitted by, and in accordance with, Section 12.7; or
- (xii) permit additional indebtedness for borrowed money secured by the Property of the Borrower.

(c) Amendment of Administrative Agent's Duties, Etc. No amendment, waiver or consent unless in writing and signed by Administrative Agent, in addition to the Lenders required hereinabove to take such action, shall affect the rights or duties of Administrative Agent under this Agreement, any of the other Loan Documents or Other Related Documents. No waiver shall extend

to or affect any obligation not expressly waived or impair any right consequent thereon and any amendment, waiver or consent shall be effective only in the specific instance and for the specific purpose set forth therein. No course of dealing or delay or omission on the part of Administrative Agent or any Lender in exercising any right shall operate as a waiver thereof or otherwise be prejudicial thereto. Any Default occurring hereunder shall continue to exist until such time as such Default is waived in writing in accordance with the terms of this Section, notwithstanding any attempted cure or other action by the Borrower, Operating Lessee, any other Loan Party or any other Person subsequent to the occurrence of such Default. Except as otherwise explicitly provided for herein or in any other Loan Document, no notice to or demand upon the Borrower or Operating Lessee shall entitle the Borrower or Operating Lessee to other or further notice or demand in similar or other circumstances. Furthermore, Borrower and Operating Lessee shall be entitled to rely on consents and approvals executed by Administrative Agent without investigation as to the existence of proper Lender authorization.

(d) **Benchmark Replacement Amendment.** The Administrative Agent may, without the consent of any Lender but subject to Borrower's consent (such consent not to be unreasonably withheld, delayed or conditioned), enter into amendments or modifications to this Agreement or any of the other Loan Documents or to enter into additional Loan Documents as the Administrative Agent reasonably deems appropriate in order to implement any Benchmark Replacement or otherwise effectuate the terms of Exhibit J.

13.13 **SUCCESSORS AND ASSIGNS.**

(a) **Generally.** The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns, except neither the Borrower nor Operating Lessee may assign or otherwise transfer any of its rights under this Agreement without the prior written consent of all the Lenders (and any such assignment or transfer to which all of the Lenders have not consented shall be void).

(b) Participations.

(i) Any Lender may at any time grant to an Affiliate of such Lender, or one or more banks or other financial institutions (each a "**Participant**") participating interests in its Commitment or the obligations owing to such Lender hereunder. Except as provided under Section 13.13(b)(ii), no Participant shall have any rights or benefits under this Agreement or any other Loan Document. In the event of any such grant by a Lender of a participating interest to a Participant, such Lender shall remain responsible for the performance of its obligations hereunder, and the Borrower and Administrative Agent shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement. Any agreement pursuant to which any Lender may grant such a participating interest shall provide that such Lender shall retain the sole right and responsibility to enforce the obligations of the Borrower hereunder including, without limitation, the right to approve any amendment, modification or waiver of any provision of this Agreement; provided, however, such Lender may agree with the Participant that it will not, without the consent of the Participant, agree to (i) increase such Lender's Commitment, (ii) extend the date fixed for the payment of principal on the Loan or a portion thereof owing to such Lender, or (iii) reduce the rate at which interest is payable thereon. An assignment or other transfer which is not permitted by subsection (c) below shall be given effect for purposes of this Agreement only to the extent of a participating interest granted in accordance with this subsection (b).

(ii) Each of the Borrower and Operating Lessee agrees that each Participant shall be entitled to the benefits of Sections 13.14 and 13.18 (subject to the requirements and limitations therein, including the requirements under Section 13.18(g) (it being understood that the documentation required under Section 13.18(g) shall be delivered to the participating Lender)) to the same extent as if it were a Lender and had acquired its interest by assignment pursuant to paragraph (c) of this Section; provided that such Participant (A) agrees to be subject to the provisions of Section 13.14(i) as if it were an assignee under paragraph (c) of this Section; and (B) shall not be entitled to receive any greater payment under Sections 13.14 or 13.18 with respect to any participation, than its participating Lender would have been entitled to receive, except to the extent such entitlement to receive a greater payment results from a change in applicable law that occurs after the Participant acquired the applicable participation. Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant's interest in the Loans or other obligations under the Loan Documents (the "Participant Register"); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any Participant or any information relating to a Participant's interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(c) Assignments. Any Lender may with the prior written consent of Administrative Agent and Borrower (which consent shall not be unreasonably withheld) at any time assign to one or more Eligible Assignees (each an "Assignee") all or a portion of its rights and obligations under this Agreement and the Notes; provided, however, (i) no such consent by the Borrower shall be required (x) if a Default shall exist or (y) in the case of an assignment to another Lender or an Affiliate of a Lender; (ii) any partial assignment shall be in an amount at least equal to \$20,000,000 and after giving effect to such assignment the assigning Lender retains a Commitment, or if the Commitments have been terminated, holds a Note having an outstanding principal balance, of at least \$20,000,000, (iii) Borrower's consent shall be deemed granted, unless Borrower specifically objects in writing within five (5) Business Days after Administrative Agent provides a request for Borrower's approval hereunder and (iv) each such assignment shall be effected by means of an Assignment and Assumption Agreement, a copy of which shall be delivered to both Administrative Agent and the Borrower. Upon execution and delivery of such instrument and payment by such Assignee to such transferor Lender of an amount equal to the purchase price agreed between such transferor Lender and such Assignee, such Assignee shall be deemed to be a Lender party to this Agreement and shall have all the rights and obligations of a Lender with a Commitment as set forth in such Assignment and Assumption Agreement, and the transferor Lender shall be released from its obligations hereunder to a corresponding extent, and no further consent or action by any party shall be required. Upon the consummation of any assignment pursuant to this subsection (c), the transferor Lender, Administrative Agent and the Borrower shall make appropriate arrangement so the new Notes are issued to the Assignee and such transferor Lender, as appropriate. In connection with any such assignment, the transferor Lender shall pay to Administrative Agent an administrative fee for processing such assignment in the amount of \$4,500, unless the transferor Lender is a Defaulting Lender, then \$7,500. Anything in this Section to the contrary notwithstanding, no Lender may assign or participate any interest in any Loan held by it hereunder to the Borrower or any Guarantor, or any of their respective Affiliates or subsidiaries.

(d) Administrative Agent, acting solely for this purpose as an agent of the Borrower, shall maintain at one of its offices in the United States a copy of each Assignment and Assumption Agreement delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitments of, and principal amounts (and stated interest) of the Loans owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive absent manifest error, and the Borrower, Administrative Agent and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement. The Register shall be available for inspection by the Borrower and any Lender, at any reasonable time and from time to time upon reasonable prior notice.

(e) Federal Reserve Bank Assignments. In addition to the assignments and participations permitted under the foregoing provisions of the Section, and without the need to comply with any of the formal or procedural requirements of this Section (other than the provisions of Section 13.13(d)), any Lender may at any time and from time to time, pledge and assign all or any portion of its rights under all or any of the Loan Documents and Other Related Documents to a Federal Reserve Bank or a pledgee described in subsection (b) of the definition of “Performing Defaulting Pfandbrief Lender” to support obligations of such Lender; provided that no such pledge of assignment shall release such Lender from its obligation thereunder.

(f) Information to Assignee, Etc. A Lender may furnish any information concerning the Borrower, Operating Lessee, any subsidiary or any other Loan Party in the possession of such Lender from time to time to Assignees and Participants (including prospective Assignees and Participants). In connection with such negotiation, execution and delivery, each of Borrower and Operating Lessee authorizes Administrative Agent and Lenders to communicate all information and documentation related to the Loan (whether to Borrower, to Operating Lessee or to any Participant, Assignee, legal counsel, appraiser or other necessary party) directly by e-mail, fax, or other electronic means used to transmit information. Information provided with respect to a Guarantor shall be subject to the applicable Lender’s confidentiality restrictions as customarily used in connection with transactions similar to this Loan.

(g) Affected Lenders. If a Lender is a Defaulting Lender then, so long as no Default or Potential Default exists, Borrower may demand, within ten (10) Business Days after Borrower receives notice that such Lender (the “**Affected Lender**”) is a Defaulting Lender, that such Affected Lender assign its Commitment to an Eligible Assignee in accordance with this Section 13.13. Upon such demand by Borrower the Affected Lender shall promptly assign its Commitment to an Eligible Assignee subject to and in accordance with the provisions of Section 13.13 above for a purchase price equal to (x) the aggregate principal balance of all Loans then owing to the Affected Lender, plus (y) any accrued but unpaid interest thereon and accrued but unpaid fees owing to the Affected Lender, or any other amount as may be mutually agreed upon by such Affected Lender and Eligible Assignee. Each of Administrative Agent and the Affected Lender shall reasonably cooperate in effectuating the replacement of such Affected Lender under this Section and shall use commercially reasonable and diligent efforts to assist Borrower to procure a replacement of such Affected Lender, but at no time shall Administrative Agent, such Affected Lender nor any other Lender nor any titled agent be obligated to initiate any such replacement. The exercise by the Borrower of its rights under this Section shall be at the Borrower’s sole cost and expense and at no cost or expense to Administrative Agent, the Affected

Lender or any of the other Lenders. The terms of this Section shall not in any way limit the Borrower's obligation to pay to any Affected Lender compensation or Additional Costs owing to such Affected Lender pursuant to this Agreement with respect to any period up to the date of replacement.

13.14 **ADDITIONAL COSTS; CAPITAL ADEQUACY.**

(a) **Capital Adequacy.** If any Lender or any Participant in the Loan determines that compliance with any law or regulation or with any guideline or request from any central bank or other Governmental Authority (whether or not having the force of law) affects or would affect the amount of capital required or expected to be maintained by such Lender or such Participant, or any corporation controlling such Lender or such Participant, as a consequence of, or with reference to, such Lender's or such Participant's or such corporation's Commitments or its making or maintaining Loans below the rate which such Lender or such Participant or such corporation controlling such Lender or such Participant could have achieved but for such compliance (taking into account the policies of such Lender or such Participant or corporation with regard to capital), then the Borrower shall, from time to time, within thirty (30) calendar days after written demand by such Lender or such Participant, pay to such Lender or such Participant additional amounts sufficient to compensate such Lender or such Participant or such corporation controlling such Lender or such Participant to the extent that such Lender or such Participant determines such increase in capital is allocable to such Lender's or such Participant's obligations hereunder; provided that such amounts are charged to similarly situated borrowers of such Lender. Conclusive evidence that such amounts are charged to similarly situated borrowers shall be based on a certification from such Lender that to the extent there are similarly situated borrowers, Borrower is not being treated differently from any such similarly situated borrowers.

(b) **Additional Costs.** In addition to, and not in limitation of the immediately preceding clause (a), the Borrower shall promptly pay to Administrative Agent within twelve (12) Business Days following written demand therefor for the account of a Lender from time to time such amounts as such Lender may determine to be necessary in good faith to compensate such Lender for any costs incurred by such Lender that it determines are attributable to its making, maintaining or converting any Benchmark Loan or its obligation to make any Benchmark Loan or hereunder, any reduction in any amount receivable by such Lender under this Agreement or any of the other Loan Documents in respect of any of such Benchmark Loan or such obligation or the maintenance by such Lender of capital in respect of its Benchmark Loans or its Commitments (such increases in costs and reductions in amounts receivable being herein called "**Additional Costs**"), resulting from any Regulatory Change that: (i) changes the basis of taxation of any amounts payable to such Lender under this Agreement or any of the other Loan Documents in respect of any of such Benchmark Loans or its Commitments (other than Excluded Taxes), or (ii) imposes or modifies any reserve, special deposit or similar requirements (including without limitation, Regulation D of the Board of Governors of the Federal Reserve System or other similar reserve requirement applicable to any other category of liabilities or category of extensions of credit or other assets by reference to which the interest rate on Benchmark Loans are determined) relating to any extensions of credit or other assets of, or any deposits with or other liabilities of, or other credit extended by, or any other acquisition of funds by such Lender (or its parent corporation), or any commitment of such Lender (including, without limitation, the Commitments of such Lender hereunder) or (iii) has or would have the effect of reducing the rate of return on capital of such Lender to a level below that which such Lender could have achieved but for such Regulatory Change (taking into consideration such Lender's policies with respect to capital adequacy).

(c) Lender's Suspension of Benchmark Loans. Without limiting the effect of the provisions of Section 13.14 (a) and (b), if by reason of any Regulatory Change, any Lender either (i) incurs Additional Costs based on or measured by the excess above a specified level of the amount of a category of deposits or other liabilities of such Lender that includes deposits by reference to which the interest rate on Benchmark Loans is determined as provided in this Agreement or a category of extensions of credit or other assets of such Lender that includes Benchmark Loans or (ii) becomes subject to restrictions on the amount of such a category of liabilities or assets that it may hold, then, if such Lender so elects by notice to the Borrower (with a copy to Administrative Agent), the obligation of such Lender to make or continue Benchmark Loans, or to convert Base Rate Loans into Benchmark Loans, shall be suspended until such Regulatory Change ceases to be in effect (in which case the provisions of Section 13.14(h) shall apply).

(d) Intentionally Omitted.

(e) Notification and Determination of Additional Costs. Each of Administrative Agent, each Lender, and each Participant, as the case may be, agrees to notify the Borrower of any event occurring after the date hereof entitling Administrative Agent, such Lender or such Participant to compensation under any of the preceding subsections of this Section as promptly as practicable; provided, however, that the failure of Administrative Agent, any Lender or any Participant to give such notice shall not release the Borrower or Operating Lessee from any of its obligations hereunder. Administrative Agent, each Lender and each Participant, as the case may be, agrees to furnish to the Borrower a certificate setting forth the basis and amount of each request for compensation under this Section. Determinations by Administrative Agent, such Lender, or such Participant, as the case may be, of the effect of any Regulatory Change shall be conclusive and binding for all purposes, absent manifest error.

(f) Suspension of Benchmark Loans. Anything herein to the contrary notwithstanding, if, on or prior to the determination of the Benchmark rate of interest for any Interest Period, Administrative Agent reasonably determines (which determination shall be conclusive absent manifest error) that:

(i) Dollar deposits are not being offered to banks in the applicable market or at the applicable rate of the then Benchmark for the applicable amount and Interest Period;

(ii) that reasonable and adequate means do not exist for the ascertaining the Benchmark for such Interest Period; or

(iii) that the relevant rates of interest referred to in the definition of Benchmark upon the basis of which the rate of interest for Benchmark Loans for such Interest Period is to be determined are not likely to adequately cover the cost to any Lender of making or maintaining Benchmark Loans for such Interest Period,

then Administrative Agent shall give the Borrower and each Lender prompt notice thereof and, so long as such condition remains in effect, the Lenders shall be under no obligation to, and shall not, make additional Benchmark Loans, continue Benchmark Loans or convert Base Rate Loans into Benchmark Loans and the Borrower shall, on the last day of each current Interest Period for each outstanding Benchmark Loan, either prepay such Loan or convert such Loan into a Base Rate Loan. Lender shall as soon as practical after cessation of the conditions giving rise to the termination of the Benchmark Loans, notify Borrower of the same and unless otherwise directed by Borrower, all Base Rate Loans shall immediately be converted to a Benchmark Loan.

(g) Illegality. Notwithstanding any other provision of this Agreement, if any Lender shall determine (which determination shall be conclusive and binding) that it is unlawful for such Lender to honor its obligation to make or maintain Benchmark Loans hereunder, then such Lender shall promptly notify the Borrower thereof (with a copy of such notice to Administrative Agent) and such Lender's obligation to make or continue, or to convert Loans into Benchmark Loans shall be suspended until such time as such Lender may again make and maintain Benchmark Loans (in which case the provisions of Section 13.14(h) shall be applicable).

(h) Treatment of Affected Loans. If the obligation of any Lender to make Benchmark Loans or to continue Benchmark Loans, or to convert Base Rate Loans into Benchmark Loans shall be suspended pursuant to Section 13.14(c), Section 13.14(f), or Section 13.14(g) then such Lender's Benchmark Loans shall be automatically converted into Base Rate Loans on the last day(s) of the then current Interest Period(s) for Benchmark Loans (or, in the case of a conversion required by Section 13.14(c), Section 13.14(f), or Section 13.14(g), on such earlier date as such Lender may specify to the Borrower with a copy to Administrative Agent) and, unless and until such Lender gives notice as provided below that the circumstances specified in this Section that gave rise to such conversion no longer exist:

(i) to the extent that such Lender's Benchmark Loans have been so converted, all payments and prepayments of principal that would otherwise be applied to such Lender's Benchmark Loans shall be applied instead to its Base Rate Loans; and

(ii) all Loans that would otherwise be made or continued by such Lender as Benchmark Loans shall be made or continued instead as Base Rate Loans, and all Base Rate Loans of such Lender that would otherwise be converted into Benchmark Loans shall remain as Base Rate Loans.

If such Lender gives notice to the Borrower (with a copy to Administrative Agent) that the circumstances specified in Section 13.14(c), Section 13.14(f), or Section 13.14(g) that gave rise to the conversion of such Lender's Benchmark Loans pursuant to this Section no longer exist (which such Lender agrees to do promptly upon such circumstances ceasing to exist) at a time when Benchmark Loans made by other Lenders are outstanding, then such Lender's Base Rate Loans shall be automatically converted, on the first day(s) of the next succeeding Interest Period(s) for such outstanding Benchmark Loans, to the extent necessary so that, after giving effect thereto, all Loans held by the Lenders holding Benchmark Loans and by such Lender are held pro rata (as to principal amounts and Interest Periods) in accordance with their respective Commitments.

(i) Change of Lending Office. Each Lender agrees that it will use reasonable efforts (consistent with its internal policy and legal and regulatory restrictions) to designate an alternate Lending Office with respect to any of its Loans affected by the matters or circumstances described in Section 13.14(a), Section 13.14(b), Section 13.14(c), Section 13.14(f), Section 13.14(g) or Section 13.18(b) to reduce the liability of the Borrower or avoid the results provided thereunder, so long as such designation is not disadvantageous to such Lender as determined by such Lender in its sole discretion, except that such Lender shall have no obligation to designate a Lending Office located in the United States of America.

(j) Assumptions Concerning Funding Benchmark Loans. Calculation of all amounts payable to a Lender under this Section 13.14 shall be made as though such Lender had actually funded Benchmark Loans through the purchase of deposits in the relevant market bearing interest at the rate applicable to such Benchmark Loans in an amount equal to the amount of the Benchmark Loans; provided, however, that each Lender may fund each of its Benchmark Loans in any manner it sees fit and the foregoing assumption shall be used only for calculation of amounts payable under this Article.

(k) Benchmark Replacement. Notwithstanding anything to the contrary set forth in this Agreement or any of the other Loan Documents, the LIBO Rate and any Benchmark Replacement shall be subject to replacement in accordance with the terms of conditions of Exhibit J.

13.15 SIGNS.

Administrative Agent may place on the Property reasonable signs standard to construction loan transactions in a location and in form reasonably approved by Borrower stating that construction financing is being provided by Lenders; provided, however that such signs conform to applicable zoning ordinances and laws and are paid for by Administrative Agent.

13.16 LENDERS' AGENTS.

Administrative Agent and/or any Lender may designate an agent or independent contractor to exercise any of such Person's rights under this Agreement, any of the other Loan Documents and Other Related Documents. Any reference to Administrative Agent or any Lender in any of the Loan Documents or Other Related Documents shall include Administrative Agent's and such Lender's agents, employees or independent contractors. Borrower shall pay the costs of such agent or independent contractor either directly to such person or to Administrative Agent or such Lender in reimbursement of such costs, as applicable.

13.17 TAX SERVICE.

Administrative Agent, on behalf of Lenders, is authorized to secure, at Borrower's expense, a tax service contract with a third party vendor which shall provide tax information on the Property satisfactory to Administrative Agent.

13.18 TAXES.

(a) Applicable Law. For purposes of this Section, the term "applicable law" includes FATCA.

(b) Payments Free of Taxes. Any and all payments by or on account of any obligation of the Borrower, Operating Lessee or any other Loan Party to Administrative Agent or any Lender under any Loan Document or Other Related Document shall be made without deduction or withholding for any Taxes, except as required by applicable law. If any applicable law (as determined in the good faith discretion of an applicable Withholding Agent) requires the deduction or withholding of any Tax from any such payment by a Withholding Agent, then the applicable Withholding Agent shall be entitled to make such deduction or withholding and shall timely pay the full amount deducted or withheld to the relevant Governmental Authority in accordance with applicable law and, if such Tax is an Indemnified Tax, then the sum payable by the Borrower, Operating Lessee or other applicable Loan Party shall be increased as necessary so that after such deduction or withholding has been made (including such deductions and withholdings applicable to additional sums payable under this Section) the applicable Recipient receives an amount equal to the sum it would have received had no such deduction or withholding been made.

(c) Payment of Other Taxes by the Borrower. The Borrower, Operating Lessee and the other Loan Parties shall timely pay to the relevant Governmental Authority in accordance with applicable law, or at the option of Administrative Agent timely reimburse it for the payment of, any Other Taxes.

(d) Indemnification by the Borrower. The Borrower, Operating Lessee and the other Loan Parties shall jointly and severally indemnify each Recipient, within twelve (12) Business Days after demand therefor, for the full amount of any Indemnified Taxes (including Indemnified Taxes imposed or asserted on or attributable to amounts payable under this Section) payable or paid by such Recipient or required to be withheld or deducted from a payment to such Recipient and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Borrower or Operating Lessee by a Lender (with a copy to Administrative Agent), or by Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(e) Indemnification by the Lenders. Each Lender shall severally indemnify Administrative Agent, within ten (10) days after demand therefor, for (i) any Indemnified Taxes attributable to such Lender (but only to the extent that the Borrower or another Loan Party has not already indemnified Administrative Agent for such Indemnified Taxes and without limiting the obligation of the Borrower and the other Loan Parties to do so), (ii) any Taxes attributable to such Lender's failure to comply with any provisions of Loan Documents relating to a Participant Register and (iii) any Excluded Taxes attributable to such Lender, in each case, that are payable or paid by Administrative Agent in connection with any Loan Document or Other Related Document, and any reasonable expenses arising therefrom or with respect thereto, whether or not such Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to any Lender by Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under any Loan Document or Other Related Document or otherwise payable by Administrative Agent to the Lender from any other source against any amount due to Administrative Agent under this subsection.

(f) Evidence of Payments. As soon as practicable after any payment of Taxes by the Borrower, Operating Lessee or any other Loan Party to a Governmental Authority pursuant to this Section, the Borrower, Operating Lessee or such other Loan Party shall deliver to Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to Administrative Agent.

(g) Status of Lenders.

(i) Any Lender that is entitled to an exemption from or reduction of withholding Tax with respect to payments made under any Loan Document or Other Related Document shall deliver to the Borrower and Administrative Agent, at the time or times reasonably requested by the Borrower or Administrative Agent, such properly completed and executed documentation reasonably requested by the Borrower or Administrative Agent as will permit such payments to be made without withholding or at a reduced rate of withholding. In addition, any Lender, if reasonably requested by the Borrower or Administrative Agent, shall deliver such other documentation prescribed by applicable law or reasonably requested by the Borrower or Administrative Agent as will enable the Borrower or Administrative Agent to determine whether or not such Lender is subject to backup withholding or information reporting requirements. Notwithstanding anything to the contrary in the preceding two sentences, the completion, execution and

submission of such documentation (other than such documentation set forth in the immediately following clauses (ii)(A), (ii)(B) and (ii)(D)) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(ii) Without limiting the generality of the foregoing:

(A) any Lender that is a U.S. Person shall deliver to the Borrower and Administrative Agent on or prior to the date on which such Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or Administrative Agent), two executed originals of IRS Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding tax;

(B) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or Administrative Agent), whichever of the following is applicable:

(I) in the case of a Foreign Lender claiming the benefits of an income tax treaty to which the United States is a party (x) with respect to payments of interest under any Loan Document or Other Related Document, executed IRS Form W-8BEN, or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "interest" article of such tax treaty and (y) with respect to any other applicable payments under any Loan Document or Other Related Document, IRS Form W-8BEN or W-8BEN-E, as applicable, establishing an exemption from, or reduction of, U.S. federal withholding Tax pursuant to the "business profits" or "other income" article of such tax treaty;

(II) executed originals of IRS Form W-8ECI;

(III) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 881(c) of the Internal Revenue Code, (x) a certificate substantially in the form of Exhibit H-1 to the effect that such Foreign Lender is not a "bank" within the meaning of Section 881(c)(3)(A) of the Internal Revenue Code, a "10 percent shareholder" of the Borrower or Operating Lessee within the meaning of Section 881(c)(3)(B) of the Internal Revenue Code, or a "controlled foreign corporation" described in Section 881(c)(3)(C) of the Internal Revenue Code (a "**U.S. Tax Compliance Certificate**") and (y) executed originals of IRS Form W-8BEN; or

(IV) to the extent a Foreign Lender is not the beneficial owner, executed originals of IRS Form W-8IMY, accompanied by IRS Form W-8ECI, IRS Form W-8BEN or W-8BEN-E, as applicable, a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-2 or Exhibit H-3, IRS Form W-9, and/or other certification documents from each beneficial owner, as applicable; provided that if the Foreign Lender is a partnership and one or more direct or indirect partners of such Foreign Lender are claiming the portfolio interest exemption, such Foreign Lender may provide a U.S. Tax Compliance Certificate substantially in the form of Exhibit H-4 on behalf of each such direct and indirect partner;

(C) any Foreign Lender shall, to the extent it is legally entitled to do so, deliver to the Borrower and Administrative Agent (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter upon the reasonable request of the Borrower or Administrative Agent), executed originals of any other form prescribed by applicable law as a basis for claiming exemption from or a reduction in U.S. federal withholding Tax, duly completed, together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower or Administrative Agent to determine the withholding or deduction required to be made; and

(D) if a payment made to a Lender under any Loan Document or Other Related Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Internal Revenue Code, as applicable), such Lender shall deliver to the Borrower and Administrative Agent at the time or times prescribed by applicable law and at such time or times reasonably requested by the Borrower or Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Internal Revenue Code) and such additional documentation reasonably requested by the Borrower or Administrative Agent as may be necessary for the Borrower and Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender's obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (D), "FATCA" shall include any amendments made to FATCA after the date of this Agreement.

Each Lender agrees that if any form or certification it previously delivered expires or becomes obsolete or inaccurate in any respect, it shall update such form or certification or promptly notify the Borrower and Administrative Agent in writing of its legal inability to do so.

(h) Treatment of Certain Refunds. If any party determines, in its sole discretion exercised in good faith, that it has received a refund of any Taxes as to which it has been indemnified pursuant to this Section 13.18 (including by the payment of additional amounts pursuant to this Section 13.18), it shall pay to the indemnifying party an amount equal to such refund (but only to the extent of indemnity payments made under this Section with respect to the Taxes giving rise to such refund), net of all reasonable out-of-pocket expenses (including Taxes) of such indemnified party and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund). Such indemnifying party, upon the request of such indemnified party, shall repay to such indemnified party the amount paid over pursuant to this paragraph (h) (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) in the event that such indemnified party is required to repay such refund to such Governmental Authority. Notwithstanding anything to the contrary in this paragraph (h), in no event will the indemnified party be required to pay any amount to an indemnifying party pursuant to this paragraph (h) the payment of which would place the indemnified party in a less

favorable net after-Tax position than the indemnified party would have been in if the Tax subject to indemnification and giving rise to such refund had not been deducted, withheld or otherwise imposed and the indemnification payments or additional amounts with respect to such Tax had never been paid. This paragraph shall not be construed to require any indemnified party to make available its Tax returns (or any other information relating to its Taxes that it deems confidential) to the indemnifying party or any other Person.

(i) Survival. Each party's obligations under this Section 13.18 shall survive the resignation or replacement of Administrative Agent or any assignment of rights by, or the replacement of, a Lender, the termination of the Commitments and the repayment, satisfaction or discharge of all obligations under any Loan Document or Other Related Document.

13.27 ACKNOWLEDGEMENT AND CONSENT TO BAIL-IN OF EEA FINANCIAL INSTITUTIONS.

Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

- (a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and
- (b) the effects of any Bail-in Action on any such liability, including, if applicable:
 - (i) a reduction in full or in part or cancellation of any such liability;
 - (ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or
 - (iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

13.28 ACKNOWLEDGEMENT REGARDING ANY SUPPORTED QFCs.

To the extent that the Loan Documents provide support, through a guarantee or otherwise, for Interest Rate Protection Agreements or any other agreement or instrument that is a QFC (such support, “**QFC Credit Support**” and each such QFC a “**Supported QFC**”), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the “**U.S. Special Resolution Regimes**”) in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

- (a) In the event a Covered Entity that is party to a Supported QFC (each, a “**Covered Party**”) becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 13.28, the following terms have the following meanings:

“**BHC Act Affiliate**” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“**Covered Entity**” means any of the following:

a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b);

a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“**Default Right**” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“**QFC**” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).

It shall not be necessary in making proof of this document to produce or account for more than a single counterpart containing the respective signatures of, or on behalf of, each of the parties hereto. Any signature page to any counterpart may be detached from such counterpart without impairing the legal effect of the signatures thereon and thereafter attached to another counterpart identical thereto except having attached to it additional signature pages.

13.30 NO WAIVER.

No previous waiver and no failure or delay by Administrative Agent or Lenders in acting with respect to the terms of the Notes or this Agreement shall constitute a waiver of any subsequent breach, default, or failure of condition under the Note, this Agreement or the obligations secured thereby. A waiver of any term of the Note, this Agreement or of any of the obligations secured thereby must be made in writing and shall be limited to the express written terms of such waiver.

This data may be transmitted to, received from or circulated among agents and representatives of Borrower, Operating Lessee Administrative Agent and/or Lenders and their respective Affiliates and other persons involved with the subject matter of this Agreement. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING OR ANY OTHER PROVISION HEREOF, EACH OF BORROWER AND OPERATING LESSEE FURTHER EXPRESSLY WAIVES, TO THE EXTENT PERMITTED BY LAW, ANY AND ALL RIGHTS OF SUBROGATION, REIMBURSEMENT, INDEMNIFICATION AND CONTRIBUTION, WHICH MIGHT OTHERWISE BE AVAILABLE TO BORROWER AND/OR OPERATING LESSEE UNDER APPLICABLE LAW WHILE THE LOAN IS OUTSTANDING. THIS UNDERSTANDING AND WAIVER IS MADE IN ADDITION TO AND NOT IN LIMITATION OF ANY OF THE OTHER TERMS AND CONDITIONS OF THIS AGREEMENT. EACH OF BORROWER AND OPERATING LESSEE AGREES THAT THE PAYMENT OR PERFORMANCE OF ANY ACT WHICH TOLLS ANY STATUTE OF LIMITATIONS APPLICABLE TO THE NOTES, ANY OF THE OTHER LOAN DOCUMENTS SHALL SIMILARLY OPERATE TO TOLL THE STATUTE OF LIMITATIONS APPLICABLE TO BORROWER'S AND OPERATING LESSEE'S LIABILITY HEREUNDER, AS APPLICABLE.

Assignor shall promptly notify Assignee, Administrative Agent, Operating Lessee and Borrower in writing of the Assignment Effective Date.

5. **Allocation and Payment of Interest and Fees.**

(a) the execution (by any party other than Assignor), effectiveness, genuineness, validity, enforceability, collectability or sufficiency of the Loan Documents or any representations, warranties, recitals or statements made in the Loan Documents or in any financial or other written or oral statement, instrument, report, certificate or any other document made or furnished or made available by Assignor to Assignee or by or on behalf of any Loan Party to Assignor or Assignee in connection with the Loan Documents and the transactions contemplated thereby;

9. Assignee Bound by Loan Agreement. Effective on the Assignment Effective Date, Assignee (a) shall be deemed to be a party to the Loan Agreement and as such, shall be directly liable to Borrower for any failure by Assignee to comply with Assignee's assumed obligations thereunder, including, without limitation, Assignee's obligation to fund its Pro Rata Share of the Loan in accordance with provisions of the Loan Agreement, (b) agrees to be bound by the Loan Agreement to the same extent as it would have been if it had been an original Lender thereunder, (c) agrees to perform in accordance with their respective terms all of the obligations which are required under the Loan Documents to be performed by it as a Lender, and (d) agrees to maintain its status as an Eligible Assignee. Assignee appoints and authorizes Administrative Agent to take such actions as agent on its behalf and to exercise such powers under the Loan Documents as are delegated to Administrative Agent by the terms thereof, together with such powers as are reasonably incidental thereto.

11. **New Notes.** On or promptly after the Assignment Effective Date, Borrower, Administrative Agent, Assignor and Assignee shall make appropriate arrangements so that new Notes executed by Borrower, dated the Assignment Effective Date and in the amount of the respective Pro Rata Shares of Assignor and Assignee in the original Loan amount, after giving effect to this Agreement, are issued to Assignor and Assignee, in exchange for the surrender by Assignor and Assignee to Borrower of any applicable outstanding Notes, marked "Exchanged".

12. **General.**

(a) No term or provision of this Agreement may be amended, waived or terminated orally, but only by an instrument signed by the parties hereto.

(b) This Agreement may be executed in one or more counterparts. Each set of executed counterparts shall be an original. Executed counterparts may be delivered by facsimile transmission.

(c) If Assignor has not assigned its entire remaining Pro Rata Share of the Loan to Assignee, Assignor may at any time and from time to time grant to others, subject to applicable provisions in the Loan Agreement, assignments of or participation in all of Assignor's remaining Pro Rata Share of the Loan.

(d) This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Neither Assignor nor Assignee may assign or transfer any of its rights or obligations under this Agreement without the prior written consent of the other and Administrative Agent **[and (subject to the provisions of Section 13.13) Borrower]**. The preceding sentence shall not limit the right of Assignee to grant to others a participation in all or part of the Assigned Rights and Obligations subject to the terms of the Loan Agreement.

(e) All payments to Assignor or Assignee hereunder shall, unless otherwise specified by the party entitled thereto, be made in United States dollars, in immediately available funds, and to the address or account specified on the signature pages of this Agreement. The address of Assignee for notice purposes under the Loan Agreement shall be as specified on the signature pages of this Agreement.

Notwithstanding anything to the contrary herein or in any other Loan Document or Other Related Document, Borrower, Operating Lessee, Administrative Agent and Lenders agree as follows:

- (a) **Benchmark Replacement.** Upon the occurrence of a Benchmark Transition Event or an Early Opt-in Election, as applicable, Administrative Agent, Borrower and Operating Lessee may amend this Agreement to replace the LIBO Rate with a Benchmark Replacement. Any such amendment with respect to a Benchmark Transition Event will become effective at 5:00 p.m. on the fifth (5th) Business Day after Administrative Agent has posted such proposed amendment to all Lenders and the Borrower so long as Administrative Agent has not received, by such time, written notice of objection to such amendment from Lenders comprising the Requisite Lenders, provided, however, as applied to this subsection (a) only and for no other purposes, consent from the Lender acting as Administrative Agent is not required for contesting the Benchmark Replacement, so long as all the other Lenders objecting to such Benchmark Replacement otherwise satisfy the Requisite Lender requirements. No replacement of the LIBO Rate with a Benchmark Replacement pursuant to this Exhibit J will occur prior to the applicable Benchmark Transition Start Date.
- (b) **Benchmark Replacement Conforming Changes.** In connection with the implementation of a Benchmark Replacement, Administrative Agent with the written consent of Borrower (such consent not to be unreasonably withheld, delayed or conditioned) shall have the right to make Benchmark Replacement Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document or Other Related Document, any amendments implementing such Benchmark Replacement Conforming Changes shall become effective without any further action or consent of any other party to this Agreement.

Any determination, decision or election that may be made by Administrative Agent or Lenders pursuant to this Exhibit J, including any determination with respect to a tenor, comparable replacement rate or adjustment or of the occurrence or non-occurrence of an event, circumstance or date and any decision to take or refrain from taking any action, shall be conclusive and binding absent manifest error and may be made in its or their sole discretion and without consent from any other party hereto, except, in each case, as expressly required pursuant to the provision of this Exhibit J.

1.3 CALCULATION OF COMPLETION COSTS AMOUNT.

(A) Not later than thirty (30) days after the date demand is made of Guarantor under this Guaranty, Administrative Agent shall select an independent inspector who meets the qualifications set forth below and notify Guarantor Parties of that independent inspector's name and address. If the independent inspector selected by Administrative Agent is acceptable to the Guarantor Parties, then that independent inspector shall be charged with making a written assessment of the Completion Costs Amount and delivering a copy of said assessment to Administrative Agent and Guarantor Parties within thirty (30) days after the independent inspector's appointment. The Completion Costs Amount estimated by said independent inspector shall be deemed the Completion Costs Amount for purposes hereof.

(B) If Guarantor Parties do not approve of Administrative Agent's independent inspector, then not later than fifteen (15) days after Guarantor was notified of Administrative Agent's choice of independent inspector, the Guarantor Parties shall together select an independent inspector who meets the qualifications set forth below and will notify Administrative Agent in writing of that independent inspector's name and address. Each independent inspector so selected will be charged with making a written assessment of the Completion Costs Amount in accordance with the provisions of this Guaranty and with delivering a copy thereof to Administrative Agent and to Guarantor Parties as soon as possible after selection, and in any event within forty five (45) days after the date Administrative Agent notifies Guarantor of Administrative Agent's independent inspector. If such assessments differ by five percent (5%) or less (of the larger assessment), the two assessments will be averaged, and the average thereof will be the Completion Costs Amount for purposes of this Guaranty.

(C) If such assessments differ by more than five percent (5%), then not later than ten (10) days after the completion of such assessments, the two independent inspectors will jointly select and notify Administrative Agent and Guarantor Parties of a third independent inspector who meets the qualifications set forth herein. Such third independent inspector will be charged with making a written assessment of the Completion Costs Amount in accordance with the provisions of this Guaranty and delivering copies thereof to Administrative Agent, Guarantor Parties, and to the other two independent inspectors as soon as possible thereafter, and in any event within twenty (20) days after his or her selection. The assessment that is closest to the third independent inspector's assessment, whether it be the Administrative Agent's independent inspector's assessment or Guarantor Parties independent inspector's assessment will be the Completion Costs Amount for purposes of this Guaranty.

(D) If Guarantor Parties fail or refuse to select an independent inspector when required under this Section 1.3, or if Guarantor and [] Guarantor are unable to agree on an independent inspector, or if Guarantor Parties' independent inspector fails or refuses to deliver its assessment when required under this Guaranty, then the determination of the Completion Costs Amount made by Administrative Agent's independent inspector shall be binding on Guarantor and shall be the Completion Costs Amount for the purposes hereof. If the independent inspectors selected by Administrative Agent and Guarantor Parties shall fail or refuse to agree upon the appointment of a third independent inspector when required under the provisions of this Guaranty, then Administrative Agent and Guarantor Parties each will cause the independent inspectors selected by it to provide the name of an independent inspector who meets the qualifications set forth herein, and Guarantor (or its representative), in the presence of Administrative Agent (or its representative), shall make a blind draw of one name of the two so provided and the independent inspector whose name is so drawn shall be the third independent inspector. In the event only one of the independent inspectors selected by Administrative Agent and Guarantor Parties supplies the name of an independent inspector when required under the provisions of this Guaranty the independent inspector so named shall be the third independent inspector.

(E) Each independent inspector selected pursuant hereto shall be a third-party architect, engineer, consultant or other inspector (i) certified in the State of Colorado, and (ii) with at least ten (10) years of active, current experience in analyzing construction costs of commercial real estate of the general type and approximate magnitude of the Expansion.

(F) Guarantor agrees that the Completion Costs Amount estimated as aforesaid shall be conclusive for purposes of determining Guarantor's liability hereunder. Guarantor will bear the cost of each independent inspector selected under this Guaranty.

(G) Guarantor covenants and agrees to furnish copies of and provide access to Administrative Agent, Lenders and the independent inspector(s) of all drawings, plans and specifications, construction materials and other information requested by Administrative Agent, Lenders or any independent inspector in connection with the estimate of the of the Completion Costs Amount, to the extent such information is in Guarantor's possession or control. Guarantor further covenants and agrees to use commercially reasonable efforts to arrange for interviews with any contractors and architects of the Expansion Improvements as reasonably requested by Administrative Agent, Lenders or any independent inspector.

- 1.4 **TREATMENT OF PAYMENT.** If Guarantor elects to make payment pursuant to Section 1.2, any such payment shall be retained by Lenders as liquidated damages. The parties acknowledge and agree that the actual damages of Lenders in such event would be extremely difficult or impracticable to determine. After negotiations, the parties have agreed that, considering all the circumstances existing on the date of this Guaranty, the liquidated damages amount as determined in accordance with the foregoing is a reasonable estimate of the damages that Lenders would incur in the event that Borrower has not timely and fully completed the construction of the Expansion Improvements in accordance with the Loan Documents. The payment of the liquidated damages amount to Administrative Agent (for the benefit of Lenders) under the circumstances provided herein is not intended as a forfeiture or penalty, but is intended to constitute liquidated damages to Lenders and constitute Lenders' sole remedy under this Section 1 (provided, for the avoidance of doubt, the acceptance of such liquidated damages shall in no way limit Administrative Agent's rights to collect under any other Loan Documents or any other guaranty).
- 1.5 **EXERCISE OF REMEDIES.** For the avoidance of doubt, if the Guarantor Parties fail to make an election in accordance with Section 1.2, or elect not to proceed under Section 1.2, Administrative Agent shall retain and may immediately thereafter pursue all remedies available under this Guaranty, including under Section 8 below.

Notwithstanding the foregoing, (1) in no event shall the Lenders' combined recovery under Section 1 of this Guaranty and Section 1 of the [_____] Guaranty exceed the full amount owed under such Sections 1 of this Guaranty and (2) Guarantor's liability under this Section 1 shall be limited (the "**Completion Guaranty Limit**") to a maximum amount equal to [_____] percent ([__]%) **[NOTE: COMBINED RECOVERY AMONG GUARANTORS TO EQUAL 100% OF GUARANTIED LIABILITIES]** of the total amounts or obligations otherwise due by Guarantor under this Section 1.

2. **[INTENTIONALLY OMITTED]**.
3. **[INTENTIONALLY OMITTED]**.
4. **NO WAIVER, RELEASE OR IMPAIRMENT.** Nothing contained in this Guaranty shall be deemed to waive, release, affect or impair the indebtedness evidenced by the Loan Documents or the obligations of Borrower or Operating Lessee under the Loan Documents, or the liens and security interests created by the Loan Documents, or Administrative Agent's rights to enforce its rights and remedies under the Loan Documents and under this Guaranty or the indemnity provided herein, in the Loan Documents or in connection with the Loan, or otherwise provided in equity or under applicable law, including, without limitation, the right to pursue any remedy for injunctive or other equitable relief, or any suit or action in connection with the preservation, enforcement or foreclosure of the liens, mortgages, assignments and security interests which are now or at any time hereafter security for the payment and performance of all obligations under the Loan Agreement or in the other Loan Documents. The provisions of Sections 1 and 4 of this Guaranty shall prevail and control over any contrary provisions elsewhere in this Guaranty or the other Loan Documents.
5. **CERTAIN DEFINITIONS.** For purposes of this Guaranty, the following capitalized terms shall have the following meanings:
 - 5.1 "**Affiliate**" shall mean, as to any person or entity, any other person or entity that, directly or indirectly, is in Control of, is Controlled by or is under common ownership or Control with such person or entity, or is a director or officer of such person or entity, or of an Affiliate of such person or entity.
 - 5.2 "**Control**" shall mean the power to direct the management and policies of an entity, directly or indirectly, whether through the ownership of voting securities or other beneficial interests, by contract or otherwise.
 - 5.3 "**SPE Component Entity**" shall mean, if Borrower is a limited partnership or a limited liability company, each general partner or managing member of Borrower, as applicable.
6. **[INTENTIONALLY OMITTED]**
7. **OBLIGATIONS OF GUARANTOR UPON DEFAULT BY BORROWER.** Subject in all respects to the last paragraph of Section 1 hereof, if the Expansion Improvements are not Completed in the manner and within the time required by the Loan Agreement, or if, prior to the expiration of the time limits for said Completion set forth in the Loan Agreement, construction of the Expansion Improvements should cease or be halted prior to Completion and such cessation or halt constitutes a Default, Guarantor shall, promptly upon demand of Administrative Agent:
 - (a) diligently proceed

to Complete construction of the Expansion Improvements at Guarantor's sole cost and expense; (b) fully pay and discharge all claims for labor performed and material and services furnished (including soft costs and hard costs) in connection with the construction of the Expansion Improvements in accordance with the Loan Agreement; (c) release and discharge all stop notices, mechanic's liens, materialman's liens and equitable liens that may arise in connection with the construction of the Expansion Improvements; and (d) pay to Administrative Agent the interest on the principal amount outstanding under the Loan for any period of such delay which precedes the transfer of title to the Property to Administrative Agent. Subject to the further provisions of this Section 7, Administrative Agent shall make the undisbursed Expansion Tranche funds available to Guarantor for the purposes of completing the Expansion Improvements and fulfilling Guarantor's other obligations under this Guaranty; provided, however, that the obligation of Administrative Agent to make such undisbursed Expansion Tranche funds available to Guarantor in accordance with the disbursement procedures and subject to the disbursement conditions set forth in the Loan Agreement (provided that the condition in Section 3.2(b) of the Loan Agreement shall not be a condition to disbursement hereunder) is expressly conditioned upon: (x) there being no continuing Default by Guarantor under this Guaranty; and (y) Borrower, Operating Lessee and/or Guarantor having deposited with Administrative Agent all sums required to be deposited into Borrower's Funds Account in accordance with the Loan Agreement.

8. **REMEDIES.** If Guarantor fails to commence and pursue diligently its obligations under this Guaranty, Administrative Agent and Lenders shall have the following remedies:
- 8.1 [Intentionally Omitted];
- 8.2 From time to time, and without first requiring performance by Borrower or any other guarantor or without exhausting any or all security (if any) for the Loan or any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan, to bring any action at law or in equity or both to compel Guarantor to perform its obligations hereunder, and (without limitation of the amounts guaranteed under Section 1 above) to collect in any such action compensation for all loss, cost, damage (as opposed to consequential, special or punitive damages or lost profits other than consequential, special or punitive damages owed by a Lender to a third party), injury and expense sustained or incurred, by Administrative Agent and/or any Lender as a direct or indirect consequence of the failure of Guarantor to perform its obligations hereunder, together with interest thereon at the rate of interest applicable to the principal balance of the Notes.
- 8.3 [Intentionally Omitted].
9. **RIGHTS OF ADMINISTRATIVE AGENT AND LENDERS.** Guarantor authorizes Administrative Agent, without giving notice to Guarantor or obtaining Guarantor's consent and without affecting the liability of Guarantor, from time to time to: (a) approve modifications to the Plans and Specifications so long as such modifications do not materially increase the cost of constructing the Expansion Improvements nor materially increase the time necessary to complete the Expansion Improvements; (b) change the terms or conditions of disbursement of the Expansion Tranche so long as such changes do not materially interfere with Borrower's or Operating Lessee's ability to construct the Expansion Improvements as and when required under the Loan Agreement; (c) renew, modify or extend all or any portion of Borrower's and/or Operating Lessee's obligations under the Notes or any of the other Loan Documents and any obligations under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender in connection with the Loan; (d) declare all sums owing to Lenders under the Notes or any of the other Loan Documents and any obligations under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender in connection with the Loan, due and payable during the existence

of a Default under the Loan Documents or an Event of Default as defined in any Interest Rate Protection Agreement between Borrower and a Lender in connection with the Loan; (e) make non-material changes in the dates specified for payments of any sums payable in periodic installments under the Notes or any of the other Loan Documents; (f) otherwise modify the terms of any of the Loan Documents or any Interest Rate Protection Agreement between Borrower and a Lender in connection with the Loan, except for: (i) increases in the principal amount of the Notes for or changes in the manner by which interest rates, fees or charges are calculated under the Notes and the other Loan Documents (Guarantor acknowledges that if the Notes or the other Loan Documents so provide, said interest rates, fees and charges may vary from time to time) or (ii) advancement of the Maturity Date (as defined in the Notes) of the Notes where no Default has occurred and is continuing under the Loan; (g) take and hold security for the performance of Borrower's and/or Operating Lessee's obligations under Notes or the other Loan Documents and any obligations under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender in connection with the Loan, and exchange, enforce, waive, subordinate and release any such security in whole or part; (h) apply such security and direct the order or manner of sale thereof as Administrative Agent in its discretion may determine; (i) release, substitute or add any one or more endorsers of the Notes or guarantors of Borrower's and/or Operating Lessee's obligations under the Notes or the other Loan Documents or any obligations under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender in connection with the Loan; (j) apply payments received by Administrative Agent and/or any Lender from Borrower and/or Operating Lessee to any obligations of Borrower or Operating Lessee to Administrative Agent and/or Lenders, in such order as Administrative Agent shall determine in its sole discretion, whether or not any such obligations are covered by this Guaranty; (k) assign this Guaranty in whole or in part; and (l) assign, transfer or negotiate all or any part of the indebtedness guaranteed by this Guaranty. Notwithstanding anything to the contrary contained herein, the rights of Administrative Agent granted pursuant to this Section 9 shall in no way amend, alter or supersede any of Borrower's, Operating Lessee's or Administrative Agent's rights under the Loan Agreement or any other Loan Document.

10. **GUARANTOR'S WAIVERS.** Guarantor waives, to the maximum extent permitted by law: (a) any defense based upon any legal disability or other defense of Borrower, any other guarantor or other person, or by reason of the cessation or limitation of the liability of Borrower from any cause other than full payment and performance of those obligations of Borrower which are guaranteed hereunder; (b) any defense based upon any lack of authority of the officers, directors, partners, managers, members or agents acting or purporting to act on behalf of Borrower, Guarantor or any principal of Borrower or Guarantor, any defect in the formation of Borrower, Guarantor or any principal of Borrower or Guarantor; (c) any defense based upon the application by Borrower of the proceeds of the Loan for purposes other than the purposes represented by Borrower to Lenders or intended or understood by Lenders or Guarantor; (d) any and all rights and defenses arising out of an election of remedies by Administrative Agent and/or Lenders, even though that election of remedies, such as a nonjudicial foreclosure, if available and/or permitted, with respect to security for a guaranteed obligation, has or may have destroyed Guarantor's rights of subrogation and reimbursement against the principal by the operation of any applicable state law or otherwise; (e) any defense based upon Administrative Agent's and/or any Lender's failure to disclose to Guarantor any information concerning Borrower's financial condition or any other circumstances bearing on Borrower's ability to pay and perform its obligations under the Notes or any of the other Loan Documents and any obligations under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender in connection with the Loan, or upon the failure of any other principals of Borrower to guaranty the Loan or any obligations under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender in connection with the Loan; (f) any defense based upon any statute or rule of law which provides that the obligation of a

surety must be neither larger in amount nor in any other respects more burdensome than that of a principal; (g) any defense based upon Administrative Agent's or Lenders' election, in any proceeding instituted under the Federal Bankruptcy Code, of the application of Section 1111(b)(2) of the Federal Bankruptcy Code or any successor statute; (h) any defense based upon any borrowing or any grant of a security interest under Section 364 of the Federal Bankruptcy Code; (i) any right of subrogation, any right to enforce any remedy which Administrative Agent and/or Lenders may have against Borrower and any right to participate in, or benefit from, any security for the Notes or the other Loan Documents or any obligations under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender, now or hereafter held by such Lender, in connection with the Loan; (j) presentment, demand, protest and notice of any kind; (k) the benefit of any statute of limitations affecting the liability of Guarantor hereunder or the enforcement hereof; (l) any right to require Administrative Agent or Lenders to institute suit or exhaust remedies against Borrower or others liable for any of such indebtedness, to enforce Lenders' rights against any collateral which shall have been given to secure the Loan, to enforce Lenders' rights against any other guarantors of such indebtedness, to join Borrower or any others liable on such indebtedness in any action seeking to enforce this Guaranty, to resort to any other means of obtaining payment of such indebtedness; (m) notices of disbursement of Loan proceeds, acceptance hereof, proof of non-payment, default under any of the Loan Documents, notices and demands of any kind; and (n) the invalidity, illegality or unenforceability of all or any portion of the indebtedness guaranteed hereby or any of the Loan Documents for any reason whatsoever, including that interest on such indebtedness violates applicable usury laws, that Borrower or others liable for all or a portion thereof have valid defenses, claims or offsets to all or a portion of such indebtedness, or that the Notes or other Loan Documents have been forged or otherwise are irregular or not genuine or authentic (it being agreed that Guarantor shall remain liable under this Guaranty regardless of whether Borrower or any other person shall be found not liable for repayment of all or a portion of such indebtedness. Guarantor further waives any and all rights and defenses that Guarantor may have because Borrower's debt is secured by real property; this means, among other things, that: (1) Administrative Agent and Lenders may collect from Guarantor without first foreclosing on any real or personal property collateral pledged by Borrower; (2) if Administrative Agent forecloses on any real property collateral pledged by Borrower, then (A) the amount of the debt may be reduced only by the price for which that collateral is sold at the foreclosure sale, even if the collateral is worth more than the sale price, and (B) Administrative Agent, for the benefit of Lenders, may collect from Guarantor even if Administrative Agent, by foreclosing on the real property collateral, has destroyed any right Guarantor may have to collect from Borrower. The foregoing sentence is an unconditional and irrevocable waiver of any rights and defenses Guarantor may have because Borrower's debt is secured by real property. These rights and defenses being waived by Guarantor include, but are not limited to, any rights or defenses based upon deficiency limitation or anti-deficiency, redemption or other similar rights, if any. Without limiting the generality of the foregoing or any other provision hereof, Guarantor further expressly waives, to the extent permitted by law until the Loan is paid or satisfied in full, any and all rights and defenses, including without limitation, any rights of subrogation, reimbursement, indemnification and contribution, and which might otherwise be available to Guarantor under New York law, Colorado law or otherwise. Finally, Guarantor agrees that the payment or performance of any act which tolls any statute of limitations applicable to the Notes or any of the other Loan Documents shall similarly operate to toll the statute of limitations applicable to Guarantor's liability hereunder.

11. **GUARANTOR'S WARRANTIES.** Guarantor warrants, represents, covenants and acknowledges to Administrative Agent and Lenders that:
- (a) Lenders would not make the Loan nor enter into any Interest Rate Protection Agreement with the Borrower but for this Guaranty;
 - (b) Guarantor has reviewed all of the terms and provisions of the Loan Agreement, any Interest Rate Protection Agreement between Borrower and a Lender (as applicable) in connection with the Loan and the

other Loan Documents; (c) there are no conditions precedent to the effectiveness of this Guaranty; (d) Guarantor has established adequate means of obtaining from sources other than Administrative Agent and/or Lenders, on a continuing basis, financial and other information pertaining to Borrower's or Operating Lessee's financial condition, the Property and Borrower's and Operating Lessee's activities relating thereto and the status of Borrower's performance of obligations under the Loan Documents and any Interest Rate Protection Agreement with a Lender in connection with the Loan, and Guarantor agrees to keep adequately informed from such means of any facts, events or circumstances which might in any way affect Guarantor's risks hereunder, and Administrative Agent and Lenders have made no representation to Guarantor as to any such matters; (e) the most recent financial statements of Guarantor heretofore or hereafter delivered to Administrative Agent are true and correct in all respects, have been prepared in accordance with generally accepted accounting principles consistently applied (or other principles acceptable to Administrative Agent) and fairly and accurately represent the financial condition of Guarantor as of the respective dates thereof, and no material adverse change has occurred in the financial condition of Guarantor since the respective dates thereof; (f) Guarantor has not and will not, without the prior written consent of Administrative Agent, sell, lease, assign, encumber, pledge, hypothecate, mortgage, transfer or otherwise dispose of all or substantially all of Guarantor's assets, or any interest therein, other than in the ordinary course of Guarantor's business; (g) Guarantor has the requisite legal power and authority to execute, deliver and perform this Guaranty, and the execution, delivery and performance thereof, and the consummation of the transactions contemplated thereby, have been duly authorized by all requisite action of Guarantor and no other proceedings or authorizations on the part of Guarantor are necessary to consummate such transactions; (h) this Guaranty has been duly executed and delivered by Guarantor and constitutes the legal, valid and binding obligation of Guarantor and is enforceable against Guarantor in accordance with its terms, except as limited by bankruptcy, insolvency, reorganization or similar law of general application affecting the rights and remedies of creditors, and moratorium laws from time to time in effect, and except to the extent the availability of equitable relief may be subject to the discretion of the court for which any proceeding therefor may be brought; and (i) Guarantor is not and will not be, as a consequence of the execution and delivery of this Guaranty, impaired or rendered "insolvent", as that term is defined in Section 101 of the Federal Bankruptcy Code, or otherwise rendered unable to pay Guarantor's debts as the same mature and will not have thereby undertaken liabilities in excess of the present fair value of Guarantor's assets. Notwithstanding the foregoing, the calculation of liabilities shall NOT include any fair value adjustments to the carrying value of liabilities to record such liabilities at fair value pursuant to electing the fair value option election under FASB ASC 825-10-25 (formerly known as FAS 159, *The Fair Value Option for Financial Assets and Financial Liabilities*) or other FASB standards allowing entities to elect fair value option for financial liabilities. Therefore, the amount of liabilities shall be the historical cost basis, which generally is the contractual amount owed adjusted for amortization or accretion of any premium or discount. Guarantor acknowledges and agrees that Administrative Agent may request and obtain additional information from third parties regarding any of the above, including, without limitation, credit reports.

12. **[INTENTIONALLY OMITTED]**.

13. **[INTENTIONALLY OMITTED]**.

14. **SUBORDINATION**. Guarantor subordinates all present and future indebtedness owing by Borrower or, during the existence of a Default, by any other guarantor under any guaranty or indemnity of the Loan or an Event of Default under, and defined in, any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan, to Guarantor to the obligations at any time owing by Borrower to Lenders under the Notes and the other Loan

Documents or under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan. Guarantor assigns all such indebtedness to Administrative Agent, for the benefit of Lenders, as security for this Guaranty, the Notes and the other Loan Documents and any obligations under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan. Guarantor agrees to make no claim for such indebtedness until all obligations of Borrower under the Notes and the other Loan Documents and under or in connection with any Interest Rate Protection Agreement between Borrower and Administrative Agent have been fully discharged. Guarantor further agrees not to assign all or any part of such indebtedness unless Administrative Agent is given prior notice and such assignment is expressly made subject to the terms of this Guaranty. If Administrative Agent so requests, (a) all instruments evidencing such indebtedness shall be duly endorsed and delivered to Administrative Agent, (b) all security for such indebtedness shall be duly assigned and delivered to Administrative Agent, (c) such indebtedness shall be enforced, collected and held by Guarantor as trustee for Administrative Agent and Lenders and shall be paid over to Administrative Agent on account of the Loan and under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan, but without reducing or affecting in any manner the liability of Guarantor under the other provisions of this Guaranty, and (d) Guarantor shall execute, file and record such documents and instruments and take such other action as Administrative Agent deems necessary or appropriate to perfect, preserve and enforce Lenders' rights in and to such indebtedness and any security therefor. If Guarantor fails to take any such action, Administrative Agent, as attorney-in-fact for Guarantor, to the extent permitted by law, is hereby authorized to do so in the name of Guarantor. The foregoing power of attorney is coupled with an interest and cannot be revoked.

15. **BANKRUPTCY OF BORROWER.** In any bankruptcy or other proceeding in which the filing of claims is required by law, Guarantor shall file all claims which Guarantor may have against Borrower relating to any indebtedness of Borrower to Guarantor and shall assign to Administrative Agent, for the benefit of Lenders, all rights of Guarantor thereunder. If Guarantor does not file any such claim, Administrative Agent, as attorney-in-fact for Guarantor, to the maximum extent permitted by law, is hereby authorized to do so in the name of Guarantor or, in Administrative Agent's discretion, to assign the claim to a nominee and to cause proof of claim to be filed in the name of Administrative Agent's nominee. The foregoing power of attorney is coupled with an interest and cannot be revoked. Administrative Agent or Administrative Agent's nominee shall have the right, in its reasonable discretion, to accept or reject any plan proposed in such proceeding and to take any other action which a party filing a claim is entitled to do. In all such cases, whether in administration, bankruptcy or otherwise, the person or persons authorized to pay such claim shall pay to Administrative Agent the amount payable on such claim and, to the full extent necessary for that purpose, Guarantor hereby assigns to Administrative Agent, for the benefit of Lenders, all of Guarantor's rights to any such payments or distributions; provided, however, Guarantor's obligations hereunder shall not be satisfied except to the extent that Administrative Agent receives cash by reason of any such payment or distribution. If Administrative Agent receives anything hereunder other than cash, the same shall be held as collateral for amounts due under this Guaranty. If all or any portion of the obligations guaranteed hereunder are paid or performed, the obligations of Guarantor hereunder shall continue and shall remain in full force and effect in the event that all or any part of such payment or performance is avoided or recovered directly or indirectly from Administrative Agent as a preference, fraudulent transfer or otherwise under the Bankruptcy Code or other similar laws, irrespective of (a) any notice of revocation given by Guarantor prior to such avoidance or recovery, or (b) full payment and performance of all of the indebtedness and obligations evidenced and secured by the Loan Documents and under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan.

16. **ADDITIONAL, INDEPENDENT AND UNSECURED OBLIGATIONS.** This Guaranty is a continuing guaranty of performance and payment and not of collection and cannot be revoked by Guarantor and shall continue to be effective with respect to any indebtedness referenced in Section 1 hereof arising or created after any attempted revocation hereof or after the death of Guarantor (if Guarantor is a natural person, in which event this Guaranty shall be binding upon Guarantor's estate and Guarantor's legal representatives and heirs). The obligations of Guarantor hereunder shall be in addition to and shall not limit or in any way affect the obligations of Guarantor under any other existing or future guaranties unless said other guaranties are expressly modified or revoked in writing. This Guaranty is independent of the obligations of Borrower and Operating Lessee under the Notes, the other Loan Documents and under or in connection with any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan and the Security Instrument. Administrative Agent and Lenders may bring a separate action to enforce the provisions hereof against Guarantor without taking action against Borrower or any other party or joining Borrower or any other party as a party to such action. Except as otherwise provided in this Guaranty, this Guaranty is not secured and shall not be deemed to be secured by any security instrument unless such security instrument expressly recites that it secures this Guaranty.
17. **CREDIT REPORTS.** Each legal entity and individual obligated on this Guaranty hereby authorizes Administrative Agent to order and obtain, from a credit reporting agency of Administrative Agent's choice, a third party credit report on such legal entity and individual.
18. **ENFORCEABILITY.** Guarantor hereby acknowledges that: (a) the obligations undertaken by Guarantor in this Guaranty are complex in nature, and (b) numerous possible defenses to the enforceability of these obligations may presently exist and/or may arise hereafter, and (c) as part of Lenders' consideration for entering into this transaction and any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan, Lenders have specifically bargained for the waiver and relinquishment by Guarantor of all such defenses, and (d) Guarantor has had the opportunity to seek and receive legal advice from skilled legal counsel in the area of financial transactions of the type contemplated herein. Given all of the above, Guarantor does hereby represent and confirm to Administrative Agent and Lenders that Guarantor is fully informed regarding, and that Guarantor does thoroughly understand: (i) the nature of all such possible defenses, and (ii) the circumstances under which such defenses may arise, and (iii) the benefits which such defenses might confer upon Guarantor, and (iv) the legal consequences to Guarantor of waiving such defenses. Guarantor acknowledges that Guarantor makes this Guaranty with the intent that this Guaranty and all of the informed waivers herein shall each and all be fully enforceable by Administrative Agent and Lenders, and that Administrative Agent and Lenders are induced to enter into this transaction in material reliance upon the presumed full enforceability thereof.
19. **MISCELLANEOUS.**
- 19.1 **Notices.** All notices, demands, or other communications under this Guaranty and the other Loan Documents shall be in writing and shall be delivered to the appropriate party at the address set forth below (subject to change from time to time by written notice to all other parties to this Guaranty). All notices, demands or other communications shall be considered as properly given if delivered personally or sent by first class United States Postal Service mail, postage prepaid, or by Overnight Express Mail or by overnight commercial courier service, charges prepaid, except that notice of Default may be sent by certified mail, return receipt requested, charges prepaid. 19.2 **Attorneys' Fees and Expenses; Enforcement.** If any attorney is engaged by Administrative Agent and/or any Lender to enforce or defend any provision of this Guaranty, any of the other Loan Documents or Other Related Documents, or as a consequence of any Default under the Loan Documents, or an Event of Default under or in connection with, and as defined in, any Interest Rate Protection Agreement between Borrower and a Lender with respect to the Loan, with or without the filing of any legal action or proceeding, and including, without limitation, any fees and expenses incurred in any bankruptcy proceeding or in connection with any appeal of a lower court decision, then Guarantor shall immediately pay to Administrative Agent, within ten (10) Business Days following receipt of written demand, the amount of all attorneys' fees and expenses and all costs incurred in connection therewith, including all trial and appellate proceedings in any legal action, suit, bankruptcy or other proceeding, together with interest thereon from the date of such demand until paid at rate of interest applicable to the principal balance of the Notes as specified therein. In the event of any legal proceedings, court costs and attorneys' fees shall be set by the court and not by jury and shall be included in any judgment obtained by Administrative Agent

- 19.3 **No Waiver.** No previous waiver and no failure or delay by Administrative Agent and/or Lenders in acting with respect to the terms of this Guaranty shall constitute a waiver of any breach, default, or failure of condition under this Guaranty or the obligations secured thereby. A waiver of any term of this Guaranty or of any of the obligations secured thereby must be made in writing and shall be limited to the express written terms of such waiver.
- 19.4 **Loan Sales and Participation; Disclosure of Information.** Guarantor agrees that Lenders may elect, at any time, to sell, assign or grant participation in all or any portion of such Lender's rights and obligations under the Loan Documents and this Guaranty, and that any such sale, assignment or participation may be to one or more financial institutions, private investors, and/or other entities ("Participant"), at such Lender's sole discretion in accordance with the Loan Agreement. Ryman Hospitality Properties, Inc. Announces Completion of Gaylord Rockies Resort & Convention Center Refinancing

NASHVILLE, Tenn. (July 2, 2019) – Ryman Hospitality Properties, Inc. (NYSE: RHP), a lodging real estate investment trust (“REIT”) specializing in group-oriented, destination hotel assets in urban and resort markets, today reported that the joint venture that owns Gaylord Rockies Resort & Convention Center has successfully completed the refinancing of its prior construction loan and mezzanine loan, which were scheduled to mature in December 2019.

The new loan consists of an \$800 million term loan and an additional \$80 million of borrowing capacity should the joint venture decide to pursue a future expansion. The new loan matures in July 2023 with three, one-year extension options and bears interest at LIBOR plus 2.50%. The loan is secured by a deed of trust lien on the Gaylord Rockies real estate and related assets. In addition, Ryman and an affiliate of the other principal owner entered into limited guaranties of a 10% portion of the principal debt, together with interest and operating expenses. Other than (i) those limited guaranties (which are to be released once the project achieves a certain debt service coverage threshold), (ii) a completion guaranty in the event the expansion is pursued and (iii) customary carve-outs, the loan is entirely non-recourse to Ryman. Wells Fargo is the agent and arranger for the loan. Simultaneously with the loan closing, the joint venture entered into an interest rate swap to fix the LIBOR portion of the interest rate at 1.65% for the first 3 years of the loan. The Gaylord Rockies joint venture will use the loan proceeds to repay the construction and mezzanine loans and, after repayment of expenses, will distribute excess proceeds to its owners.

Ryman Hospitality Properties, which owns 61.2% of the Gaylord Rockies joint venture, expects to receive a distribution of approximately \$153 million, which it will use to repay a portion of the outstanding indebtedness under the Ryman revolving credit facility.

Colin Reed, chairman and chief executive officer of Ryman Hospitality Properties, said, “We are pleased to announce this refinancing, which creates a new financing structure that better reflects our long-term position in this venture and frees up additional borrowing capacity under our revolving credit facility.”
